Candid, Perhaps, Pertaining, Induce, Juxtapose

1. Candid (खुला-साफ) (Adjective) (kan-did) (Neutral/Positive Tone)

- **Meaning (English):** Honest, open, and sincere in expression.
- **Meaning (Hindi):** स्पष्ट, निष्कपट, खुलकर बोलने वाला
- **Origin Flowchart & Etymology:**
 - Latin "*candidus*" → meaning "**white, pure**" → figuratively "sincere, honest" → adopted in Middle English as "*candid*"
- **Synonym + Antonym:**
 - **Synonyms:** Frank, Honest, Blunt
 - **Antonyms:** Deceptive, Reserved, Dishonest
- **Connotation:** Honest (+ve) but potentially rude if too blunt.
- **Pictorial Scenario:** A friend telling you the truth about your performance, even if it might hurt a bit.

- **Use in Non-Fiction (100 words):**

In autobiographies and interviews, being candid helps the reader or audience connect with the speaker. It removes layers of diplomacy and exposes genuine thoughts or

emotions. A candid leader, for instance, gains the trust of their team, not because they sugarcoat things but because they speak plainly and honestly. In modern journalism, candid reporting is crucial for transparency, especially when covering sensitive topics that require emotional honesty and bold expression.

- **Correct and Incorrect Usage:**

-  *She gave a candid opinion about the project.* (उसने परियोजना पर स्पष्ट राय दी।)
-  *He is candiding me a story.* (Incorrect verb form)

- **Word Hack of the Day (50 words):**

- "Candid" is your go-to word when someone speaks honestly, even if it's uncomfortable. Pair it with expressions like "candid feedback" or "candid photo" to remember that it refers to something genuine, unfiltered, and unrehearsed.

- **Example (English + Hindi Equivalent) + Grammatical Breakdown:**

- *He gave a candid response during the meeting.* (उसने बैठक में एक ईमानदार प्रतिक्रिया दी।)
- **Grammar Breakdown:**
 - S (Subject): He
 - V (Verb – Transitive): gave
 - O (Object): a candid response
 - + (Adverbial Phrase of Time/Place): during the meeting
 - ↳ P (Preposition): during
 - ↳ O (Object of Preposition): the meeting

- **Common Collocations:**

- Candid feedback, Candid photos, Candid confession

- **My Statement:**

- We need candid feedback from you all. ***
- We need candid feedback from all of you.
- We should have clicked candid pictures when we were young. ***
- We should have taken candid pictures when we were young.
- This is a candid confession that I love you all. ***
- This is a candid confession: I love you all.

- **My Notes:** [Leave as Placeholder]

2. Perhaps (शायद) (Adverb) (per-haps) (Tentative/Neutral Tone)

- **Meaning (English):** Possibly but not certainly; used to express uncertainty.
- **Meaning (Hindi):** संभवतः, शायद
- **Origin Flowchart & Etymology:**
 - Middle English "*perhappes*" → **from *per* (through) + *hap* (chance)** → merged into "perhaps"
- **Synonym + Antonym:**
 - **Synonyms:** Maybe, Possibly
 - **Antonyms:** Definitely, Certainly
- **Connotation:** Neutral; expresses uncertainty, politeness, or indirect suggestions.
- **Pictorial Scenario:** Someone unsure whether it will rain or not, saying "Perhaps, it might day it...."

- **Use in Non-Fiction (100 words):**

In academic or analytical writing, "perhaps" is often used to introduce a possibility or alternative without asserting it as a fact. It adds subtlety to claims and opens space for further investigation. In diplomacy and negotiation, using "perhaps" softens opinions, making the speaker sound less confrontational and more willing to explore options.

- **Correct and Incorrect Usage:**

-  *Perhaps we should leave early to avoid traffic.* (शायद हमें ट्रैफिक से बचने के लिए जल्दी निकलना चाहिए।)
-  *He perhapsed the idea.* (Not a verb)

- **Word Hack of the Day (50 words):**

- Use “perhaps” when you’re not entirely sure or want to soften your tone. It’s useful for offering polite suggestions or showing probability without commitment.

