Compendious, Compliment, Complement, Paint the town red, You tattled on me

1. Compendious (संक्षिप्त लेकिन व्यापक) (Adjective) (kuhm-PEN-dee-uhs) (Neutral to Positive)

- **Meaning (English):** Containing or presenting the essential facts of something in a concise but comprehensive way.
- **Meaning (Hindi):** जो संक्षेप में लेकिन पूर्ण जानकारी देता है।
- **Origin Flowchart & Etymology:**
 - Latin *compendere* (to weigh together) → **compendiosus** → English *compendious*
- **Synonym + Antonym:**
 - **Synonym:** Concise, succinct, abridged
 - **Antonym:** Lengthy, verbose
- **Connotation:** Neutral to Positive
- **Pictorial Scenario:** A student holding a single-page summary that covers an entire chapter effectively.

- **Use in Non-Fiction (100 words):**

A compendious report is essential in corporate settings, where time constraints demand high-value input with brevity. These documents extract the core elements from massive data sets or policy papers, enabling decision-makers to act swiftly. The art of writing in a compendious manner requires understanding the subject deeply and summarizing without diluting the substance. In academic and legal domains, such formats help in grasping overviews without wading through unnecessary length.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  **Correct:** The report was compendious but highly informative. (रिपोर्ट संक्षिप्त थी लेकिन अत्यंत जानकारीपूर्ण थी।)
-  **Incorrect:** The compendious talk went on for hours.

- **Example + Structure Explanation:**

- *He presented a compendious version of the research findings.* (उसने शोध निष्कर्षों का एक संक्षिप्त लेकिन व्यापक संस्करण प्रस्तुत किया।)
- **Grammar Breakdown:**
 - S (Subject): He
 - V (Verb – Transitive): presented
 - O (Object): a compendious version of the research findings
 - ↳ Head noun: version
 - ↳ Modifier: compendious
 - ↳ Prepositional Phrase: of the research findings
 - ↳ Object of preposition: findings
 - ↳ Modifier: the research

- **Common Collocations:**

- compendious summary, compendious guide, compendious article

- **My Statement:**

- The compendious version of the book was released on the internet without prior permission of the author. ***
- The compendious version of the book was released online without the author's prior permission.
- In the book, there is a compendious section which highlights the essential points of the chapter. ***
- The book includes a compendious section that highlights the chapter's essential points.

- I came across a compendious article which equally clarifies the same points you spoke about in a presentation. ***
- I came across a compendious article that clearly explains the points you covered in your presentation.
- **My Notes:** [Leave as Placeholder]

2. Compliment (प्रशंसा करना/प्रशंसा) (Noun/Verb) (KOM-ply-ment) (Positive)

- **Meaning (English):** A polite expression of praise or admiration.
- **Meaning (Hindi):** किसी की तारीफ करना या प्रशंसा करना।
- **Origin Flowchart & Etymology:**
 - Latin *complere* (to complete) → Italian *complimento* → French *compliment* → English
- **Synonym + Antonym:**
 - **Synonym:** Praise, flattery
 - **Antonym:** Criticism, insult
- **Connotation:** Strongly Positive
- **Pictorial Scenario:** A person receiving a compliment after giving a presentation.

- **Use in Non-Fiction (100 words):**

Compliments in workplace settings improve morale and create a positive environment. When given sincerely, they can strengthen interpersonal bonds and boost performance. However, excessive or insincere compliments may backfire, making the speaker appear manipulative. Leaders should use compliments wisely, recognizing genuine contributions and behavior.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  **Correct:** She complimented him on his honesty. (उसने उसकी ईमानदारी की तारीफ की।)
-  **Incorrect:** He was complimented to do better.

- **Example + Structure Explanation:**

- *They gave her a genuine compliment after the performance.* (प्रदर्शन के बाद उन्होंने उसे एक सच्ची प्रशंसा दी।)
- **Grammar Breakdown:**
 - S (Subject): They
 - V (Verb – Transitive): gave
 - O (Objects):
 - ↳ Indirect Object (IO): her
 - ↳ Direct Object (DO): a genuine compliment
 - ↳ Head noun: compliment
 - ↳ Modifier: a genuine
 - + (Adverbial Phrase of Time): after the performance
 - ↳ Preposition: after
 - ↳ Object of the preposition: the performance

- **Common Collocations:**

- pay a compliment, genuine compliment, compliment someone on

- **My Statement:**

- **(NOUN)**
 - He gave me a compliment on the last day of the show.
 - We don't need a compliment from you; our actions are sufficient to deliver the desired output. ***
 - We don't need compliments from you; our actions speak for themselves.
 - Getting compliments from such a great personality is already a matter of honor for us. ***
 - Receiving compliments from such a great personality is an honor in itself.

