Abrogate, Anachronism, Arrant, Artless, Asperity

1 Abrogate (रद्द करना / समाप्त करना) (Verb) (ab-ro-gate) (Formal/Legal)

- **Meaning (English):** To abolish, revoke, or officially end a law, rule, agreement, or policy.
- **Meaning (Hindi):** किसी कानून, नियम, समझौते या नीति को आधिकारिक रूप से समाप्त या रद्द करना।
- **Origin Flowchart & Etymology:**
 - Latin *abrogare* (to repeal) → **ab-** (away) + **rogare** (to propose a law) → English *abrogate*
- **Synonym + Antonym:**
 - **Synonym:** repeal, annul, revoke, invalidate
 - **Antonym:** enforce, uphold, enact
- **Connotation:** Formal; often legal or governmental.
- **Pictorial Scenario:** A government striking out an old, outdated colonial-era law with a bold red line.

• Use in Non-Fiction (100 words):

"Abrogate" is primarily used in legal, governmental, and policy-related writing to describe the formal revocation of laws, treaties, or obligations. Scholars use it to examine

constitutional changes, international agreements, and shifts in political authority. In organizational contexts, the term may refer to the cancellation of outdated protocols. The word carries a strong formal tone, signaling deliberate, authoritative action. Its precision makes it effective in legal and academic writing where clarity about official termination is necessary. Writers must use it only when a formal or institutional repeal is intended, not for casual cancellation.

- **Correct & Incorrect Usage:**

- ✓ *The government decided to abrogate the outdated law.* — सरकार ने पुराने कानून को रद्द कर दिया।
- ✗ *He abrogated his dinner plan.* (Use "cancelled")

- **Word Hack of the Day (50 words):**

- Use “abrogate” only when referring to the formal, official, or legal cancellation of something—laws, treaties, agreements, or institutional rules. It adds authority and precision, so avoid using it for everyday cancellations. When the context is casual, choose simpler verbs like withdraw, revoke, or cancel. Let “abrogate” signal deliberate repeal.

- **Example (English + Hindi Equivalent):**

- *The court moved to abrogate the discriminatory policy.* (अदालत ने भेदभावपूर्ण नीति को रद्द करने का निर्णय लिया।)
- **Grammar Breakdown:**
 - S (Subject): The court
 - V (Verb – Transitive): moved to abrogate
 - O (Object): the discriminatory policy

- **Common Collocations:**

- abrogate a law, abrogate a treaty, abrogate rights, abrogate responsibilities

- **My Statement:**

- A committee was formed to analyse the outcome of government interference in abrogating certain laws.
- Old practices were abrogated by the ruling party.
- It will not be an easy job to abrogate current agreements due to external pressures.

- **My Notes:** [Leave as Placeholder]

2 Anachronism (कालभ्रम / युग-विरोधी चीज़) (Noun) (uh-na-kro-niz-um) (Neutral/Intellectual)

- **Meaning (English):** Something belonging to a different time period; an outdated object, idea, or practice placed in the wrong era.
- **Meaning (Hindi):** कोई वस्तु, विचार या प्रचलन जो गलत समयकाल में हो या पुराने जमाने का हो।
- **Origin Flowchart & Etymology:**
 - Greek *ana* (against/back) + *chronos* (time) → **Late Latin** → English “anachronism”
- **Synonym + Antonym:**
 - **Synonym:** relic, outdated practice, historical mismatch
 - **Antonym:** contemporary norm, modern fit, timely element
- **Connotation:** Intellectual; often mildly critical.
- **Pictorial Scenario:** A medieval knight holding a smartphone on a battlefield.

- **Use in Non-Fiction (100 words):**

“Anachronism” is frequently used in historical studies, cultural critique, and literature to identify elements that do not fit the period being discussed. Academics use it to highlight conceptual mismatches, such as applying modern values to ancient societies. In film criticism, it denotes props or ideas that incorrectly appear in historical settings. The term

can also describe outdated behaviors or philosophies that persist in modern contexts. Its usage adds analytical depth by signaling temporal inconsistency, making it a powerful tool in critical writing.

- **Correct & Incorrect Usage:**

- ✓ *Using medieval laws today would be an anachronism.* — आज मध्यकालीन कानूनों का उपयोग करना युग-विरोधी होगा।
- ✗ *Her clothes are anachronism.* (Use “anachronistic” for adjective)

- **Word Hack of the Day (50 words):**

- Use “anachronism” when something is placed outside its proper time—an object, idea, behavior, or belief that doesn’t belong in the era it appears. It’s not just “old”; it’s temporally misplaced. Ideal for critiques of films, historical analysis, or outdated traditions that feel out of sync with the present.

