Ensuing, Harangued, Marred, Conned, Redolent

1. Ensuing (इसके बाद का / परिणामस्वरूप) (*Adjective/Participle*) (*en-SOO-ing*) (*Neutral to Contextual*)

- **Meaning (English):** Occurring or happening as a result or afterward.
- **Meaning (Hindi):** जो किसी चीज़ के बाद या परिणामस्वरूप होता है।
- **Origin Flowchart & Etymology:**
 - Latin *insequi* → **Old French *ensuir* (to follow)** → Middle English *ensue* → Present participle ***ensuing***
- **Synonym + Antonym:**
 - **Synonyms:** Following, Resultant, Subsequent
 - **Antonyms:** Preceding, Prior, Former
- **Connotation:** Contextual; neutral but often associated with a chain of events.
- **Pictorial Scenario:** A flood warning issued, followed by the **ensuing** evacuation of villagers.

- **Use in Non-Fiction (in 100 words):**

The term "ensuing" is often used in formal or academic writing to signal causality or sequence. In law, judgments are based on the actions and their ensuing consequences. Economists study the ensuing impact of policy decisions. In journalism, the phrase "ensuing chaos" is frequently used to describe the outcome of protests or disruptions. It helps trace the ripple effect of any decision or event.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  *The ensuing silence after the argument was unsettling.* (झगड़े के बाद की चुप्पी असहज थी।)
-  *The ensuing before event was surprising.* (Contradiction in time sequencing)

- **Word Hack of the Day (in 50 words):**

- Use *ensuing* to link cause and effect smartly. In writing, it helps transition into consequences without repetition. Think of it as a smart synonym for "what followed." Practice swapping it with "resulting" or "subsequent" for advanced fluency.

- **Example (English + Hindi Equivalent):**

-  *The power outage and the ensuing panic delayed the exam.* (बिजली चली जाने और उसके बाद हुई घबराहट से परीक्षा में देरी हुई।)
- **Grammar Breakdown:**
 - Subject: The power outage and the ensuing panic
 - Verb: delayed
 - Object: the exam

- **Common Collocations:**

- Ensuing events, ensuing battle, ensuing discussion, ensuing consequences

- **My Statement:**

- With the implementation of the constitution, the ensuing stability in the nation was experienced.
- After the team lost the match, a discussion ensued regarding the team's possible demotion.
- For what you've done to your life, the ensuing consequences are inevitable.

- **My Notes:**

- "Ensuing" = something that follows as a result of an action or event.

- Often used with “ensuing chaos/conflict/silence/discussion”, but needs clean sentence structure to avoid sounding repetitive or clunky.

2. Harangued (उलाहना देना / ज़ोर से डांटना) (Verb – Past tense) (huh-RANGD) (Negative)

- **Meaning (English):** To lecture someone aggressively or critically for a long time.
- **Meaning (Hindi):** किसी को ज़ोर-ज़ोर से और आलोचनात्मक रूप से डांटना या भाषण देना।
- **Origin Flowchart & Etymology:**
 - Italian *aringa* (public speech) → **Middle French** *harangue* → Middle English *harangue* → **Past form** *harangued*
- **Synonym + Antonym:**
 - **Synonyms:** Lectured, Scolded, Rebuked, Ranted
 - **Antonyms:** Praised, Applauded, Encouraged
- **Connotation:** Strongly negative; implies unwanted or overbearing criticism.
- **Pictorial Scenario:** A coach yelling at a team after a poor performance, clearly haranguing them.

- **Use in Non-Fiction (in 100 words):**

In political commentary, leaders are often said to have harangued their opposition with relentless speeches. Corporate managers may unknowingly harangue teams when feedback turns into a tirade. This word is often used in literature to portray frustration,

dominance, or control. A good communicator avoids haranguing and focuses on constructive dialogue instead.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  *She harangued the students for their lack of discipline.* (उसने छात्रों को अनुशासन की कमी के लिए ज़ोर-ज़ोर से डांटा।)
-  *She harangued her excitement on stage.* (Haranguing is not for emotions)

- **Word Hack of the Day (in 50 words):**

- Avoid being remembered for haranguing. Speak with passion, not aggression. If you're repeating a point with force, you might be haranguing. Train yourself to pause, ask, and listen—it builds better leadership and audience connection than a verbal barrage.