- **Example (English + Hindi Equivalent) + Grammatical Breakdown:**

- *Perhaps she didn’t see the message.* (शायद उसने संदेश नहीं देखा।)
- **Grammar Breakdown:**
 - Adv (Adverb – Sentence Modifier): Perhaps
 - S (Subject): she
 - V (Verb – Transitive, Negative, Past): didn’t see
 - O (Object): the message

- **Common Collocations:**

- Perhaps later, Perhaps not, Perhaps you’re right

- **My Statement:**

- Perhaps you can go to the market even though it is raining. ***
- Perhaps you can still go to the market, even though it’s raining.
- Perhaps you’re right for your decision about buying that TV. ***
- Perhaps you’re right in your decision to buy that TV.
- You should perhaps not come up with me like this. ***
- Perhaps you shouldn’t approach me like this.

- **My Notes:** [Leave as Placeholder]

3. Pertaining (संबंधित) (Verb – Present Participle) (per-tey-ning) (Formal Tone)

- **Meaning (English):** Relating to or connected with something.
- **Meaning (Hindi):** से संबंधित
- **Origin Flowchart & Etymology:**
 - Latin "*pertinere*" → "**per**" (through) + "**tenere**" (to hold) → Old French *partenir* → Middle English *pertain* → Present participle *pertaining*
- **Synonym + Antonym:**
 - **Synonyms:** Concerning, Regarding, Relating to
 - **Antonyms:** Unrelated, Irrelevant
- **Connotation:** Neutral; mostly used in formal or academic writing.
- **Pictorial Scenario:** Legal document stating: "All clauses pertaining to Clause 7 are subject to review."

- **Use in Non-Fiction (100 words):**

In legal, academic, and administrative documents, the word "pertaining" is commonly used to connect specific rules, categories, or ideas. For example, "rules pertaining to online conduct" refers to all regulations directly associated with online behavior. The

term lends precision and formal tone to any subject matter that requires categorization or specification.

- **Correct and Incorrect Usage:**

-  *The law pertains to issues of national security.* (कानून राष्ट्रीय सुरक्षा से संबंधित मुद्दों से जुड़ा है।)
-  *The law pertaining.* (Incomplete sentence; needs a subject and auxiliary)

- **Word Hack of the Day (50 words):**

- "Pertaining" is best remembered by associating it with official or formal documents. Use it when you want to link a rule, idea, or fact to something specific.

- **Example (English + Hindi Equivalent) + Grammatical Breakdown:**

- *Documents pertaining to his education were submitted.* (उसकी शिक्षा से संबंधित दस्तावेज़ जमा किए गए।)
- **Grammar Breakdown:**
 - S (Subject): Documents
 - V (Verb – Passive, Past): were submitted
 - + (Participle Phrase – Adjectival Modifier): pertaining to his education
 - ↳ V (Participle – Present Participle of 'pertain'): pertaining
 - ↳ P (Preposition): to
 - ↳ O (Object of Preposition): his education

- **Common Collocations:**

- Pertaining to law, Pertaining to the subject, Pertaining to the issue

- **My Statement:**

- The document pertains to the company and needs to be delivered by tomorrow.

- The document pertains to the company and must be delivered by tomorrow.
- All the queries pertaining to the resolution of the issue will be handled by new staff from today. ***
- All queries pertaining to the resolution of the issue will be handled by the new staff starting today.
- We were referring to information pertaining to the subject.

- **My Notes:** [Leave as Placeholder]

4. Induce (प्रेरित करना) (Verb – Transitive) (in-doos) (Formal/Persuasive Tone)

- **Meaning (English):** To cause, persuade, or bring about a certain effect.
- **Meaning (Hindi):** प्रेरित करना, उत्पन्न करना
- **Origin Flowchart & Etymology:**
 - Latin "*inducere*" → "in" (into) + "ducere" (to lead) → Old French → **English induce**
- **Synonym + Antonym:**
 - **Synonyms:** Persuade, Cause, Generate
 - **Antonyms:** Deter, Prevent, Discourage
- **Connotation:** Neutral to Positive (depends on context)
- **Pictorial Scenario:** A doctor inducing labor during childbirth.

- **Use in Non-Fiction (100 words):**

The word "induce" is frequently used in scientific, medical, and psychological contexts. For instance, "inducing sleep" refers to triggering a natural state of rest through medication or behavior. In persuasive writing or marketing, inducing refers to convincing someone to take a specific action. In economics, stimulus packages are said to induce growth. The term carries weight and responsibility, as it implies intentional or triggered outcomes.

