Enviably, Flung, Misty, Sedation, Revamping

1 Enviably (ईर्ष्या योग्य) (Adjective) (En-vee-uh-bul) (Positive to Neutral)

- **Meaning (English):** Deserving envy or admiration; so good or desirable that others would like to have it.
- **Meaning (Hindi):** ऐसा जो ईर्ष्या या प्रशंसा के योग्य हो।
- **Origin Flowchart & Etymology:**
 - *Latin* → *invidia* (envy) → *enviably* (something worthy of envy)
- **Synonym + Antonym:**
 - **Synonyms:** Admirable, Desirable, Covetable
 - **Antonyms:** Unwanted, Inferior, Undesirable
- **Connotation:** Positive — implies success or possession that attracts admiration.
- **Pictorial Scenario:** A student holding multiple awards while others look at him with admiration and a hint of envy.

- **Use in Non-Fiction (in 100 words):**

An enviably position in corporate hierarchy often results from years of consistent effort and adaptability. Employees who continue to learn, take initiative, and balance efficiency

with creativity stand out naturally. However, what appears enviable from the outside often carries hidden struggles, responsibilities, and sacrifices unseen by others. The notion of being “enviable” should thus not be confused with being “effortless.”

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  *She achieved an enviable career milestone.* (उसने एक ईर्ष्या योग्य करियर उपलब्धि हासिल की।)
-  *She is very enviable of her friend's success.* → Incorrect; should be *envious* not *enviable*.

- **Word Hack of the Day (in 50 words):**

- Cultivate enviable qualities—discipline, empathy, or resilience—that naturally draw respect and admiration. Focus on consistent improvement rather than competition. When your habits, skills, or character inspire others, you create a positive influence. True enviability comes from substance and integrity, not superficial appearances or fleeting achievements, making it lasting and meaningful.

- **Example + Low-Level Grammatical Structure:**

- Her enviable grace captured everyone's attention. (उसकी ईर्ष्या करने योग्य (सराहनीय) गरिमा ने सबका ध्यान आकर्षित कर लिया।)
- **Grammar Breakdown:**
 - S (Subject): Her enviable grace
 - V (Verb – Transitive): captured
 - O (Object): everyone's attention

- **Common Collocations:**

- Envable position, Envable talent, Envable success, Envable lifestyle

- **My Statement:**

- Rich individuals often lead an enviable lifestyle.
- She was offered an enviable position in the world's biggest company.
- He finally received an enviable spot after years of struggle.

- **My Notes:** [Leave as Placeholder]

2 Flung (फेंका हुआ) (Verb – Past tense of *fling*) (Fluhng) (Tone: Neutral)

- **Meaning (English):** To throw something with force or carelessness.
- **Meaning (Hindi):** किसी वस्तु को बलपूर्वक या लापरवाही से फेंकना।
- **Origin Flowchart & Etymology:**
 - Old Norse → *flengja* (to strike or dash) → *fling* → *flung*
- **Synonym + Antonym:**
 - **Synonyms:** Threw, Hurled, Tossed
 - **Antonyms:** Caught, Held, Kept
- **Connotation:** Neutral — depends on tone and intent of action.
- **Pictorial Scenario:** A child flung a ball across the playground, missing the target.

- **Use in Non-Fiction (in 100 words):**

In human interactions, words are often flung carelessly in anger, causing damage that may outlast the moment. Communication experts emphasize mindfulness before speaking because, unlike physical objects, words cannot be retrieved once spoken. The art of controlling impulses is crucial for maintaining dignity and respect in professional and personal spaces.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  *He flung his bag on the bed.* (उसने अपना बैग बिस्तर पर फेंका।)
-  *He flinged his bag on the bed.* → Incorrect; past tense is *flung*.

- **Word Hack of the Day (in 50 words):**

- Sometimes frustration builds up, and we feel like we want to fling things aside. Instead of reacting impulsively, channel that energy productively—tackle tasks with determination, release stress through exercise, or creatively express your emotions. Controlled action turns raw impulse into constructive momentum, avoiding regrets while still releasing pent-up tension.

- **Example + Low-Level Grammatical Structure:**

- She flung the door open in frustration. (उसने झुंझलाहट में दरवाज़ा ज़ोर से खोल दिया।)
- **Grammar Breakdown:**
 - S (Subject): She
 - V (Verb – Transitive + Complement): flung (the door open)
 - O (Object): the door
 - C (Complement – Resultative Phrase): open
 - + (Adverbial Phrase of Manner): in frustration

- **Common Collocations:**

- Flung open, Flung aside, Flung away, Flung out

- **My Statement:**

- He flung a bottle at me.
- She flung aside her meal after being scolded.
- He flung open the windows to express his anger.

