Forgery, Insurmountable, Entrenched, Advocate, Agitation

1. Forgery (जालसाज़ी) (Noun) (for·ger·y) (Serious/Legal tone)

- **Meaning (English):** The act of creating a fake document, signature, or work with the intent to deceive.
- **Meaning (Hindi):** किसी दस्तावेज़, हस्ताक्षर या कलाकृति की नक़ल बनाना ताकि किसी को धोखा दिया जा सके।
- **Origin Flowchart & Etymology:**
 - Latin *fabricare* (to fabricate) → **Old French *forger*** → Middle English *forgerie* → *Forgery*
- **Synonym + Antonym:**
 - **Synonyms:** Counterfeit, Falsification, Imitation
 - **Antonyms:** Authenticity, Originality, Truth
- **Connotation:** Negative (Legal wrongdoing; deception involved)
- **Pictorial Scenario:** A person trying to sell a fake painting signed with a forged artist's signature.

- **Use in Non-Fiction (100 words):**

In legal proceedings, forgery is treated as a serious offense. From fake identity documents to counterfeit contracts, forgeries can derail businesses, compromise security, and undermine trust in institutions. Financial institutions often invest heavily in verification technologies to prevent forgery. Additionally, forgery cases in historical art or antique collections continue to expose the vulnerability of cultural heritage. Modern technology, including AI-based image recognition and blockchain certification, is now being used to prevent forgery and maintain provenance across sectors.

- **Correct and Incorrect Usage:**

-  *The contract was rejected due to forgery.* (कॉन्ट्रैक्ट को जालसाज़ी के कारण खारिज कर दिया गया।)
-  *She made a forgery letter for her promotion.* (उसने अपने प्रमोशन के लिए एक जालसाज़ी पत्र बना दिया।)

- **Example + Grammar Breakdown:**

- *He was arrested for document forgery.* (उसे दस्तावेज़ों की जालसाज़ी के आरोप में गिरफ़्तार किया गया।)
- **Grammar Breakdown:**
 - **S (Subject):** He
 - **V (Verb – Passive, Transitive):** was arrested
 - **O (Object):** — (Implied object: "him," already reflected in passive subject "He")
 - **+ (Prepositional Phrase of Reason):** for document forgery
 - ↳ **O (Object of Preposition):** document forgery

- **Common Collocations:**

- Signature forgery, Art forgery, Criminal forgery, Accused of forgery

- **My Statement:**

- He was known for signature forgery so he became the initial clue for the investigation. ***
- He was known for signature forgery, so he became an early lead in the investigation.
- She was arrested in the case of art forgery and was charged with heavy compensation. ***
- She was arrested for art forgery and was ordered to pay a hefty fine.

- Twelve years from now he was accused of forgery he never did and now he is proven innocent. ***
- Twelve years ago, he was accused of a forgery he didn't commit, and now he has been proven innocent.
- **My Notes:** [Leave as Placeholder]

2. Insurmountable (अजेय / असाध्य) (Adjective) (in-sur-mount-a-ble) (Heavy/Emotional tone)

- **Meaning (English):** Too great to be overcome or dealt with successfully.
- **Meaning (Hindi):** जिसे पार करना या हल करना असंभव हो।
- **Origin Flowchart & Etymology:**
 - Prefix *in-* (not) + *surmount* (to overcome) + Suffix *-able* → "not able to be overcome"
- **Synonym + Antonym:**
 - **Synonyms:** Unconquerable, Overwhelming
 - **Antonyms:** Manageable, Conquerable, Surmountable
- **Connotation:** Negative (Used for extreme difficulty or challenges)
- **Pictorial Scenario:** A tiny hiker facing a towering, sheer cliff with no path.

- **Use in Non-Fiction (100 words):**

Global warming is often perceived as an insurmountable challenge due to the scale of change required across nations, industries, and individual behaviors. With rising temperatures, increased frequency of extreme weather events, and lack of unified policies, the situation can seem overwhelming. However, global cooperation, innovation in renewable energy, and public awareness campaigns provide hope. History shows that

even seemingly insurmountable problems can be tackled when addressed systematically and collectively.

- **Correct and Incorrect Usage:**

-  *The team faced insurmountable odds but still triumphed.* (टीम ने असाध्य बाधाओं का सामना किया लेकिन फिर भी जीत हासिल की।)
-  *His idea was insurmountable.* (उसका विचार अजेय था।)

- **Example + Grammar Breakdown:**

- *They encountered insurmountable difficulties.* (उन्हें दुर्गम कठिनाइयों का सामना करना पड़ा।)
- **Grammar Breakdown:**
 - S (Subject): They
 - V (Verb – Transitive): encountered
 - O (Object): insurmountable difficulties

- **Common Collocations:**

- Insurmountable challenge, Insurmountable odds, Insurmountable obstacle, Insurmountable fear

- **My Statement:**

- We have to dig a path even in the presence of insurmountable obstacles. ***
- We have to carve a path even in the presence of insurmountable obstacles.
- We often set peak standards for those who can deal with insurmountable pressures of life and move consistently despite uncertainty. ***
- We often set the highest standards for those who can withstand the insurmountable pressures of life and keep moving forward despite uncertainty.
- She fought with her insurmountable fear of clearing the hardest exam of her life. ***
- She fought her insurmountable fear of failing the hardest exam of her life.

