Belligerent, Care for, Care about, Contention, Congregation

1. Belligerent (आक्रामक) (Adjective / Noun) (bə 'lɪdʒərənt) (Harsh tone)

- **Meaning (English):** Hostile and aggressive; engaged in war.
- **Meaning (Hindi):** आक्रामक या लड़ाई में शामिल।
- **Origin Flowchart & Etymology:**
 - Latin *belligerare* (to wage war) → ***bellum* (war) + *gerere* (to carry)** → Belligerent (English, late 16th century)
- **Synonym + Antonym:**
 - **Synonyms:** aggressive, hostile, combative
 - **Antonyms:** peaceful, calm, diplomatic
- **Connotation:** Negative / Harsh
- **Pictorial Scenario:** Two nations preparing for war with aggressive postures.

- **Use in Non-Fiction (in 100 words):**

Belligerent behavior is often cited in psychological profiles of aggressive individuals. In international relations, a belligerent nation is one that actively participates in warfare. Political commentators might use the term to describe a hostile stance in debates or

campaigns. Even in corporate culture, a belligerent approach to negotiation is discouraged as it reduces collaboration.

- **Correct and Incorrect Usage:**

- ✓ *His belligerent tone alienated everyone in the meeting.* (उसके आक्रामक लहजे ने बैठक में सभी को दूर कर दिया।)
- ✗ *He was very belligerenting about the topic.* (No -ing form for adjective use)

- **Word Hack of the Day:**

- Notice belligerent behavior—whether in others or yourself—and pause. Aggression rarely leads to resolution. Instead of escalating conflict, practice assertiveness with calm. Identify triggers that spark hostility and address them constructively. Shifting from a combative mindset to a collaborative one can transform both personal interactions and professional environments for the better.

- **Example + Grammar Breakdown:**

- *The belligerent protester refused to leave the premises.* (आक्रामक प्रदर्शनकारी परिसर छोड़ने से इनकार कर दिया।)

- **Grammar Breakdown:**

- S (Subject): The belligerent protester
- V (Verb – Transitive): refused
- O (Object – Infinitive Clause): to leave the premises
 - ↳ V (Verb – Phrasal, Intransitive): to leave
 - ↳ O (Object): the premises

- **Common Collocations:**

- belligerent nation, belligerent attitude, belligerent rhetoric

- **My Statement:**

- **(NOUN)**
 - We are trying to deal with belligerents, so we need to be careful.
 - I have encountered several belligerents in my life, and none of them have ever succeeded in getting their way.
 - The belligerents listen to no one but themselves, driven by personal bias.

- **(ADJECTIVE)**
 - You need to work on your belligerent attitude, otherwise you will face negative consequences in life.
 - The belligerent nations joined the war without consulting anyone, which further damaged their diplomatic relations.
 - Her belligerent nature was never admired by anyone, as observed.
- **My Notes:** [Leave as Placeholder]

2. Care for (देखभाल करना) (*Phrasal Verb*) (*kəə(r) fɔːr*) (*Warm tone*)

- **Meaning (English):** To look after someone or something; to provide help or attention.
- **Meaning (Hindi):** किसी की देखभाल करना या सहायता प्रदान करना।
- **Origin Flowchart & Etymology:**
 - Old English *carian* (be concerned) → "**Care**" + "**for**" (**purpose preposition**)
- **Synonym + Antonym:**
 - **Synonyms:** look after, tend, support
 - **Antonyms:** neglect, abandon
- **Connotation:** Positive / Caring
- **Pictorial Scenario:** A nurse **caring for** an elderly patient.

- **Use in Non-Fiction (in 100 words):**

“Care for” is commonly used in healthcare and family-related contexts. Nurses, parents, and caregivers **care for** others, reflecting nurturing and responsibility. Government policies that **care for** marginalized groups show ethical governance. It implies action-oriented support rather than just emotional concern.

