Slew, Doles, Abducted, Obliterate, Sworn

1. Slew (स्लू / डेर) (Noun / Verb) (sloo) (Neutral)

- **Meaning (English):** A large number or quantity of something.
- **Meaning (Hindi):** किसी चीज़ की बड़ी संख्या या मात्रा।
- **Origin Flowchart & Etymology:**
 - Old Irish → "slóg" (army/multitude) → Middle English → "slew" (great number)
- **Synonym + Antonym:**
 - **Synonyms:** multitude, heap, stack, abundance
 - **Antonyms:** scarcity, lack, few
- **Connotation:** Neutral, but contextually leaning towards exaggeration or significance.
- **Pictorial Scenario:** A desk covered with a **slew** of papers, representing bureaucratic overload.

- **Use in Non-Fiction (100 words):**

In modern analytics, professionals deal with a **slew** of data daily. Extracting meaningful insights from these massive volumes requires both strategy and critical thinking. Data

scientists not only rely on algorithms but also on business intuition to decide which variables to track. This **slew** of information, if not filtered correctly, can overwhelm the decision-making process. Therefore, understanding which metrics matter most is critical in today's data-driven environment.

- **Correct and Incorrect Usage:**

-  *A slew of problems appeared during testing.* (टेस्टिंग के दौरान समस्याओं का ढेर सामने आया।)
-  *He gave me a slew money.* (Incorrect — “slew” needs “of” + plural count noun.)

- **Example + Low Level Grammar:**

- *She received a slew of emails after the announcement.* (घोषणा के बाद उसे ईमेल्स का ढेर मिला।)
- **Grammar Breakdown:**
 - Subject: She
 - Verb: received
 - Object: a slew of emails
 - Time Modifier (Prepositional Phrase): after the announcement

- **Common Collocations:**

- slew of data, slew of complaints, slew of questions

- **My Statement:**

- **(NOUN)**
 - A slew of notifications froze the phone and made it non-functional.
 - A slew of warships were heading towards the north-east.
 - A slew of complaints were seen as a burden which needs to be resolved soon.
- **(VERB)**
 - The car slewed over the icy surface and almost hit another car on the road.
 - The bus had been sluing in the wrong direction after the bus driver fainted all of the sudden. ***

- The bus had slewed in the wrong direction after the bus driver fainted suddenly.
- Be careful when the bike is about to slue on the wet road. ***
- Be careful when the bike is about to slue on the wet road.

- **My Notes:**

- **Slew** (verb, past tense of "slue"): to turn or slide violently or uncontrollably in a particular direction.
- **V1 to V5 (Slue)**
 - **V1 (Base Form): slue**
 - **Example:** "Drivers must be careful not to slue on icy roads."
 - **V2 (Simple Past): slew**
 - **Example:** "The car slew sideways just before hitting the barrier."
 - **V3 (Past Participle): slued or slewed**
 - **Example:** "The van had slewed off the path during the storm."
 - **V4 (Present Participle / Gerund): slueing**
 - **Example:** "He is slueing the crane arm with precision."
 - **V5 (3rd Person Singular Present): slues**
 - **Example:** "The operator slues the turret slowly to align with the target."

2. Doles (डोल / बाँटना) (*Noun / Verb*) (*dohlz*) (*Neutral to Negative*)

- **Meaning (English):**
 - (**Noun**) Government aid given to the unemployed.
 - (**Verb**) To distribute something, especially in small portions.
- **Meaning (Hindi):**
 - (**Noun**) बेरोजगारी भत्ता
 - (**Verb**) थोड़ी मात्रा में बाँटना
- **Origin Flowchart & Etymology:**
 - Latin *dola* → Old English *dal* (portion) → dole (distribution)
- **Synonym + Antonym:**
 - **Synonyms:** allocate, dispense, ration
 - **Antonyms:** hoard, withhold, retain
- **Connotation:** Neutral (verb), sometimes negative (noun - dependency implication)
- **Pictorial Scenario:** A government worker **doles** out food packets to flood victims.

- **Use in Non-Fiction (100 words):**

Governments across the world use social security systems to provide **doles** to unemployed individuals. While it serves as a temporary relief mechanism, prolonged

dependency on such support may impact personal initiative. However, in times of crisis like pandemics or recessions, **doles** become lifelines. The ethical and economic debate around this distribution method remains active, especially when balancing support with sustainability.