- **Example (English + Hindi Equivalent):**

- *The typewriter in a modern office felt like an anachronism.* (आधुनिक कार्यालय में टाइपराइटर एक युग-विरोधी वस्तु लगा।)

- **Grammar Breakdown:**

- **S (Subject): The typewriter in a modern office**

- ↳ (Noun Phrase)

- • Head Noun: typewriter

- • Prep Phrase (Modifier): in a modern office

- ↳ Prep: in

- ↳ Object of Prep: a modern office

- V (Verb – Linking): felt

- **C (Subject Complement): like an anachronism**

- ↳ Prep: like

- ↳ Object of Prep: an anachronism

- O (Object): — (Linking verb; no direct object)

- **Common Collocations:**

- historical anachronism, cultural anachronism, glaring anachronism

- **My Statement:**

- It seems like a historical anachronism that you are trying to fit into the present.
- Some cultural anachronisms can be accepted in the modern era with minor changes.

- Some cultural anachronisms can be accepted in the modern era with minor changes.
- **My Notes:** [Leave as Placeholder]

3 Arrant (पूर्ण / अत्यधिक) (*Adjective*) (*air-uhnt*) (*Negative/Emphatic*)

- **Meaning (English):** Complete or utter (usually used to intensify something negative).
- **Meaning (Hindi):** पूरी तरह, अत्यधिक (अक्सर नकारात्मक चीज़ों को ज़ोर देने के लिए)।
- **Origin Flowchart & Etymology:**
 - Middle English *arrant* (notorious) → **intensifier** → modern English
- **Synonym + Antonym:**
 - **Synonym:** absolute, utter, notorious, complete
 - **Antonym:** partial, mild, moderate
- **Connotation:** Strongly negative; intensifying.
- **Pictorial Scenario:** A thief caught bragging about his “arrant lies” in front of a shocked crowd.

- **Use in Non-Fiction (100 words):**

“Arrant” is a rhetorical intensifier used primarily in formal commentary, criticism, and literary writing. It emphasizes the extremity of a negative quality, such as “arrant nonsense” or “arrant hypocrisy.” Journalists and analysts use it to highlight blatant misconduct, irrationality, or deception. Because it conveys strong judgment, it should be used sparingly and only when such emphasis is warranted. The term is useful for highlighting deliberate, unmistakable faults rather than subtle errors.

- **Correct & Incorrect Usage:**

- ✓ *His claim was arrant nonsense.* — उसका दावा पूर्ण बकवास था।
- ✗ *He is an arrant worker.* (Wrong context — not for positive traits)

- **Word Hack of the Day (50 words):**

- Use “arrant” as a powerful intensifier for negative nouns only—arrant nonsense, arrant lies, arrant hypocrisy. It sharpens criticism by signaling something is completely, blatantly, or outrageously so. Never pair it with positive or neutral qualities. Think of “arrant” as a linguistic highlighter for extreme faults.

- **Example (English + Hindi Equivalent):**

- *The report dismissed his accusation as arrant nonsense.* (रिपोर्ट ने उसके आरोप को पूर्ण बकवास करार दिया।)
- **Grammar Breakdown:**
 - S (Subject): The report
 - V (Verb – Transitive): dismissed
 - O (Direct Object): his accusation
 - **+ (Object Complement): as arrant nonsense**
 - ↳ Prep: as
 - ↳ Object of Prep (Complement): arrant nonsense

- **Common Collocations:**

- arrant nonsense, arrant hypocrisy, arrant lies, arrant fool

- **My Statement:**

- We are not here to listen to your arrant nonsense.
- This is all arrant hypocrisy, and you expect me to stay calm and do nothing.
- We have already listened to your arrant lies and won't spare you anymore.

- **My Notes:** [Leave as Placeholder]

4 Artless (निष्कपट / सरल) (Adjective) (art-less) (Positive/Neutral)

- **Meaning (English):** Simple, sincere, without deceit or artificiality; sometimes lacking sophistication.
- **Meaning (Hindi):** निष्कपट, सरल, बिना बनावट के; कभी-कभी अनुभवहीन भी।
- **Origin Flowchart & Etymology:**
 - Old French *ars* (skill) → **English “artless”** → without skill or without craftiness
- **Synonym + Antonym:**
 - **Synonym:** sincere, naive, genuine, guileless
 - **Antonym:** cunning, deceptive, sophisticated
- **Connotation:** Generally positive; can imply innocence or lack of polish.
- **Pictorial Scenario:** A child smiling honestly while admitting a mistake.

