Stubborn, Petrified, Knuckles, Anam Cara, Superfluous

1. Stubborn (जिद्दी) (Adjective) (stuh·brn) (Assertive/Neutral)

- **Meaning (English):** Unwilling to change one's attitude or position on something, especially in spite of good arguments or reasons.
- **Meaning (Hindi):** जो आसानी से अपनी बात या सोच नहीं बदलता; जिद्दी।
- **Origin Flowchart & Etymology:**
 - Middle English: *stuborn* → from Old French: *estuborne* ("obstinate")
- **Synonym + Antonym:**
 - **Synonyms:** Obstinate, Headstrong, Inflexible
 - **Antonyms:** Compliant, Flexible, Yielding
- **Connotation:** Neutral to slightly negative, depending on context.
- **Pictorial Scenario:** A child crossing arms and refusing to eat vegetables while the parent insists.

- **Use in Non-Fiction (100 words max.):**

In leadership studies, being *stubborn* can be a double-edged sword. While persistence may aid in standing firm during negotiations, excessive stubbornness can obstruct compromise, innovation, or team harmony. Hence, emotional intelligence is crucial to balance decisiveness and openness.

- **Correct and Incorrect Usage:**

-  He is stubborn when it comes to quality.
-  वह गुणवत्ता के मामले में जिद्दी है।
-  He is very much stubbornly about this.
-  "stubbornly" is an adverb; incorrect usage with "is"

- **Example + Grammatical Explanation:**

-  *She remained stubborn despite everyone's advice.* (वह सबकी सलाह के बावजूद जिद्दी बनी रही।)
-  "She" (subject) + "remained" (linking verb) + "stubborn" (subject complement/adjective).

- **Common Collocations:**

- stubborn attitude, stubborn refusal, stubborn problem

- **My Statement:**

- Her stubborn attitude won't take her anywhere in her life.
- I hate these stubborn pimples which never leave my face despite several treatments.
- My child is stubborn when it comes to playing computer games.

- **My Notes:** [Leave as Placeholder]

2. Petrified (सन्न, डर से जड़) (Adjective) (peh·truh·fide) (Fearful/Intense)

- **Meaning (English):** So frightened or shocked that one is unable to move; also refers to something turned into stone.
- **Meaning (Hindi):** इतना डरा हुआ कि कुछ कर पाने में असमर्थ; पत्थर में परिवर्तित।
- **Origin Flowchart & Etymology:**
 - Latin *petra* (stone): *petrificare* → **Old French** → English “petrify”
- **Synonym + Antonym:**
 - **Synonyms:** Terrified, Frozen, Paralyzed
 - **Antonyms:** Calm, Composed, Fearless
- **Connotation:** Strongly negative, dramatic
- **Pictorial Scenario:** A person standing frozen after seeing a snake on the trail.

- **Use in Non-Fiction (100 words max.):**

In psychological discussions, the term *petrified* can metaphorically describe emotional paralysis resulting from trauma or fear. For example, victims of abuse may become petrified in the presence of certain stimuli, indicating unresolved mental distress.

- **Correct and Incorrect Usage:**

-  I was petrified during the blackout.
-  मैं अंधेरे में बहुत डर गया था।
-  She petrify of dogs.
-  Should be “is petrified of dogs.”

- **Example + Grammatical Explanation:**

-  *He looked petrified as the thunder roared.* (जैसे ही गरज हुई, वह डर से सन्न हो गया।)
-  “He” (subject) + “looked” (linking verb) + “petrified” (adjective complement)

- **Common Collocations:**

- Petrified with fear, absolutely petrified, looked petrified

- **My Statement:**

- She looked petrified when I saw her.
- After seeing her result, he was petrified.
- While walking in the night, she was petrified when we reached a haunted place.

- She was petrified while walking at night when we reached a haunted place

- **My Notes:** [Leave as Placeholder]

3. Knuckles (गांठ, उंगलियों के जोड़) (Noun) (nuh·klz) (Neutral)

- **Meaning (English):** The joints of the fingers, especially when the fist is clenched.
- **Meaning (Hindi):** हाथ की उंगलियों के जोड़, विशेषकर मुट्ठी बनाने पर जो उभरते हैं।
- **Origin Flowchart & Etymology:**
 - Middle English: *knokel* → **from knoke (bone)**
- **Synonym + Antonym:**
 - **Synonyms:** Finger joints, Hand joints
 - **Antonyms:** — (Not applicable directly)
- **Connotation:** Neutral, descriptive
- **Pictorial Scenario:** Someone cracking their knuckles before a game.