- **Correct and Incorrect Usage:**

-  *The government doles out food during emergencies.* (आपातकाल में सरकार भोजन बाँटती है।)
-  *He doles happiness wherever he goes.* (Incorrect use — abstract nouns like happiness aren't usually "doled out.")

- **Example + Low Level Grammar:**

- *They doled out supplies to the stranded tourists.* (उन्होंने फंसे पर्यटकों को सामान बाँटा।)
- **Grammar Breakdown:**
 - Subject: They
 - Verb (phrasal): doled out
 - Direct Object: supplies
 - Prepositional Phrase (recipient): to the stranded tourists

- **Common Collocations:**

- dole out rations, on the dole, government doles

- **My Statement:**

- **(NOUN)**
 - The doles provided by the government don't seem effective in the long run. ***
 - The doles provided by the government do not seem effective in the long run.
 - We have organized this meeting to discuss the new doles plan. ***
 - We have organized this meeting to discuss the new dole plan.
 - So, what should be the age range which will benefit from doles? ***
 - So, what should be the age range that will benefit from the doles?

- **(VERB)**
 - Fundraisers campaigns are initiated to dole out resources for people who may need it. ***
 - Fundraising campaigns are initiated to dole out resources to people who may need them.
 - The government doled out subsidies to new EV buyers.
 - We doled out enough vaccines for free. ***
 - We doled out enough vaccines at no cost.
- **My Notes:** [Leave as Placeholder]

3. Abducted (अपहरण किया गया) (Verb – Past participle) (ab-DUK-tid) (Negative)

- **Meaning (English):** Taken away illegally by force or deception.
- **Meaning (Hindi):** जबरदस्ती या धोखे से किसी को अगवा करना।
- **Origin Flowchart & Etymology:**
 - Latin *abducere* → “to lead away” → Middle English → **abduct**
- **Synonym + Antonym:**
 - **Synonyms:** kidnapped, seized, captured
 - **Antonyms:** released, freed
- **Connotation:** Highly negative (crime-related)
- **Pictorial Scenario:** A masked individual dragging a child into a van — representing an abduction.

- **Use in Non-Fiction (100 words):**

Abduction cases have become a serious concern across the globe. In many regions, individuals are **abducted** for ransom, political pressure, or trafficking. Law enforcement agencies have developed technologies like facial recognition and satellite tracking to combat such crimes. Despite advancements, prevention remains challenging.

Education, awareness, and strong legal frameworks are essential to reduce incidents of people being **abducted** and misused for ulterior motives.

- **Correct and Incorrect Usage:**

-  *The journalist was abducted while reporting in a war zone.* (पत्रकार को युद्ध क्षेत्र में रिपोर्टिंग करते समय अगवा कर लिया गया।)
-  *He was abducted by accident.* (Illogical — abduction is always **intentional**.)

- **Example + Low Level Grammar:**

- *The child was abducted from the playground.* (बच्चे को खेल के मैदान से अगवा कर लिया गया।)
- **Grammar Breakdown:**
 - Subject: The child
 - Be Verb + Past Participle: was abducted
 - Prepositional Phrase: from the playground

- **Common Collocations:**

- abducted by terrorists, abducted from school, was later found

- **My Statement:**

- The girl was abducted from her school under tight security.
- The wealthy parents fear the criminals who abduct children for ransom.
- Your child has been abducted from the bus, we have no clue where he is now. ***
- Your child has been abducted from the bus. We have no clue where he is now.

- **My Notes:** [Leave as Placeholder]

4. Obliterate (मिटा देना) (Verb) (uh-BLIT-uh-rayt) (Strong Negative)

- **Meaning (English):** To destroy completely, leaving no trace.
- **Meaning (Hindi):** पूरी तरह से नष्ट करना ताकि कोई चिन्ह न बचे।
- **Origin Flowchart & Etymology:**
 - Latin *obliterare* → **ob** (against) + **litera** (letter) → erase letters → **destroy memory**
- **Synonym + Antonym:**
 - **Synonyms:** wipe out, annihilate, demolish
 - **Antonyms:** preserve, protect, construct
- **Connotation:** Intense and destructive
- **Pictorial Scenario:** A building reduced to rubble after a bombing — completely obliterated.

- **Use in Non-Fiction (100 words):**

Climate change poses threats that could **obliterate** entire ecosystems. Coral reefs, for instance, are particularly vulnerable to rising sea temperatures. Once these ecosystems vanish, the biodiversity they support may also be lost forever. In warfare, targeted airstrikes are used to **obliterate** enemy hideouts, though such actions often result in

collateral damage. The word is also used metaphorically in literature to describe erasing memories or emotions.

