Gunning, Precinct, Stumping, Regimen, Cunning

## 1. Gunning (गनिंग) (Verb/Noun) (guh-n-ing) (Aggressive/Energetic tone)

- **Meaning (English):** To pursue or aim for something with intensity or aggression; can also mean shooting with a gun.
- **Meaning (Hindi):** ज़ोर लगाकर प्रयास करना या गोलीबारी करना।
- **Origin Flowchart & Etymology:**
  - Old Norse "gunnr" (war) → **Middle English "gunne" (cannon)** → Verb form *gunning* develops from modern usage of "gun" as both weapon and metaphor for focused pursuit.
- **Synonym + Antonym:**
  - **Synonyms:** Targeting, Aiming, Chasing
  - **Antonyms:** Avoiding, Ignoring, Neglecting
- **Connotation:** Dynamic, intense, aggressive
- **Pictorial Scenario:** A sprinter "gunning" for the finish line with full energy.

- **Use in Non-Fiction (100 words):**

In the corporate world, professionals are always gunning for the top position, often working extra hours, networking, and building skill sets. This metaphorical "gunning" has become symbolic of ambition. However, the pressure to outperform often leads to burnout. Leaders gunning for fast results may overlook ethical concerns or sustainable practices, which creates long-term instability. Recognizing when to pause and re-evaluate one's approach is essential in a culture where everyone is gunning for success.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

- ✓ *He's gunning for the CEO's chair.* (वह सीईओ की कुर्सी के लिए ज़ोर लगा रहा है।)
- ✗ *He is gun for promotion.* (Incorrect tense/structure)

- **Example (English + Hindi Equivalent) + Grammatical Structure:**

- ✓ *They are gunning for the championship this season.* (वे इस सीज़न चैंपियनशिप के लिए ज़ोर लगा रहे हैं।)
- **Grammar Breakdown:**
  - (They = Subject | are = aux. verb | gunning = present participle verb | for = preposition | the championship = object)

- **Common Collocations:**

- Gunning for success, Gunning down the target, Gunning through obstacles

- **My Statement:**

- **(NOUN)**
  - The authorities arranged permission before they could include gunning in their event. \*\*\*
  - The authorities arranged permission before including the gunning signal in their event.
  - The event was started after the gunning. \*\*\*
  - The event began after the gunning signal.
  - The athletes were waiting for the gunning before they could start the show. \*\*\*
  - The athletes were waiting for the gunning to signal the start of the show.

- **(VERB)**

- He is thinking about guns for new opportunities. \*\*\*
- He is gunning for new opportunities.
- She was gunning for the top spot from the beginning.
- He gunned the machine and started producing items. \*\*\*
- He gunned the machine and began producing items.

- **My Notes:**

- **V1 to V5 (Gun)**

- V1: They often **gun** for promotion during appraisal season.
- V2: He **gunned** the engine and sped away from the scene.
- V3: She has **gunned** through all the opposition in the competition.
- V4: He is **gunning** for the top spot with full energy.
- V5: She **guns** for perfection in every presentation she delivers.

## 2. Precinct (परिसर) (*Noun*) (*pree-sinkt*) (*Formal tone*)

- **Meaning (English):** A district or defined area, often used for administrative or legal purposes.
- **Meaning (Hindi):** एक सीमित या अधिकृत क्षेत्र, जैसे पुलिस थाना क्षेत्र।
- **Origin Flowchart & Etymology:**
  - Latin *praecinctum* (enclosure) → **Old French** *precincte* → Middle English *precinct* (boundary area)
- **Synonym + Antonym:**
  - **Synonyms:** Zone, District, Ward
  - **Antonyms:** Wilderness, Undefined area
- **Connotation:** Formal, spatial, legal
- **Pictorial Scenario:** A voting booth located within a school, marked as a polling precinct.

