Set, Mesmerize, Suffice, Exalts, Rigor

1. Set (सेट / निर्धारित करना) (Verb/Noun/Adjective) (set) (Neutral)

- **Meaning (English):** To place something in a particular position or condition; also refers to a group or collection of items.
- **Meaning (Hindi):** किसी चीज़ को विशेष स्थिति में रखना; वस्तुओं का समूह
- **Origin Flowchart & Etymology:**
 - Old English *settan* → **Proto-Germanic** *satjana* → Influenced by Latin *situs* (positioned)
- **Synonym + Antonym:**
 - **Synonyms:** place, arrange, establish
 - **Antonyms:** unsettle, displace
- **Connotation:** Neutral, highly context-dependent (can be technical, artistic, or abstract)
- **Pictorial Scenario:** A teacher setting up chairs in a circle for a classroom activity.

- **Use in Non-Fiction (100 words):**

The word "set" plays a crucial role in technical, mathematical, and software contexts. In programming, a set is a data structure containing distinct elements. In mathematics, it's

a well-defined collection of objects. In everyday life, to "set a goal" implies establishing a target. The term is versatile and essential in various domains, including film (film set), manufacturing (setting a mold), and cooking (setting the timer). Despite being a simple word, it holds deep semantic flexibility.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  She set the table for dinner. (उसने रात के खाने के लिए मेज़ सजाई।)
-  She setted the table. (Incorrect verb form)

- **Example (English + Hindi Equivalent) + Low-Level Grammar:**

- They set the stage before the performance. (उन्होंने प्रदर्शन से पहले मंच तैयार किया।)
- **Grammar Breakdown:**
 - *They* (subject) + *set* (past tense verb) + *the stage* (direct object)

- **Common Collocations:**

- set a goal, set the table, set of rules, sunset

- **My Statement:**

- **(NOUN)**
 - The set of numbers was chosen to assign roll numbers to the students.
 - Set is a collection of well defined objects in discrete mathematics. ***
 - set is a collection of well-defined objects in discrete mathematics.
 - We examined a set of samples of fungus which reside in the bodies of insects and plants. ***
 - We examined a set of fungal samples that reside in the bodies of insects and plants.
- **(VERB)**
 - I had set a timer for 20 minutes.
 - Please set the antenna to the right angle so that we can continue watching TV.
 - We had set everything for you.
- **(ADJECTIVE)**
 - We have to develop a set process for our organization.

- A set mindset will help you achieve a greater height. ***
- A well-set mindset will help you achieve greater heights.
- Our organization has a record of set outcomes which helped us be more profitable and productive. ***
- Our organization has a record of consistent, set outcomes that helped us become more profitable and productive.

- **My Notes:**

- **Set usage as Adjective:**

- Fixed or established in a particular condition, position, or arrangement; determined or settled. (स्थिर, तयशुदा, निश्चित स्थिति या अवस्था में रखा गया।)

- **Example:**

-  The company follows a set process for quality assurance.
-  कंपनी गुणवत्ता आश्वासन के लिए एक निर्धारित प्रक्रिया का पालन करती है।

2. Mesmerize (मंत्रमुग्ध करना) (Verb) (mez-muh-rahyz) (Positive)

- **Meaning (English):** To captivate or fascinate someone's attention completely.
- **Meaning (Hindi):** किसी को पूरी तरह से मंत्रमुग्ध करना
- **Origin Flowchart & Etymology:**
 - Named after Franz Mesmer → **mesmerism** (early form of hypnosis) → mesmerize (verb)
- **Synonym + Antonym:**
 - **Synonyms:** enchant, captivate, fascinate
 - **Antonyms:** bore, repel
- **Connotation:** Positive, often used in emotional or artistic contexts
- **Pictorial Scenario:** A child watching fireworks, mesmerized by the lights