- **Correct and Incorrect Usage:**

-  *The town was obliterated by the hurricane.* (तूफान ने पूरे शहर को तबाह कर दिया।)
-  *He obliterated his friend's reputation with jokes.* (Incorrect unless hyperbolic/metaphorical.)

- **Example + Low Level Grammar:**

- *The malware could obliterate all your stored data.* (मैलवेयर आपकी सारी संग्रहित जानकारी मिटा सकता है।)
- **Grammar Breakdown:**
 - Subject: The malware
 - Modal + Verb: could obliterate
 - Object: all your stored data

- **Common Collocations:**

- obliterate memory, obliterate enemy base, completely obliterated

- **My Statement:**

- The criminals obliterated video footage from the CCTV after robbing the house.
- You were supposed to obliterate every single detail but you failed. ***
- You were supposed to obliterate every single detail, yet you failed.
- The nuclear explosion obliterated the region leaving no trace of the existence of life. ***
- The nuclear explosion obliterated the region, leaving no trace of life.

- **My Notes:** [Leave as Placeholder]

5. Sworn (शपथ लिया हुआ / प्रतिज्ञाबद्ध) (*Adjective / Verb - past participle*) (*swawrn*) (*Formal / Strong*)

- **Meaning (English):** Formally or officially promised, often under oath.
- **Meaning (Hindi):** जिसे शपथ लेकर कहा गया हो या कोई शपथ ली हो।
- **Origin Flowchart & Etymology:**
 - Old English *swerian* → **to take an oath** → *sworn* (past participle of swear)
- **Synonym + Antonym:**
 - **Synonyms:** pledged, vowed, affirmed
 - **Antonyms:** disavowed, denied
- **Connotation:** Serious, official
- **Pictorial Scenario:** A courtroom witness with a raised hand taking a **sworn** oath.

- **Use in Non-Fiction (100 words):**

In legal and governmental proceedings, individuals often provide **sworn** statements to ensure truthfulness. A **sworn** affidavit holds legal weight and can be used as evidence in court. Similarly, government officials take **sworn** oaths before assuming office, affirming allegiance to constitutional values. The word also finds emotional usage: a **sworn enemy** indicates deep hostility that's vowed or long-standing. In both legal and emotional contexts, the gravity of a **sworn** act remains high.

- **Correct and Incorrect Usage:**

-  *She is a sworn officer of the court.* (वह अदालत की शपथ ली हुई अधिकारी है।)
-  *He is a sworn friend to all.* (Awkward — “sworn” implies **exclusive**, not general.)

- **Example + Low Level Grammar:**

- *They were sworn enemies since childhood.* (वे बचपन से एक-दूसरे के कट्टर दुश्मन थे।)
- **Grammar Breakdown:**
 - Subject: They
 - Verb (Linking): were
 - Subject Complement: sworn enemies
 - Adverbial Time Phrase: since childhood

- **Common Collocations:**

- sworn enemy, sworn testimony, sworn oath

- **My Statement:**

- **(ADJECTIVE)**
 - They have been sworn friends since their childhood.
 - The sworn soldiers were ready to fight until their last breath.
 - The sworn judge acted rationally and unbiased even for his own son. ***
 - The sworn judge remained rational and impartial, even when judging his own son.
- **(VERB)**
 - I swear I didn't touch your phone.
 - The officer swore to tell the truth to the best of his abilities.
 - He is swearing that he won't say a bad word in his life. ***
 - He is swearing that he won't say another bad word in his life.

- **My Notes:**

- **V1 to V5 (Swear)**

■ **V1 (Base Form): swear**

- This is the root form used with “to” or in imperative and plural subjects.
- **Example:** “They often swear loyalty to their team.”

■ **V2 (Simple Past): swore**

- This form is used for past actions.
- **Example:** “He swore he didn’t touch the document.”

■ **V3 (Past Participle): sworn**

- Used with perfect tenses (have/has/had).
- **Example:** “She had sworn to keep it a secret.”

■ **V4 (Present Participle/Gerund): swearing**

- Used for continuous tenses or as a noun.
- **Example:** “He was swearing loudly in anger.”

■ **V5 (3rd Person Singular Present): swears**

- Used when the subject is singular in present tense.
- **Example:** “She swears by yoga for her fitness.”