- **Example (English + Hindi Equivalent):**

-  *The manager harangued the team for missing deadlines.* (मैनेजर ने समय सीमा चूकने पर टीम को ज़ोर से डांटा।)
- **Grammar Breakdown:**
 - Subject: The manager
 - Verb: harangued
 - Object: the team
 - Prepositional phrase: for missing deadlines

- **Common Collocations:**

- Harangued the crowd, Harangued repeatedly, Harangued for hours

- **My Statement:**

- The manager harangued his team for hours, which led to a mass resignation.
- Her parents harangued her after the announcement of her exam results.
- The traffic police harangued the biker for not wearing a helmet.

- **My Notes:** [Leave as Placeholder]

3. Marred (बिगाड़ना / खराब करना) (Verb – Past participle) (MAHRD) (Negative)

- **Meaning (English):** To impair the quality or appearance of something.
- **Meaning (Hindi):** किसी चीज़ की गुणवत्ता या सौंदर्य को नुकसान पहुँचाना।
- **Origin Flowchart & Etymology:**
 - Old English *merran* (to hinder) → **Middle English** *marre* → Past participle *marred*
- **Synonym + Antonym:**
 - **Synonyms:** Damaged, Spoiled, Tainted, Ruined
 - **Antonyms:** Restored, Enhanced, Repaired
- **Connotation:** Negative; often associated with disappointment or destruction.
- **Pictorial Scenario:** A beautiful painting splashed with ink—**marred** forever.

- **Use in Non-Fiction (in 100 words):**

News reports often describe a peaceful protest marred by violence. In psychology, traumatic experiences can mar childhood development. In business, a great product launch might be marred by technical glitches. The word captures the unfortunate flaw that detracts from an otherwise good experience, image, or outcome. It emphasizes the contrast between potential and damage.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  *The rainy weather marred their wedding ceremony.* (बारिश के मौसम ने उनकी शादी की रस्म को खराब कर दिया।)
-  *He marred a good taste by sleeping.* (Incorrect usage context)

- **Word Hack of the Day (in 50 words):**

- “Marred” is a strong word—don’t use it for minor flaws. It’s best reserved for moments where something meaningful was spoiled. Helps in high-stakes writing—like reviews, journalism, or personal essays—to underline the contrast between expectation and reality.

- **Example (English + Hindi Equivalent):**

-  *The celebration was marred by a sudden power outage.* (उत्सव को अचानक बिजली चले जाने से खराब कर दिया गया।)
- **Grammar Breakdown:**
 - Subject: The celebration
 - Verb (passive voice): was marred
 - Agent (by): a sudden power outage

- **Common Collocations:**

- Marred beauty, Marred reputation, Marred by violence, Marred ceremony

- **My Statement:**

- He marred his reputation by failing to make timely decisions and missing critical execution in the past.
- The peace of the village was marred by violence caused by some outsiders.
- The birthday party was marred by heavy rain in the middle of the program.

- **My Notes:**

- “Marred by” is the most standard collocation. Avoid “marred due to.”
- “Mar” typically refers to damaging the perfection, enjoyment, or peacefulness of something.

4. Conned (धोखा देना) (Verb – Past tense) (KAWND) (Negative)

- **Meaning (English):** To deceive or trick someone, especially to gain something unfairly.
- **Meaning (Hindi):** किसी को धोखा देना, विशेषकर धोखे से लाभ प्राप्त करने के लिए।
- **Origin Flowchart & Etymology:**
 - From “con” short for “confidence trick” → **19th century slang** → *conned* (past tense)
- **Synonym + Antonym:**
 - **Synonyms:** Deceived, Duped, Tricked, Misled
 - **Antonyms:** Helped, Informed, Guided, Warned
- **Connotation:** Negative; implies unethical manipulation.
- **Pictorial Scenario:** A scammer pretending to be a banker on phone—**conning** a victim.