- **My Notes:** [Leave as Placeholder]

3. Entrenched (जड़ जमा हुआ) (*Adjective/Verb - Past participle*) (*en-trenched*) (*Formal/Serious tone*)

- **Meaning (English):** Firmly established and difficult to change.
- **Meaning (Hindi):** जो गहराई से स्थापित हो चुका हो और बदलना कठिन हो।
- **Origin Flowchart & Etymology:**
 - French *en-* + *trenchier* (to cut or dig) → **entrench (to fortify)** → *entrenched*
- **Synonym + Antonym:**
 - **Synonyms:** Ingrained, Fixed, Rooted
 - **Antonyms:** Temporary, Superficial, Flexible
- **Connotation:** Mostly Negative (used for outdated systems, biases)
- **Pictorial Scenario:** Deep tree roots tangled in concrete – nearly impossible to remove.

- **Use in Non-Fiction (100 words):**

Entrenched systems of inequality continue to shape education and employment in various regions. While policy reforms have attempted to bridge gaps, societal attitudes and historic disadvantages remain deeply embedded. Entrenched corruption in public institutions also inhibits growth and transparency. To overcome such issues, not only legal reforms but cultural and behavioral shifts are necessary. Entrenched mindsets are often harder to deal with than structural changes themselves.

- **Correct and Incorrect Usage:**

-  *Entrenched discrimination is hard to eliminate.* (जड़ जमा भेदभाव को समाप्त करना मुश्किल होता है।)
-  *He entrenched problem yesterday.* (उसने कल समस्या को जड़ जमा दिया।)

- **Example + Grammar Breakdown:**

- *The country's economy suffers due to entrenched corruption.* (देश की अर्थव्यवस्था जड़ जमाई हुई भ्रष्टाचार की वजह से प्रभावित होती है।)
- **Grammar Breakdown:**
 - S (Subject): The country's economy
 - V (Verb – Intransitive): suffers
 - O (Object): — (None; verb is intransitive)
 - + (Prepositional Phrase of Reason): due to entrenched corruption
 - ↳ O (Object of Preposition): entrenched corruption

- **Common Collocations:**

- Entrenched belief, Entrenched position, Entrenched bureaucracy, Entrenched resistance

- **My Statement:**

- **(ADJECTIVE)**

- His entrenched belief in luck never let her work fundamentally and rely on external factors. ***
- His entrenched belief in luck never allowed him to work with a strong foundation and made him rely on external factors.
- The entrenched belief of society towards women is still not great. ***
- Society's entrenched beliefs about women are still deeply problematic.
- He is in an entrenched position. Neither he can leave his current job nor he can get promoted to a better role in his current company. ***
- He is in an entrenched position — he can neither leave his current job nor get promoted to a better role within the company.

- **(VERB)**

- She entrenched herself with older standards which can take her nowhere. ***

- She entrenched herself in older standards, which could take her nowhere.
- He is trying to entrench his mother in cooking while he can play his favourite game. ***
- He is trying to entrench his mother in household chores so that he can play his favourite game.
- The scammer was entrenching him into a billing scam while cyber police observed it carefully and froze the transaction. ***
- The scammer was entrenching the fraudulent system so it could run undetected.

- **My Notes:**

- **Semantics Error:** The scammer was entrenching him into a billing scam while cyber police observed it carefully and froze the transaction.
 - So “entrenching him into a billing scam” doesn't naturally make sense because:
 - You don't entrench a person into something like a scam.
 - Scams are not stable systems where someone is “firmly established” in the intended sense of entrenchment.

4. Advocate (समर्थन करना / वकील) (Verb / Noun) (ad-vo-kate) (Persuasive/Assertive tone)

- **Meaning (English):**
 - **(Verb)** To publicly support a cause or policy.
 - **(Noun)** A person who supports or argues for a cause.
- **Meaning (Hindi):**
 - **(क्रिया)** किसी विचार या नीति का समर्थन करना।
 - **(संज्ञा)** वह व्यक्ति जो समर्थन करता हो या वकालत करता हो।
- **Origin Flowchart & Etymology:**
 - Latin *advocare* → **to call to one's aid** → Old French *avocat* → **Advocate**
- **Synonym + Antonym:**
 - **Synonyms:** Promote, Supporter, Champion
 - **Antonyms:** Oppose, Critic
- **Connotation:** Positive
- **Pictorial Scenario:** A person speaking passionately on a podium in favor of environmental laws.

