Gratitude, Subtle, Tandem, Dazzling, Reminisce

1. Gratitude (कृतज्ञता) (Noun) (gra·tuh·tood) (Positive)

- **Meaning (English):** The quality of being thankful and showing appreciation.
- **Meaning (Hindi):** धन्यवाद और सराहना व्यक्त करने की भावना।
- **Origin Flowchart & Etymology:**
 - Latin gratus ("pleasing, thankful") → **Old French gratitude** → English gratitude (mid-15th century)
- **Synonym + Antonym:**
 - **Synonyms:** Thankfulness, Appreciation, Recognition
 - **Antonyms:** Ingratitude, Thanklessness, Unappreciativeness
- **Connotation:** Strongly positive
- **Pictorial Scenario:** A student giving a heartfelt thank-you note to their teacher after graduation.

- **Use in Non-Fiction (100 words max.):**

Gratitude is increasingly recognized in psychology as a major contributor to happiness. Studies show that maintaining a gratitude journal, where one lists small everyday blessings, improves mental health, emotional resilience, and interpersonal relationships.

- **Correct and Incorrect Usage:**

-  I expressed my gratitude towards my parents.
-  मैंने अपने माता-पिता के प्रति कृतज्ञता व्यक्त की।
-  I am gratitude for you.
-  "Gratitude" is a noun; should be "I am grateful for you."

- **Example + Grammatical Explanation:**

-  She showed gratitude by helping those who once supported her. (उसने उन लोगों की मदद करके कृतज्ञता दिखाई जिन्होंने कभी उसका समर्थन किया था।)
-  "She" (subject) + "showed" (verb) + "gratitude" (object/noun).

- **Common Collocations:**

- Deep gratitude, heartfelt gratitude, express gratitude

- **My Statement:**

- People conceal their gratitude for individuals who never took them seriously.
- You should express gratitude to everyone in this room.