- **Correct and Incorrect Usage:**

-  *The medicine may induce drowsiness.* (दवा नींद ला सकती है।)
-  *He induced to go.* (Incorrect structure – missing object or purpose)

- **Word Hack of the Day (50 words):**

- "Induce" always leads to a result — either physical or psychological. Remember: if you're causing something intentionally (even subtly), you're likely inducing it. Great for persuasive writing or cause-effect analysis.

- **Example (English + Hindi Equivalent) + Grammatical Breakdown:**

- *Her kind words induced him to change his mind.* (उसके विनम्र शब्दों ने उसे अपना मन बदलने के लिए प्रेरित किया।)

- **Grammar Breakdown:**

- S (Subject): Her kind words
- V (Verb – Transitive, Past): induced
- O (Object): him
- + (Infinitive Phrase – Purpose/Result): to change his mind
 - ↳ V (Infinitive): to change
 - ↳ O (Object of Infinitive): his mind

- **Common Collocations:**

- Induce labor, Induce sleep, Induce behavior

- **My Statement:**

- The students were induced to adopt some good behaviour from their seniors. ***
- The students were induced to adopt good behavior by observing their seniors.
- I have taken some medication to induce sleep. ***
- I took some medication to induce sleep.
- The doctor induced patients to consume healthy meals and avoid any form of junk food. ***
- The doctor induced a change in the patients' eating habits, leading them to consume healthy meals and avoid any form of junk food.

- **My Notes:** [Leave as Placeholder]

5. Juxtapose (समानांतर रखना / तुलना करना) (Verb – Transitive) (juhk-stuh-pohz) (Neutral Tone)

- **Meaning (English):** To place side by side for comparison or contrast.
- **Meaning (Hindi):** पास-पास रखना (तुलना के लिए)
- **Origin Flowchart & Etymology:**
 - Latin "*juxta*" (next to) + French "*poser*" (to place) → **juxtaposer** → English *juxtapose*
- **Synonym + Antonym:**
 - **Synonyms:** Compare, Contrast, Align
 - **Antonyms:** Separate, Isolate
- **Connotation:** Neutral; often analytical or artistic
- **Pictorial Scenario:** A magazine layout placing a modern building next to a centuries-old temple for design contrast.

- **Use in Non-Fiction (100 words):**

In art, literature, and academic essays, "juxtapose" is used to compare opposing ideas or elements to highlight differences or unexpected similarities. Authors may juxtapose wealth and poverty to emphasize social inequality. In visual design, bright and dull colors may be juxtaposed for impact. It's a strategic placement tool for contrast and reflection.

- **Correct and Incorrect Usage:**

-  *The artist juxtaposed light and shadow to create dramatic effect.* (कलाकार ने नाटकीय प्रभाव के लिए प्रकाश और छाया को साथ रखा।)
-  *He juxtaposed without context.* (Missing objects for clarity)

- **Word Hack of the Day (50 words):**

- "Juxtapose" is a visual and conceptual word. Whenever you're comparing two things — side by side — you're juxtaposing. Use it in essays, art criticism, or persuasive writing to show contrast.

- **Example (English + Hindi Equivalent) + Grammatical Breakdown:**

- *The writer juxtaposed love and loss throughout the novel.* (लेखक ने पूरे उपन्यास में प्रेम और क्षति को साथ रखा।)
- **Grammar Breakdown:**
 - S (Subject): The writer
 - V (Verb – Transitive, Past): juxtaposed
 - O (Compound Object): love and loss
 - + (Adverbial Phrase of Time/Place): throughout the novel
 - ↳ P (Preposition): throughout
 - ↳ O (Object of Preposition): the novel

- **Common Collocations:**

- Juxtapose ideas, Juxtapose images, Juxtapose past and present

- **My Statement:**

- We have to juxtapose various plans to see what is really effective. ***
- We need to juxtapose various plans to determine which one is truly effective.
- He subtly juxtaposed his past and present to see where he really grew well. ***
- He subtly juxtaposed his past and present to identify where he experienced the most growth.
- He likes to juxtapose images for fun. Perhaps he should monetize his work for some profit. ***
- He enjoys juxtaposing images for fun. Perhaps he should consider monetizing his work for some profit.

- **My Notes:** [Leave as Placeholder]