- **Use in Non-Fiction (100 words):**

Activists often advocate for social justice, environmental sustainability, and ethical practices in business. Advocates use media platforms, legal systems, and community initiatives to raise awareness and influence public policy. Advocacy is not limited to legal professionals; anyone promoting a cause through informed communication and action can be considered an advocate. The digital age has enabled advocacy on a global scale, empowering marginalized voices to reach broader audiences.

- **Correct and Incorrect Usage:**

-  *She advocates for mental health awareness.* (वह मानसिक स्वास्थ्य जागरूकता के लिए समर्थन करती है।)
-  *He is a advocate.* (वह एक समर्थन है।)

- **Example + Grammar Breakdown:**

- *They advocate equal rights for all.* (वे सभी के लिए समान अधिकारों की वकालत करते हैं।)
- **Grammar Breakdown:**
 - S (Subject): They
 - V (Verb – Transitive): advocate
 - O (Object): equal rights
 - + (Prepositional Phrase of Beneficiary): for all
 - ↳ O (Object of Preposition): all

- **Common Collocations:**

- Advocate change, Advocate reform, A strong advocate, Advocate for justice

- **My Statement:**

- **(NOUN)**
 - The advocate read the case all night and prepared a strategy.
 - A few of the advocates were trying to rip off clients by delaying the case.

 - A few advocates were trying to exploit clients by deliberately delaying the case.
 - We need to find a right advocate for this specific case or we are going to lose it. ***
 - We need to find the right advocate for this specific case, or we're going to lose it.

○ **(VERB)**

- They advocated for a right case but instead were blamed by the public.

- They advocated for a just cause but were instead blamed by the public.
- We often advocate for various reasons, but when it comes to receiving support, nobody really joins us. ***
- We often advocate for various causes, but when it comes to receiving support, no one really joins us.
- She advocated for protecting wildlife but instead trapped in a false case to hunker her till the work is completed. ***
- She advocated for protecting wildlife but was instead trapped in a false case to force her into silence until the work was completed.

- **My Notes:** [Leave as Placeholder]

5. Agitation (उथल-पुथल / उत्तेजना) (Noun) (a-gi-ta-tion) (Serious/Emotional tone)

- **Meaning (English):** A state of anxiety or nervous excitement; also, the act of stirring public concern or protest.
- **Meaning (Hindi):** चिंता, उत्तेजना या विरोध प्रदर्शन की स्थिति।
- **Origin Flowchart & Etymology:**
 - Latin *agitare* (to stir up) → **Old French** *agiter* → *Agitation*
- **Synonym + Antonym:**
 - **Synonyms:** Unrest, Anxiety, Protest
 - **Antonyms:** Calm, Stability, Peace
- **Connotation:** Neutral to Negative (depending on context)
- **Pictorial Scenario:** A group protesting on the streets holding banners, chanting slogans.

- **Use in Non-Fiction (100 words):**

Political agitation has historically played a vital role in shaping democracies. From civil rights movements to farmer protests, agitation channels public dissatisfaction into focused dialogue. However, excessive or violent agitation can destabilize societies. Psychologically, individuals can experience mental agitation due to trauma or

uncertainty. Recognizing the sources and manifestations of agitation helps policymakers, leaders, and educators guide discourse more constructively and mitigate unrest.

- **Correct and Incorrect Usage:**

-  *The student agitation disrupted academic schedules.* (छात्रों के आंदोलन ने शैक्षणिक कार्यक्रमों को बाधित किया।)
-  *She felt agitation protest.* (उसे आंदोलन विरोध महसूस हुआ।)

- **Example + Grammar Breakdown:**

- *Agitation broke out across the city.* (शहर भर में आंदोलन भड़क उठा।)
- **Grammar Breakdown:**
 - S (Subject): Agitation
 - V (Verb – Phrasal, Intransitive): broke out
 - O (Object): — (None; verb is intransitive)
 - + (Prepositional Phrase of Place): across the city
 - ↳ O (Object of Preposition): the city

- **Common Collocations:**

- Political agitation, Mental agitation, Widespread agitation, Agitation erupted

- **My Statement:**

- The agitation of students regarding exam results was considered normal. ***
- The students' agitation over the exam results was considered normal.
- We face several political agitation throughout the year for various reasons, we cannot deal with all of them. ***
- We face several political agitations throughout the year for various reasons; we cannot deal with all of them.
- The agitation erupted out of nowhere caused tensions within the ruling party as they had no idea how to even resolve it. ***
- The agitation, which erupted out of nowhere, caused tensions within the ruling party as they had no idea how to resolve it.

- **My Notes:** [Leave as Placeholder]