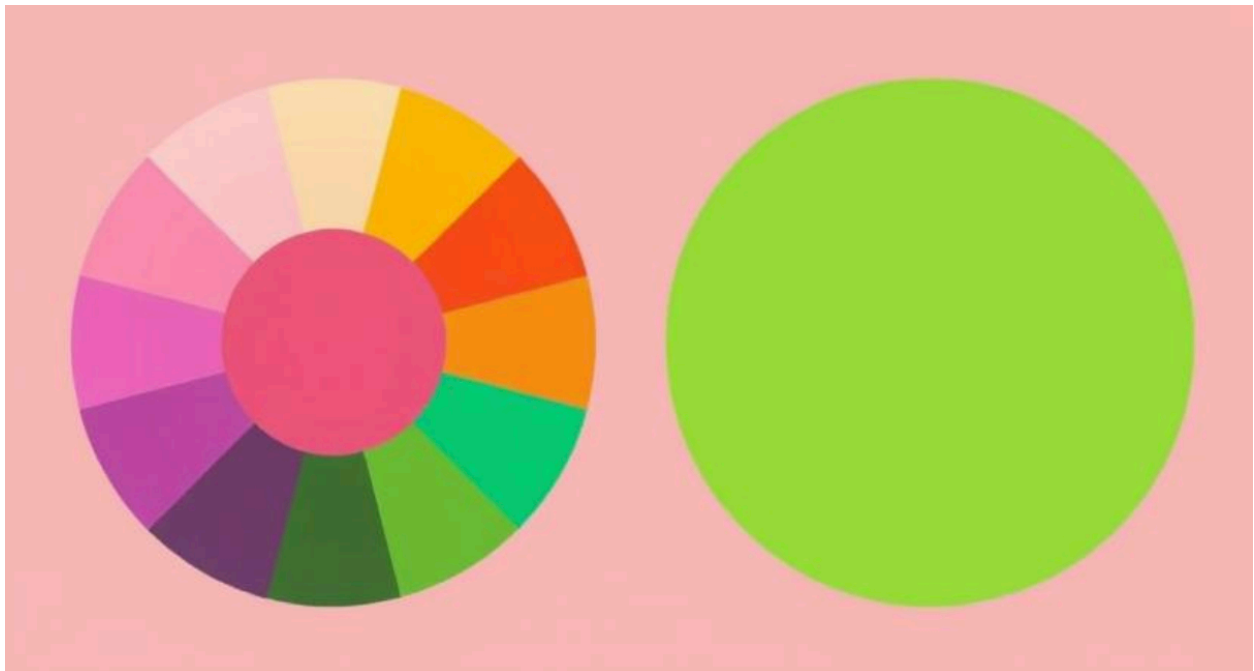

- **(VERB)**

- He complimented the efforts we put into organizing the show without any problem. ***
- He complimented us on the smooth execution of the show.
- She was complimenting you for the success you have achieved. ***
- She was complimenting you on the success you've achieved.
- She was about to compliment him but he went away from that place with his friends. ***
- She was about to compliment him, but he left the place with his friends.

- **My Notes:** [Leave as Placeholder]

3. Complement (पूरक) (Noun/Verb) (KOM-pli-ment) (Neutral to Positive)

- **Meaning (English):** Something that completes or goes well with something else.
- **Meaning (Hindi):** जो किसी चीज़ को पूरा करता है या मेल खाता है।
- **Origin Flowchart & Etymology:**
 - Latin *complementum* (that which fills up) → **English complement**
- **Synonym + Antonym:**
 - **Synonym:** Supplement, enhancement
 - **Antonym:** Clash, mismatch
- **Connotation:** Neutral to Positive
- **Pictorial Scenario:** A color wheel showing two shades that visually complement each other.

- **Use in Non-Fiction (100 words):**

A good business strategy complements the strengths of a team, filling in gaps while enhancing key competencies. In nutrition, proteins and carbs complement each other when balanced correctly. In grammar, a subject complement completes the meaning of a subject. Thus, complement is a vital concept across diverse domains like art, strategy, language, and science.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  **Correct:** Her skills complement his leadership. (उसके कौशल उसके नेतृत्व के पूरक हैं।)
-  **Incorrect:** They are great compliments to each other.

- **Example + Structure Explanation:**

- *The wine complemented the cheese perfectly.* (वाइन ने चीज़ का स्वाद पूरी तरह से पूरक किया।)
- **Grammar Breakdown:**
 - S (Subject): The wine
 - V (Verb – Transitive): complemented
 - O (Object): the cheese
 - + (Adverbial Modifier – Manner): perfectly

- **Common Collocations:**

- complement each other, complementing features, perfectly complements

- **My Statement:**

- **(NOUN)**
 - His soothing voice is a perfect complement to his personality.
 - The design in the shirt serves as a complement to its appearance. ***
 - The design on the shirt serves as a complement to its overall look.
 - A good friend is a complement to having a meaningful relationship apart from family. ***
 - A good friend is a valuable complement to strong relationships beyond the family circle.
- **(VERB)**
 - For breakfast, bread, jam and tea complement each other.
 - You both complement each other. ***
 - You complement each other perfectly.
 - The device driver complements the Operating system functionalities. ***
 - The device driver complements the functionalities of the operating system.