- **Use in Non-Fiction (in 100 words):**

The term is widely used in law enforcement reports—“conned out of money,” or “conned into signing documents.” In business, investment scams often revolve around con artists. Documentaries about financial fraud frequently use the word to describe schemes. Even in casual conversation, it warns against naivety and highlights the need for vigilance.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  *He was conned into giving away his bank details.* (वह अपने बैंक विवरण देने के लिए धोखे से फँसाया गया।)
-  *He conned happiness with ease.* (Grammatically and semantically incorrect)

- **Word Hack of the Day (in 50 words):**

- Learn to detect a con: overpromising, urgency, no traceability. Being conned isn't just about money—it's about blind trust. Apply critical thinking and always verify. "If it's too good to be true, it probably is."

- **Example (English + Hindi Equivalent):**

-  *Tourists were conned by fake guides near the monument.* (पर्यटकों को स्मारक के पास नकली गाइडों द्वारा धोखा दिया गया।)
- **Grammar Breakdown:**
 - Subject: Tourists
 - Verb: were conned
 - Agent (by): fake guides

- **Common Collocations:**

- Con someone, Con out of money, Get conned, Con artist

- **My Statement:**

- Around the world, people get conned by scammers pretending to be from tech support teams.
- People were getting conned by a fake police officer who charged hefty fines from the public.
- We have to be extra cautious to avoid getting conned by someone pretending to be an official.

5. Redolent (सुगंधित / स्मरण कराना वाला) (Adjective) (RED-uh-luhnt) (Poetic/Formal)

- **Meaning (English):**
 - Strongly reminiscent or suggestive of something
 - Having a strong, pleasant smell
- **Meaning (Hindi):**
 - किसी चीज़ की याद दिलाने वाला
 - सुगंध से भरपूर
- **Origin Flowchart & Etymology:**
 - Latin *redolere* (to emit a smell) → **Old French *redolent*** → Middle English
- **Synonym + Antonym:**
 - **Synonyms:** Reminiscent, Evocative, Fragrant, Aromatic
 - **Antonyms:** Odorless, Uninspiring, Bland
- **Connotation:** Often positive, poetic, or nostalgic.
- **Pictorial Scenario:** A childhood home **redolent** with the smell of spices and warm memories.

- **Use in Non-Fiction (in 100 words):**

Writers often use *redolent* to evoke atmosphere. A room redolent of jasmine can set the tone for a romantic story. In historical essays, cities may be redolent of the past. It's a sensory word that bridges smell and memory. Academically, it is used metaphorically to show emotional or cultural resonance.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  *The old diary was redolent of lost time.* (पुरानी डायरी में बीते समय की यादें बसी थीं।)
-  *His redolent idea was rejected.* ("Redolent" not used with abstract concepts like "idea" unless metaphorical)

- **Word Hack of the Day (in 50 words):**

- "Redolent" is your poetic license. Use it to heighten emotion, memory, and sensory detail. Instead of saying "it smelled like roses," say "it was redolent of roses." It not only paints a picture but evokes depth and nostalgia.

- **Example (English + Hindi Equivalent):**

-  *The garden was redolent with fresh jasmine.* (बगीचा ताज़े चमेली के फूलों की सुगंध से भरा हुआ था।)
- **Grammar Breakdown:**
 - Subject: The garden
 - Verb (linking): was
 - Complement: redolent with fresh jasmine

- **Common Collocations:**

- Redolent with memories, Redolent of roses, Redolent atmosphere, Redolent air

- **My Statement:**

- The photographs were redolent of childhood memories.
- The atmosphere of this place is redolent of my hometown.
- The redolent smell of this room takes me back to my childhood.

- **My Notes:**

- "Redolent of" is the more idiomatic usage when referring to something that evokes a memory or feeling.
 -  "Redolent of" is typically used when something reminds you of something else.

- ⚠ “Redolent with” can be used too, but is more common when describing something filled with a smell or quality, e.g., “a room redolent with incense” — but even then, “redolent of” often sounds more natural.