- **Correct and Incorrect Usage:**

- ✓ *I care for my grandmother every evening.* (मैं हर शाम अपनी दादी की देखभाल करता हूँ।)
- ✗ *I care my grandmother.* (Missing 'for')

- **Word Hack of the Day:**

- Practice "care for" as a mindset, not just an action. Whether it's people, pets, or projects—nurture what truly matters. When you consistently care for your responsibilities and relationships, they thrive. Start small: care for your morning routine, your surroundings, your words. This quiet attentiveness builds lasting trust and personal growth.

- **Example + Grammar Breakdown:**

- *She cares for abandoned animals.* (वह छोड़े गए जानवरों की देखभाल करती है।)

- **Grammar Breakdown:**

- S (Subject): She
- V (Verb – Phrasal, Intransitive): cares for
- O (Object): abandoned animals

- **Common Collocations:**

- care for elderly, care for pets, care for patients

- **My Statement:**

- We should care for the elderly in our home, just as they did for us when we were children.
- He always cares for pets, as they give him immense pleasure.
- The nurse cares for patients as if they were her own family members.

- **My Notes:** [Leave as Placeholder]

3. Care about (मूल्य देना / चिंता करना) (*Phrasal Verb*) (*kɛə(r) ə 'baʊt*) (*Empathetic tone*)

- **Meaning (English):** To be emotionally concerned or interested in someone or something.
- **Meaning (Hindi):** किसी के बारे में भावना रखना या चिंता करना।
- **Origin Flowchart & Etymology:**
 - “Care” (Old English: *caru*) + “about” (Middle English: *abuten* – surrounding concern)
- **Synonym + Antonym:**
 - **Synonyms:** value, feel for, be concerned
 - **Antonyms:** disregard, be indifferent
- **Connotation:** Positive / Emotional
- **Pictorial Scenario:** A child showing concern when his friend is sad.

- **Use in Non-Fiction (in 100 words):**

“Care about” signals emotional involvement. People often **care about** social issues, climate change, or loved ones. Unlike “care for,” this phrase does not imply physical actions but internal concern or interest. In branding, companies claim to “care about” customer satisfaction to build loyalty.

- **Correct and Incorrect Usage:**

- ✓ *She cares about her students' future.* (वह अपने छात्रों के भविष्य की परवाह करती है।)
- ✗ *She cares her students' future.* (Missing 'about')

- **Word Hack of the Day:**

- “Care about” with intention. What you care about shapes your focus, time, and identity. Audit your concerns—are they worth the energy? Shift your care toward values, people, and causes that elevate you. When you truly care about something, your actions align naturally, creating purpose-driven momentum in everyday life.

- **Example + Grammar Breakdown:**

- *They care about sustainability and ethical sourcing.* (वे सततता और नैतिक स्रोतों की परवाह करते हैं।)
- **Grammar Breakdown:**
 - S (Subject): They
 - V (Verb – Phrasal, Intransitive): care about
 - O (Object): sustainability and ethical sourcing

- **Common Collocations:**

- care about issues, care about reputation, care about environment

- **My Statement:**

- We should care about issues in our life instead of just ignoring them.
- She always cared about her reputation, so she worked hard for it.
- You said you care about the environment, but the reality is completely different.

- **My Notes:** [Leave as Placeholder]

4. Contention (विवाद / संघर्ष) (Noun) (kən'tenʃən) (Formal/Neutral tone)

- **Meaning (English):** Disagreement, dispute, or a point argued in a debate.
- **Meaning (Hindi):** विवाद, झगड़ा, या बहस का विषय।
- **Origin Flowchart & Etymology:**
 - Latin *contentio* → **contendere (to strive, to contend)** → Old French → **English**
- **Synonym + Antonym:**
 - **Synonyms:** conflict, dispute, debate
 - **Antonyms:** agreement, consensus, peace
- **Connotation:** Formal; can be negative depending on context
- **Pictorial Scenario:** Two lawyers arguing in a courtroom over a point of contention.