- **Use in Non-Fiction (100 words):**

In psychology and the arts, "mesmerize" represents the state of being fully absorbed. A compelling lecture, an extraordinary painting, or even an effective advertisement can mesmerize its audience. In branding and user interface design, companies strive to mesmerize users through visual appeal and engagement. From storytelling to filmmaking, creators aim to create moments so absorbing that they capture complete

attention — a form of narrative or visual "mesmerism" that connects the audience emotionally.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  The magician mesmerized the audience. (जादूगर ने दर्शकों को मंत्रमुग्ध कर दिया।)
-  He mesmerize everyone yesterday. (Wrong tense)

- **Example (English + Hindi Equivalent) + Low-Level Grammar:**

- Her voice mesmerized everyone in the hall. (उसकी आवाज़ ने हॉल में सभी को मंत्रमुग्ध कर दिया।)
- **Grammar Breakdown:**
 - *Her voice* (subject) + *mesmerized* (past tense verb) + *everyone* (object)

- **Common Collocations:**

- mesmerize the crowd, mesmerized by beauty, completely mesmerized

- **My Statement:**

- Her beauty and words mesmerized everyone which helped their company secure a deal. ***
- Her beauty and words mesmerized everyone, which helped their company secure a deal.
- He mesmerized her friend by the way he looked at him and talked with perfection. ***
- He mesmerized her friend with his gaze and flawless conversation.
- Her speech mesmerized the audience.

- **My Notes:** [Leave as Placeholder]

3. Suffice (पर्याप्त होना) (Verb) (suh-fahys) (Neutral)

- **Meaning (English):** To be enough or adequate
- **Meaning (Hindi):** पर्याप्त या संतोषजनक होना
- **Origin Flowchart & Etymology:**
 - Latin *sufficere* → **French *suffire*** → Middle English *suffisen*
- **Synonym + Antonym:**
 - **Synonyms:** satisfy, meet, serve
 - **Antonyms:** lack, fall short
- **Connotation:** Neutral, depending on tone (may imply adequacy or insufficiency)
- **Pictorial Scenario:** A jug with just enough water to fill a glass

- **Use in Non-Fiction (100 words):**

The word "suffice" is commonly used in academic and professional settings to imply adequacy. In project planning, for instance, saying "this will suffice for now" implies that current resources meet present needs. In scientific writing, it's used to indicate that an explanation or result is acceptable for the purpose at hand. It's a concise and formal way to suggest completeness without excess. It's especially effective in logic, law, and operations.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**
 -  A short answer will suffice. (एक छोटा सा उत्तर पर्याप्त होगा।)
 -  A short answer is suffice. (Incorrect verb usage)
- **Example (English + Hindi Equivalent) + Low-Level Grammar:**
 - This much evidence will suffice for the trial. (इतना सबूत मुकदमे के लिए पर्याप्त होगा।)
 - **Grammar Breakdown:**
 - *This much evidence* (subject) + *will suffice* (future verb)
- **Common Collocations:**
 - suffice it to say, will suffice, barely suffice
- **My Statement:**
 - I hope this is suffice for now, we will present more information along the way. ***
 - I hope this will suffice for now; we will present more information along the way.
 - How much i try, nothing is suffice for you. ***
 - No matter how much I try, nothing seems to suffice for you.
 - What do you think, how much funding will be suffice for our startup? ***
 - What do you think—how much funding will suffice for our startup?
- **My Notes:**
 - It never takes the form "is suffice" — instead, use "will suffice," "would suffice," "suffices," or "seems to suffice" depending on tense and subject.
 - **When in doubt, substitute with “be enough” to test correctness:**
 - “This will suffice” = “This will be enough” 
 - “This is suffice” = “This is be enough” 

4. Exalts (उत्थान करना / प्रशंसा करना) (Verb) (ig-zawlts) (Positive)

- **Meaning (English):** To praise someone or something highly; to elevate in rank or power
- **Meaning (Hindi):** अत्यधिक प्रशंसा करना या ऊंचा उठाना
- **Origin Flowchart & Etymology:**
 - Latin *exaltare* → Old French *exalter* → Middle English *exalten*
- **Synonym + Antonym:**
 - **Synonyms:** glorify, elevate, dignify
 - **Antonyms:** belittle, degrade
- **Connotation:** Positive, often spiritual, formal, or ceremonial
- **Pictorial Scenario:** A soldier being exalted during a medal ceremony