- **Use in Non-Fiction (100 words):**

In urban planning, cities are divided into various precincts, each managed by local administrative units. For example, voting often happens within electoral precincts to ensure order. Police stations are also organized based on precincts. Such divisions help maintain clarity in governance, law enforcement, and service delivery. However, over-fragmentation of precincts may lead to bureaucratic delays. In crime analysis,

precinct data can reveal hotspots, helping law enforcement strategize patrol routes efficiently.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

- ✓ *He was arrested outside the 9th precinct.* (उसे 9वें थाना क्षेत्र के बाहर गिरफ्तार किया गया।)
- ✗ *I live in the precinct of Himalayas.* (Incorrect because "precinct" implies urban/administrative space)

- **Example (English + Hindi Equivalent) + Grammatical Structure:**

- ✓ *The officer transferred to another precinct.* (अधिकारी को एक और क्षेत्र में ट्रांसफर किया गया।)
- **Grammar Breakdown:**
  - (The officer = subject | transferred = verb | to = preposition | another precinct = object)

- **Common Collocations:**

- Police precinct, Voting precinct, Urban precinct

- **My Statement:**

- The rural precincts are yet to be allocated funds to embrace the future vision of the government. \*\*\*
- The rural precincts are yet to receive funds to support the government's future vision.
- The hospital precinct was claimed at a fraction of the cost which is unusual based on market rate. \*\*\*
- The hospital precinct was acquired at a fraction of the cost, which is unusual given the current market rate.
- The information of the precincts are made available to the citizens. \*\*\*
- The information about the precincts is made available to the citizens.

- **My Notes:** [Leave as Placeholder]

### 3. Stumping (भ्रमित करना / प्रचार करना) (Verb/Gerund) (stump-ing) (Dual tone: Confusing or Political)

- **Meaning (English):** To confuse or puzzle someone; also refers to political campaigning from place to place.
- **Meaning (Hindi):** भ्रमित करना; या चुनावी प्रचार करना
- **Origin Flowchart & Etymology:**
  - "Stump" (tree stump or speaking platform) → **19th-century US political slang** → "stumping" as traveling to campaign
- **Synonym + Antonym:**
  - **Synonyms:** Baffling, Campaigning
  - **Antonyms:** Clarifying, Settling
- **Connotation:** Context-dependent (either perplexing or persuasive)
- **Pictorial Scenario:** A politician stumping across towns, addressing crowds from a wooden platform.

- **Use in Non-Fiction (100 words):**

During election seasons, politicians go stumping through towns and cities to gain public support. Stumping refers to delivering speeches across multiple venues, often responding to local concerns. On the other hand, in academic or problem-solving

contexts, a question may stump even the brightest minds. The dual meaning reflects how the same term can represent both confusion and persuasion. Whether you're stumping for votes or stumped by a puzzle, the word remains contextually rich and multifaceted.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

- ✓ *He was stumping in five states this week.* (वह इस हफ्ते पांच राज्यों में प्रचार कर रहा था।)
- ✗ *He is stump by that math question.* (Incorrect verb form)

- **Example (English + Hindi Equivalent) + Grammatical Structure:**

- ✓ *That riddle completely stumped me.* (उस पहेली ने मुझे पूरी तरह भ्रमित कर दिया।)
- **Grammar Breakdown:**
  - (That riddle = subject | completely = adverb | stumped = past tense verb | me = object)

- **Common Collocations:**

- Stumping for office, Stumped by the question, Campaign stumping

- **My Statement:**

- **(NOUN)**
  - Stumping is not allowed in this election until the final approval comes. \*\*\*
  - Stumping is not allowed during this election until final approval is granted.
  - A lot of funds will be required for the stumping. \*\*\*
  - A lot of funds will be required for the stumping efforts.
  - Stumping is a great idea to show the competition what we really got. \*\*\*
  - Stumping is a powerful way to show the competition what we're truly capable of.
- **(VERB)**
  - The magician stumped the audience with the magical techniques. \*\*\*
  - The magician stumped the audience with his magical techniques.
  - He is stumping in the election like he really won it. \*\*\*
  - He is stumping for the election like he has already won it.

- She is stumped by the questions in the exam.

- **My Notes:**

- **V1:** They often stump politicians with unexpected questions.
- **V2:** The tricky puzzle stumped him for hours.
- **V3:** She has stumped even the smartest debaters.
- **V4:** He is stumping across five states for the campaign.
- **V5:** This riddle always stumps young learners.