- **Use in Non-Fiction (100 words max.):**

In ergonomics, attention to knuckle health is crucial for those working long hours on keyboards or with hand tools. Repeated stress on these joints can lead to disorders like arthritis, necessitating proper hand posture and breaks.

- **Correct and Incorrect Usage:**

-  He cracked his knuckles before the exam.
-  उसने परीक्षा से पहले अपनी उंगलियों की गांठें चटकाईं।
-  My knuckles are painning.
-  “Paining” → Incorrect verb; should be “hurting” or “in pain”

- **Example + Grammatical Explanation:**

-  *She bruised her knuckles while punching the bag.* (पंचिंग बैग मारते समय उसकी उंगलियों की गांठें छिल गईं।)
-  “She” (subject) + “bruised” (past verb) + “her knuckles” (object)

- **Common Collocations:**

- Bruised knuckles, cracked knuckles, white knuckles

- **My Statement:**

- He broke his knuckles while fighting in a match.
- The doctor advised him to use his knuckles carefully and avoid playing anything for a while. ***
- The doctor advised him to be careful with his knuckles and avoid any physical activity for a while.
- He worked on his knuckles and made it extremely strong. ***
- He worked on his knuckles and made them extremely strong.

- **My Notes:** [Leave as Placeholder]

4. Anam Cara (आत्मिक मित्र) (Noun) (ah-nam kah-rah) (Spiritual/Poetic)

- **Meaning (English):** A soul friend; a person with whom you share deep, spiritual connection.
- **Meaning (Hindi):** एक आत्मीय मित्र जिससे गहरी आत्मा-स्तर की जुड़ाव होता है।
- **Origin Flowchart & Etymology:**
 - Irish Gaelic → **Anam** (soul) + **Cara** (friend)
- **Synonym + Antonym:**
 - **Synonyms:** Soulmate, Spiritual companion, Kindred spirit
 - **Antonyms:** Acquaintance, Stranger
- **Connotation:** Deeply positive and spiritual
- **Pictorial Scenario:** Two people in deep conversation under a tree, completely in sync.

- **Use in Non-Fiction (100 words max.):**

In Celtic spirituality, the concept of *Anam Cara* embodies a rare soul connection, free from judgment, rooted in shared purpose and presence. Modern self-help literature often uses it to represent the highest form of friendship — one that nurtures personal transformation and mutual understanding.

- **Correct and Incorrect Usage:**

-  He is my Anam Cara; we don't even need words.
-  वह मेरा आत्मीय मित्र है; हमें बात करने की भी ज़रूरत नहीं।
-  She is my Anna Kara.
-  Spelling and pronunciation both incorrect.

- **Example + Grammatical Explanation:**

-  *In this life, you rarely find your Anam Cara.* (इस जीवन में शायद ही किसी को अपना आत्मीय मित्र मिलता है।)
-  “You” (subject) + “find” (main verb) + “your Anam Cara” (object)