4. Paint the town red (शहर में मस्ती करना) (*Idiom/Verb Phrase*) (*Paint thuh town red*) (*Informal/Positive*)

- **Meaning (English):** To go out and enjoy oneself flamboyantly, often partying or celebrating.
- **Meaning (Hindi):** जोरदार तरीके से बाहर जाकर मस्ती करना या जश्न मनाना।
- **Origin Flowchart & Etymology:**
 - Allegedly from a 19th-century English nobleman's wild spree → **metaphorically "painting" with excitement** → common idiom
- **Synonym + Antonym:**
 - **Synonym:** Party hard, go on a spree
 - **Antonym:** Stay in, stay reserved
- **Connotation:** Informal and Positive
- **Pictorial Scenario:** A group of friends celebrating loudly with confetti, music, and lights across the city.

- **Use in Non-Fiction (100 words):**

The phrase "paint the town red" is commonly used to describe urban celebrations, especially after milestones like graduation, promotions, or public festivals. It reflects a cultural pattern of catharsis through celebration. This idiom also finds usage in

marketing, hospitality, and entertainment content to attract audiences seeking fun experiences.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  **Correct:** After the results, they went out to paint the town red. (परिणाम आने के बाद, वे शहर में मस्ती करने निकल गए।)
-  **Incorrect:** He painted the wall red to enjoy.

- **Example + Structure Explanation:**

- *We painted the town red after signing the deal.* (सौदे पर हस्ताक्षर करने के बाद हमने जोरदार जश्न मनाया।)
- **Grammar Breakdown:**
 - S (Subject): We
 - V (Verb – Transitive Idiom): painted the town red
 - ↳ painted → Main verb
 - ↳ the town red → Idiomatic object phrase (meaning: celebrated wildly)
 - + (Adverbial Clause of Time): after signing the deal
 - ↳ S (Implied): we
 - ↳ V (Gerund Phrase): signing the deal
 - ↳ Object: the deal

- **Common Collocations:**

- paint the town red, went out to paint the town red, plan to paint the town red

- **My Statement:**

- Students often paint the town red after succeeding in their exams.
- For the New year celebration, we went out to paint the town red and make our day memorable. ***
- For the New Year celebration, we went out to paint the town red and make the night unforgettable.
- Instead of painting the town red, you must have worked on yourself and elevated your standards by small fractions. ***
- Instead of painting the town red, you should have worked on yourself and gradually elevated your standards.

- **My Notes:** [Leave as Placeholder]

5. You tattled on me (तुमने मेरी चुगली की) (*Phrase - Past Tense*) (*YOU TA-tld on me*) (*Negative*)

- **Meaning (English):** You reported or informed (especially something bad or secret) about me, usually to an authority.
- **Meaning (Hindi):** तुमने मेरी शिकायत कर दी / चुगली कर दी।
- **Origin Flowchart & Etymology:**
 - Middle English *tate*/ (gossip) → "**tattle**" as informal reporting → Used especially for children
- **Synonym + Antonym:**
 - **Synonym:** Snitched, informed, told on
 - **Antonym:** Kept secret, protected
- **Connotation:** Negative (especially in tone)
- **Pictorial Scenario:** A child pointing at another child while the teacher listens, and the second child looks shocked.

- **Use in Non-Fiction (100 words):**

The phrase is commonly used in school environments where children report others for breaking rules. In adult contexts, it can refer to whistleblowing or betraying someone's

trust. While tattling can sometimes serve justice, it is often perceived as betrayal or immaturity, especially in personal relationships or informal groups.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  **Correct:** You tattled on me to the principal. (तुमने मेरी शिकायत प्रिंसिपल से कर दी।)
-  **Incorrect:** You tattled me.

- **Example + Structure Explanation:**

- *She tattled on him when he skipped class.* (जब उसने क्लास बंका की, तो उसने उसकी चुगली कर दी।)
- **Grammar Breakdown:**
 - S (Subject): She
 - V (Verb – Phrasal, Intransitive with Preposition): tattled on
 - O (Object of the Preposition): him
 - + (Adverbial Clause of Time): when he skipped class
 - ↳ S: he
 - ↳ V: skipped
 - ↳ O: class

- **Common Collocations:**

- tattle on someone, tattled to the teacher, caught tattling

- **My Statement:**

- She tattled on me while I was not present in the class and now everybody is laughing at me. ***
- She tattled on me while I was absent from class, and now everybody is laughing at me.
- The students collectively tattled about the new subject teacher to their other subjects teacher. ***
- The students collectively tattled on the new subject teacher to their other teachers.
- I know you tattled on me to relieve your frustration.