#### 4. Regimen (नियमित व्यवस्था) (Noun) (rej-uh-men) (Disciplined tone)

- **Meaning (English):** A planned system of habits or rules, especially related to health, diet, or exercise.
- **Meaning (Hindi):** किसी विशेष दिनचर्या या स्वास्थ्य-संबंधी व्यवस्था
- **Origin Flowchart & Etymology:**
  - Latin *regimen* (rule/governance) → Old French *regimen* → English (health-oriented structure)
- **Synonym + Antonym:**
  - **Synonyms:** Routine, Schedule, Program
  - **Antonyms:** Disorder, Irregularity
- **Connotation:** Healthy, systematic
- **Pictorial Scenario:** A person following a strict morning regimen with yoga, smoothie, and journaling.

- **Use in Non-Fiction (100 words):**

A healthy lifestyle is rooted in a consistent regimen. Whether it's a fitness plan, a dietary schedule, or sleep hygiene, a regimen provides structure and purpose. Doctors often recommend a post-operative regimen to help patients recover faster. Athletes swear by their training regimen, adjusting it based on performance data. Without a defined

regimen, even the most motivated individuals may fall into cycles of procrastination or imbalance. Success, whether physical or mental, often depends on how faithfully one follows their chosen regimen.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

- ✓ *He follows a strict regimen of yoga and clean eating.* (वह योग और साफ़ भोजन की एक सख्त दिनचर्या का पालन करता है।)
- ✗ *He follows a regime for diet.* (Wrong word—"regime" ≠ "regimen")

- **Example (English + Hindi Equivalent) + Grammatical Structure:**

- ✓ *The doctor prescribed a new fitness regimen.* (डॉक्टर ने एक नई फिटनेस दिनचर्या निर्धारित की।)

- **Grammar Breakdown:**

- (The doctor = subject | prescribed = verb | a new fitness regimen = object)

- **Common Collocations:**

- Strict regimen, Fitness regimen, Daily regimen

- **My Statement:**

- We were planning a regimen for effective utilization of the resource of have. \*\*\*
- We were planning a regimen for effective utilization of available resources.
- A well defined regimen can really help us achieve sustained success in our life. \*\*\*
- A well-defined regimen can truly help us achieve sustained success in life.
- It is better to work on our regimen based on earlier outcomes and perform redactions appropriately. \*\*\*
- It is better to work on our regimen based on earlier outcomes and make necessary adjustments accordingly.

- **My Notes:** [Leave as Placeholder]

## 5. Cunning (चालाकी) (Adjective/Noun) (kun-ing) (Tricky/Sly tone)

- **Meaning (English):** Cleverness or skill shown in a deceitful or manipulative way.
- **Meaning (Hindi):** चालाकी, जिसमें अक्सर धोखा शामिल होता है
- **Origin Flowchart & Etymology:**
  - Old Norse *kunnandi* (knowledgeable) → **Middle English *cun(n)ing*** → Shifted meaning to slyness
- **Synonym + Antonym:**
  - **Synonyms:** Crafty, Devious, Shrewd
  - **Antonyms:** Honest, Naive, Sincere
- **Connotation:** Slightly negative (though sometimes admiring)
- **Pictorial Scenario:** A fox quietly stealing food while others are distracted — classic cunning.

- **Use in Non-Fiction (100 words):**

In the realm of politics and negotiation, cunning is a double-edged sword. While some leaders are admired for their strategic cunning, others are criticized for manipulative tactics. In business, being cunning may involve smart maneuvering through complex deals, yet it may also raise ethical questions. The line between brilliance and deception is often thin when cunning is involved. It is a trait praised in survival contexts but

condemned when used to exploit. Understanding the intent behind one's cunning behavior is crucial to determine its morality.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

- ✓ *He used his cunning to win the contract.* (उसने अपनी चालाकी से कॉन्ट्रैक्ट जीत लिया।)
- ✗ *He is cunningness in nature.* (Wrong form – should be "He is cunning by nature")

- **Example (English + Hindi Equivalent) + Grammatical Structure:**

- ✓ *The cunning fox escaped the trap.* (चालाक लोमड़ी जाल से बच निकली।)
- **Grammar Breakdown:**
  - (The = article | cunning = adjective | fox = noun/subject | escaped = verb | the trap = object)

- **Common Collocations:**

- Cunning plan, Cunning move, Act of cunning

- **My Statement:**

- **(NOUN)**
  - The cunning of the team members caused a feud among stakeholders.
  - You don't have to be proud of your cunning, it can become a trouble for us if not used wisely. \*\*\*