- **Use in Non-Fiction (100 words):**

"Exalts" often appears in religious or motivational contexts. Literature exalts the virtues of courage and wisdom. Leaders are exalted through honorary titles or public admiration. In management, employee recognition programs exalt top performers. The term also finds resonance in poetry, philosophy, and spirituality where it connotes emotional or divine elevation. It can also mean the lifting of ideals or achievements to a symbolic pedestal.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  The poem exalts the spirit of freedom. (कविता स्वतंत्रता की भावना का गुणगान करती है।)
-  He exalts himself better than others. (Awkward phrasing)

- **Example (English + Hindi Equivalent) + Low-Level Grammar:**

- The ceremony exalts those who serve with honesty. (समारोह उन लोगों की सराहना करता है जो ईमानदारी से सेवा करते हैं।)
- **Grammar Breakdown:**
 - *The ceremony* (subject) + *exalts* (present verb) + *those who serve* (object clause)

- **Common Collocations:**

- exalts the soul, exalts virtues, exalts leaders

- **My Statement:**

- We have to exalt the sacrifice of the freedom fighter. ***
- We must exalt the sacrifice of the freedom fighter.
- I exalt your confidence and bravery without which we would have been captured. ***
- I exalt your confidence and bravery, without which we would have been captured.
- The ceremony was organized to exalt the bravery of the forces. ***
- The ceremony was organized to exalt the bravery of the armed forces.

- **My Notes:** [Leave as Placeholder]

5. Rigor (कठोरता / सख्ती) (Noun) (rig-er) (Neutral to Negative)

- **Meaning (English):** Strictness, precision, or severity in process or condition
- **Meaning (Hindi):** सख्ती या कठोरता
- **Origin Flowchart & Etymology:**
 - Latin *rigor* (stiffness) → **Old French** → Middle English *rigour*
- **Synonym + Antonym:**
 - **Synonyms:** strictness, severity, accuracy
 - **Antonyms:** leniency, looseness, flexibility
- **Connotation:** Neutral to negative; formal and serious
- **Pictorial Scenario:** A scientist conducting a precise lab experiment under strict protocols

- **Use in Non-Fiction (100 words):**

In academic, scientific, and professional disciplines, "rigor" denotes the thoroughness and accuracy of processes. Research methodology requires intellectual rigor to ensure validity. Legal systems depend on procedural rigor to ensure justice. Military training emphasizes physical and psychological rigor. While rigor ensures consistency, it may also lead to inflexibility if not balanced with human considerations. The word is widely used in quality control, scientific peer reviews, and institutional policies.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  The rigor of the training made him disciplined. (प्रशिक्षण की कठोरता ने उसे अनुशासित बना दिया।)
-  The training was very rigor. (Rigor is a noun, needs correct structure)

- **Example (English + Hindi Equivalent) + Low-Level Grammar:**

- Academic rigor helps in building a strong foundation. (शैक्षणिक सख्ती मजबूत नींव बनाने में मदद करती है।)
- **Grammar Breakdown:**
 - *Academic rigor* (noun phrase as subject) + *helps* (verb) + *in building* (gerund phrase)

- **Common Collocations:**

- academic rigor, legal rigor, scientific rigor

- **My Statement:**

- We are still figuring out whether establishing rigor in life helps us succeed or stifle our desires. ***
- We are still figuring out whether instilling rigor in life helps us succeed or stifles our desires.
- The forces were trained with rigor to become more stronger than their enemies. ***
- The forces were trained with rigor to become stronger than their enemies.
- To conduct a successful experiment, rigor can be applied in suitable areas. ***
- To conduct a successful experiment, rigor must be applied in appropriate areas.

- **My Notes:** [Leave as Placeholder]