3 Misty (धुंधला) (Adjective) (Mis-tee) (Tone: Soft/Poetic)

- **Meaning (English):** Full of mist; vague or not clearly seen or understood.
- **Meaning (Hindi):** धुंधला, अस्पष्ट या कोहरे से ढका हुआ।
- **Origin Flowchart & Etymology:**
 - *Old English* → **mist (fog)** → *misty* (covered in fog)
- **Synonym + Antonym:**
 - **Synonyms:** Foggy, Hazy, Obscure
 - **Antonyms:** Clear, Bright, Distinct
- **Connotation:** Neutral to Poetic — often used in atmospheric or emotional descriptions.
- **Pictorial Scenario:** A lone traveler walking through a misty forest with limited visibility.

- **Use in Non-Fiction (in 100 words):**

A misty environment can symbolize uncertainty in human life. In literature, it often represents confusion, transition, or the unknown future. In real-world photography, mist enhances mood and emotion, creating depth and softness. Similarly, life's "misty" moments require patience until clarity naturally returns.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

- ☒ *The hills looked misty in the early morning.* (पहाड़ सुबह के समय धुंधले दिख रहे थे।)

- ❌ *The hills looked mistyful today.* → Incorrect; *mistyful* is not a word.

- **Word Hack of the Day (in 50 words):**

- When emotions cloud your mind, your thoughts can become misty, making decisions harder. Pause and reflect to clear the fog—journaling, meditation, or talking with someone trusted can help. Just as morning mist gradually lifts to reveal clarity, taking small steps can restore focus and bring perspective to complex situations.

- **Example + Low-Level Grammatical Structure:**

- Her eyes turned misty as she recalled her childhood. (जब उसने अपना बचपन याद किया, तो उसकी आँखें नम हो गईं।)

- **Grammar Breakdown:**

- S (Subject): Her eyes
- V (Verb – Linking): turned
- C (Complement – Subject Complement / Adjective): misty
- + **(Adverbial Clause of Time): as she recalled her childhood**
 - ↳ S: she
 - ↳ V: recalled
 - ↳ O: her childhood

- **Common Collocations:**

- Misty morning, Misty eyes, Misty hills, Misty weather

- **My Statement:**

- I won't go out in such misty weather.
- I was travelling with my classmate on a misty morning.
- The eyes turned misty after being exposed to bright light outside.

4 Sedation (निश्चेतना) (Noun) (Si-day-shun) (Tone: Clinical/Calm)

- **Meaning (English):** The process of calming or inducing sleep using medication.
- **Meaning (Hindi):** दवा द्वारा शांत या निश्चेतन स्थिति में लाना।
- **Origin Flowchart & Etymology:**
 - *Latin* → **sedare (to calm)** → *sedation*
- **Synonym + Antonym:**
 - **Synonyms:** Tranquilization, Calming, Numbing
 - **Antonyms:** Stimulation, Agitation, Excitement
- **Connotation:** Clinical — neutral, professional tone.
- **Pictorial Scenario:** A patient undergoing sedation before surgery.

- **Use in Non-Fiction (in 100 words):**

Sedation plays a crucial role in medical procedures, helping patients experience comfort and reduced anxiety. It allows doctors to perform operations efficiently while minimizing pain. However, improper dosage or misuse of sedatives can lead to serious health complications. Medical supervision and proper monitoring are therefore indispensable during sedation.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  *The doctor gave her mild sedation before surgery.* (डॉक्टर ने सर्जरी से पहले हल्की निश्चेतना दी।)
-  *The doctor sedationed her.* → Incorrect; *sedation* is a noun.

- **Word Hack of the Day (in 50 words):**

- When stress or tension overwhelms, mental sedation can seem tempting—but temporary avoidance isn't always the solution. Instead, identify what calms you safely: deep breathing, meditation, or brief breaks. Like medical sedation, controlled pauses can restore clarity and focus, helping you face challenges with composure rather than being dulled by pressure.

- **Example + Low-Level Grammatical Structure:**

- He was under heavy sedation after the accident. (दुर्घटना के बाद वह गहरी बेहोशी (भारी औषधि-निद्रा) की अवस्था में था।)
- **Grammar Breakdown:**
 - S (Subject): He
 - V (Verb – Linking): was
 - C (Complement – Prepositional Phrase): under heavy sedation
 - **+ (Adverbial Clause of Time): after the accident**
 - ↳ S: — (implied “he”)
 - ↳ V: — (implied “was”)
 - ↳ N (Noun Phrase): the accident