- **Use in Non-Fiction (100 words):**

“Artless” is a versatile word used in literature, psychology, and character analysis to describe sincerity and innocence free from manipulation. In biographies, it may highlight a subject’s natural honesty or straightforwardness. In aesthetics, it can refer to simplicity in design or expression. However, depending on tone, the word may also imply a lack of sophistication or polish, making context essential. Writers use “artless” to emphasize genuine emotion, transparent motives, or unaffected behavior.

- **Correct & Incorrect Usage:**

- ✓ *Her artless charm impressed the audience.* — उसकी निष्कपट आकर्षण ने दर्शकों को प्रभावित किया।
- ✗ *The painting looks artless.* (Unless you mean 'unsophisticated')

- **Word Hack of the Day (50 words):**

- Use “artless” to highlight sincerity, innocence, or natural simplicity without any pretense or craftiness. It’s perfect for describing genuine behavior or honest expression. But remember—depending on context, it can also suggest lack of polish or sophistication. Choose it when you want to emphasize authenticity over technique.

- **Example (English + Hindi Equivalent):**

- *His artless honesty won everyone’s trust.* (उसकी निष्कपट ईमानदारी ने सबका विश्वास जीत लिया।)

- **Grammar Breakdown:**

- **S (Subject): His artless honesty**
- ↳ (Noun Phrase)
- • Head Noun: honesty
- • Adjective Modifier: artless
- • Possessive Modifier: His
- V (Verb – Transitive): won
- **O (Object): everyone’s trust**
- ↳ (Noun Phrase)
- • Head Noun: trust
- • Possessive Modifier: everyone’s

- **Common Collocations:**

- artless charm, artless behavior, artless honesty

- **My Statement:**

- I am amused by her artless honesty.
- Currently, we can’t afford to hire an artless individual in our company.
- He is filled with an artless charm, which always makes me wonder about so many things about him.

- **My Notes:** [Leave as Placeholder]

5 Asperity (कठोरता / रुखापन) (Noun) (as-pair-i-tee) (Negative/Formal)

- **Meaning (English):** Harshness of tone, manner, or condition; severity or sharpness.
- **Meaning (Hindi):** स्वर, व्यवहार या स्थिति की कठोरता या तीक्ष्णता।
- **Origin Flowchart & Etymology:**
 - Latin *asper* (rough/harsh) → **Old French** → English *asperity*
- **Synonym + Antonym:**
 - **Synonym:** harshness, bitterness, severity, sharpness
 - **Antonym:** gentleness, mildness, softness
- **Connotation:** Negative; formal and literary.
- **Pictorial Scenario:** A strict teacher sharply reprimanding a student in front of the class.

- **Use in Non-Fiction (100 words):**

“Asperity” is frequently used in political analysis, literature, and psychological descriptions to highlight harshness or severity in speech or behavior. It conveys a more refined nuance than simply calling someone “harsh.” Scholars use it to describe diplomatic conflicts, tense dialogues, or rigid leadership styles. The term can also refer to harsh environmental conditions. Writers choose “asperity” to elevate tone when analyzing abrasive interactions or severe circumstances with precision.

- **Correct & Incorrect Usage:**

- ✓ *He spoke with noticeable asperity.* — उसने स्पष्ट कठोरता से बात की।
- ✗ *The food has asperity.* (Incorrect — not for taste)

- **Word Hack of the Day (50 words):**

- Use “asperity” to describe sharpness or harshness in tone, behavior, or conditions. It’s more refined than blunt words like rudeness or harshness, making it ideal for professional, academic, or literary analysis. Reserve it for moments when the severity is noticeable, not mild or accidental.

- **Example (English + Hindi Equivalent):**

- *Her asperity during the meeting unsettled the entire team.* (मीटिंग के दौरान उसकी कठोरता ने पूरी टीम को असहज कर दिया।)

- **Grammar Breakdown:**

- **S (Subject): Her asperity during the meeting**
 - ↳ (Noun Phrase)
 - • Head Noun: asperity
 - • Possessive Modifier: Her
 - • Prep Phrase (Modifier): during the meeting
 - ↳ Prep: during
 - ↳ Object of Prep: the meeting
 - V (Verb – Transitive): unsettled
 - **O (Object): the entire team**
 - ↳ (Noun Phrase)
 - • Head Noun: team
 - • Determiner: the
 - • Modifier: entire

- **Common Collocations:**

- tone of asperity, speak with asperity, asperity of conditions

- **My Statement:**

- We live with asperities of conditions that sting us every day.
- He often speaks with the tone of asperity when he is angry.
- The teammates didn’t like it when the leader spoke with asperity.

- **My Notes:** [Leave as Placeholder]