- **Use in Non-Fiction (in 100 words):**

In academic or legal writing, “contention” refers to an argument or a debated point. A lawyer’s main **contention** may focus on inconsistencies in testimony. In research, scholars often present their **contentions** backed with data. The word is also used in politics when multiple parties present conflicting views.

- **Correct and Incorrect Usage:**

- ✓ *His main contention was that the data was flawed.* (उसका मुख्य तर्क यह था कि आंकड़े त्रुटिपूर्ण थे।)
- ✗ *He was contention with the facts.* (Incorrect noun use)

- **Word Hack of the Day:**

- Use “contention” wisely—it signals a strong belief, often in disagreement. Before stating your contention, ensure it’s grounded in logic, not just emotion. Frame it respectfully to invite dialogue, not conflict. In debates, well-articulated contentions can drive clarity and change. Mastering this sharpens both your reasoning and persuasive communication.

- **Example + Grammar Breakdown:**

- *It is my contention that the law needs revision.* (मेरा यह मत है कि कानून में संशोधन की आवश्यकता है।)
- **Grammar Breakdown:**
 - S (Subject): It
 - V (Verb – Linking): is
 - C (Complement – Noun Phrase): my contention
 - O (Object – Content Clause): that the law needs revision
 - ↳ S (Subject): the law
 - ↳ V (Verb – Transitive): needs
 - ↳ O (Object): revision

- **Common Collocations:**

- point of contention, source of contention, in contention

- **My Statement:**

- He raised a contention regarding the new rules established by the institution.
- The lawyer made a contention about misleading practices carried out by the opposing party.
- His contention was backed by a robust and clear source, which strengthened his position.

- **My Notes:** [Leave as Placeholder]

5. Congregation (सभा / समुदाय) (Noun) (,kɒŋɡrɪˈɡeɪʃən) (Neutral/Spiritual tone)

- **Meaning (English):** A group of people assembled for religious worship or gathering.
- **Meaning (Hindi):** धार्मिक या सामाजिक सभा; एकत्रित लोग।
- **Origin Flowchart & Etymology:**
 - Latin *congregare* (to gather) → **con-** (together) + **greg-** (flock) → English
- **Synonym + Antonym:**
 - **Synonyms:** assembly, gathering, audience
 - **Antonyms:** solitude, dispersion, isolation
- **Connotation:** Neutral or spiritual
- **Pictorial Scenario:** People gathered in a church for Sunday prayers.

- **Use in Non-Fiction (in 100 words):**

In religion, a **congregation** refers to the group attending a service. Sociologically, it can describe people assembled for a cause. Modern usage includes both physical gatherings and virtual congregations in digital events. Leaders often address their **congregation** with sermons or speeches aimed at moral or spiritual upliftment.

- **Correct and Incorrect Usage:**

- ✓ *The pastor addressed the congregation with hope.* (पादरी ने आशा के साथ मंडली को संबोधित किया।)
- ✗ *He talked with the congregation alone.* (Use “to” instead of “with” in this context)

- **Word Hack of the Day:**

- Recognize the power of a “congregation”—not just as a crowd, but as a collective united by purpose. Whether in meetings, communities, or shared goals, tap into the strength of coming together. Foster collaboration and respect within any group you’re part of. A strong congregation can amplify individual impact exponentially.

- **Example + Grammar Breakdown:**

- *A large congregation gathered to hear the leader.* (एक बड़ा जमावड़ा नेता को सुनने के लिए इकट्ठा हुआ।)
- **Grammar Breakdown:**
 - S (Subject): A large congregation
 - V (Verb – Intransitive): gathered
 - O (Object – Infinitive Clause of Purpose): to hear the leader
 - ↳ V (Verb – Transitive): to hear
 - ↳ O (Object): the leader

- **Common Collocations:**

- church congregation, address a congregation, diverse congregation

- **My Statement:**

- He organized a congregation in support of a cause.
- The temple congregation included people from all around the world.
- We were looking for a senior person to address the congregation with maturity.

- **My Notes:** [Leave as Placeholder]