- **Common Collocations:**

- True Anam Cara, lifelong Anam Cara, spiritual Anam Cara

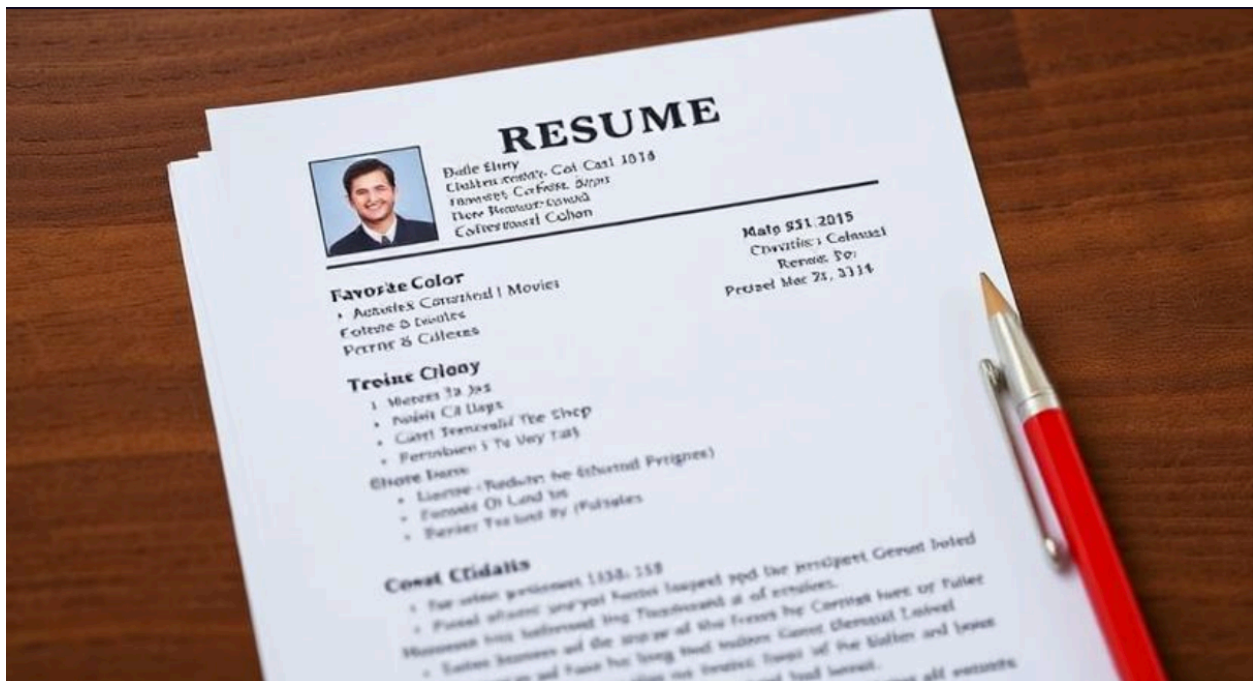

- **My Statement:**

- Be anam cara of someone's life, a supporter and a guide. ***
- Be an anam cara in someone's life—a supporter and a guide.
- She has been my anam cara from the age of 12 and since then we always stayed close. ***
- She has been my anam cara since the age of 12, and we have always stayed close.
- I did not want any anam cara in my life and what I always say has a purpose. ***
- I didn't want an anam cara in my life because everything I say is intentional.

5. Superfluous (अनावश्यक / अतिरिक्त) (Adjective) (soo-pur-floo-uhs)
(Formal/Neutral to Negative)

- **Meaning (English):** More than what is needed; unnecessary, especially through being more than enough.
- **Meaning (Hindi):** ज़रूरत से ज़्यादा; जो आवश्यक न हो; अनावश्यक या अतिरिक्त।
- **Origin Flowchart & Etymology:**
 - Latin *superfluus*: *super-* (over) + *fluere* (to flow) → **Old French** → English “superfluous”
- **Synonym + Antonym:**
 - **Synonyms:** Redundant, Excessive, Unnecessary, Extraneous
 - **Antonyms:** Necessary, Essential, Required
- **Connotation:** Slightly negative; often used in critical or minimalistic contexts.
- **Pictorial Scenario:** A resume with five pages full of irrelevant personal information like favorite color, movie, pet’s name, etc.

- **Use in Non-Fiction (100 words max.):**

In technical writing, being concise is vital. Superfluous details can dilute core ideas and distract the reader. Whether it's excess data in a report or needless adjectives in a

paragraph, trimming down superfluous elements ensures clarity, relevance, and reader engagement. Simplicity often reflects sophistication.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  This paragraph contains superfluous information.
-  इस अनुच्छेद में अनावश्यक जानकारी है।
-  He gave a superfluous smile.
-  "Superfluous" is not typically used with facial expressions like "smile" — "forced" or "awkward" would fit better.

- **Example + Grammatical Explanation:**

-  *The report was cluttered with superfluous statistics that added no real value.*
(रिपोर्ट में अनावश्यक आँकड़े भरे थे जिनका कोई वास्तविक मूल्य नहीं था।)
-  Subject: *The report* + Verb: *was cluttered* (passive form of 'clutter') +
Prepositional Phrase: *with superfluous statistics*

- **Common Collocations:**

- Superfluous detail, superfluous content, superfluous comment, superfluous expense

- **My Statement:**

- The superfluous event came with a huge spending, albeit it was still a penny for them. ***
- The superfluous event involved huge expenditure, albeit it was just a penny for them.
- During the peak funding season, we saw a superfluous surge in hiring. ***
- There was a superfluous surge in hiring during peak funding season.
- Her superfluous jokes upsetted a lot of people which later backfired the comedian. ***
- Her superfluous jokes upset a lot of people, which later backfired on the comedian.