- **Common Collocations:**

- Under sedation, Light sedation, Sedation process, Sedation therapy

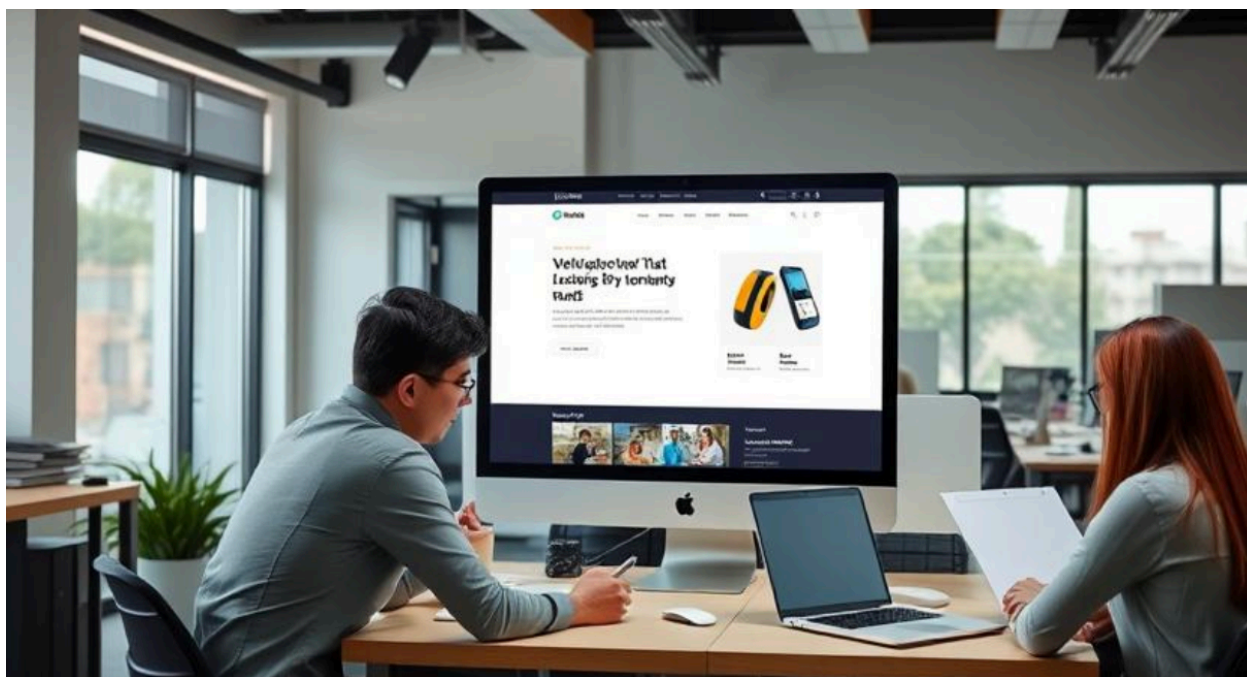

- **My Statement:**

- The sedation process took 5 minutes to complete.
- According to his report, the sedation therapy could not proceed this time.
- Even light sedation can make you numb.

- **My Notes:** [Leave as Placeholder]

5 Revamping (पुनर्निर्माण) (Verb/Noun – Gerund) (Re-vamp-ing) (Tone: Progressive/Constructive)

- **Meaning (English):** To renovate, improve, or restructure something to make it better.
- **Meaning (Hindi):** किसी चीज़ का पुनर्निर्माण या सुधार करना।
- **Origin Flowchart & Etymology:**
 - *Re-* (again) + *vamp* (repair shoe upper) → **revamp** (to remake or redo)
- **Synonym + Antonym:**
 - **Synonyms:** Renovating, Overhauling, Upgrading
 - **Antonyms:** Neglecting, Worsening, Damaging
- **Connotation:** Positive — associated with improvement and modernization.
- **Pictorial Scenario:** A team redesigning a website to make it more modern and user-friendly.

• Use in Non-Fiction (in 100 words):

Revamping is an essential process in modern businesses to maintain competitiveness. Companies frequently revamp their strategies, branding, and customer experience models to stay relevant. Whether it's revamping an old product line or upgrading digital interfaces, such actions reflect adaptability — the true hallmark of sustainable progress.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  *The company is revamping its internal structure.* (कंपनी अपनी आंतरिक संरचना को पुनर्निर्मित कर रही है।)
-  *The company did a revamped of its policy.* → Incorrect; double suffix not allowed.

- **Word Hack of the Day (in 50 words):**

- When you feel stuck in outdated routines, consider revamping your approach. Update your workflows, reorganize your schedule, or refresh your skill set. Revamping isn't about starting over—it's about improving what already exists. Small, strategic changes can increase efficiency, boost creativity, and bring renewed energy to both work and life.

- **Example + Low-Level Grammatical Structure:**

- They are revamping the entire curriculum to include digital literacy. (वे पूरे पाठ्यक्रम को डिजिटल साक्षरता शामिल करने के लिए पुनर्गठित कर रहे हैं।)
- **Grammar Breakdown:**
 - S (Subject): They
 - V (Verb – Transitive): are revamping
 - O (Object): the entire curriculum
 - + (Adverbial Infinitive Clause – Purpose): to include digital literacy

- **Common Collocations:**

- Revamping policy, Revamping system, Revamping design, Revamping structure

- **My Statement:**

- **(NOUN/GERUND)**
 - Revamping is essential to ensure the stability of the system.
 - Revamping old structures while maintaining their core essence is equally important.
