Excelled, Stifle, Whipping, Garnered, Meanwhile

1. Excelled (उत्कृष्ट प्रदर्शन करना) (Verb) (ex-CELD) (Tone: Positive)

- **Meaning (English):** To do something very well or be exceptionally good at it.
- **Meaning (Hindi):** किसी कार्य में बहुत अच्छा प्रदर्शन करना या उत्कृष्ट होना।
- **Origin Flowchart & Etymology:**
 - Latin *excellere* (to rise, surpass) → **Old French *exceller*** → Middle English *excel* → **Past form: *excelled***
- **Synonym + Antonym:**
 - **Synonyms:** Outperformed, Surpassed, Triumphed
 - **Antonyms:** Failed, Underperformed
- **Connotation:** Strongly positive – shows competence, success
- **Pictorial Scenario:** A student holding a medal on stage while others applaud.

- **Use in Non-Fiction (100 words):**

In academic circles, it's not just intelligence but consistent effort that defines success. Students who *excelled* in their respective fields often demonstrated a pattern of discipline, time management, and focus. A science student who worked diligently on

research papers and participated in intercollegiate competitions eventually gained recognition. These students *excelled* not by shortcuts but through continuous refinement of their skills. Institutions often cite these individuals in annual reports as examples of excellence and persistence.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  *She excelled in mathematics.* (उसने गणित में उत्कृष्ट प्रदर्शन किया।)
-  *She is excelled in mathematics.* (Tense misuse – "is" not needed with past verb.)

- **Example + Low-Level Grammatical Structure:**

- He excelled in every subject he took. (वह जिस भी विषय को चुनता, उसमें उत्कृष्ट प्रदर्शन करता था।)
- **Grammar Breakdown:**
 - *He* (subject, pronoun)
 - *excelled* (main verb, past simple)
 - *in every subject he took* (prepositional phrase + noun clause as object modifier)

- **Common Collocations:**

- Excelled in academics, Excelled at sports, Excelled beyond expectations

- **My Statement:**

- He excelled in everything he chose.
- With consistent effort and intelligence, we can excel at anything.
- She excelled in her exams with top marks. ***
- She excelled in her exams, scoring top marks.

- **My Notes:**

- **"Excel at" vs. "Excel in":**
 - Use "excel at" for skills or general activities (e.g., excel at writing).
 - Use "excel in" for specific fields or subjects (e.g., excel in mathematics).

2. Stifle (दबाना / रोकना) (Verb) (STAI-fuhl) (Tone: Restrictive or Negative)

- **Meaning (English):** To restrain or suppress something; to prevent or hold back.
- **Meaning (Hindi):** किसी चीज को दबाना, रोकना या दम घोटना।
- **Origin Flowchart & Etymology:**
 - Middle English *stiflen* (to choke or suffocate) → **Possibly related to *stiff***
- **Synonym + Antonym:**
 - **Synonyms:** Suppress, Restrain, Muffle
 - **Antonyms:** Express, Release, Encourage
- **Connotation:** Slightly negative – implies restriction or choking of growth/emotion
- **Pictorial Scenario:** A person covering someone's mouth, stopping them from speaking.

- **Use in Non-Fiction (100 words):**

Many organizations unintentionally *stifle* creativity by enforcing rigid hierarchies. Employees hesitate to share innovative ideas due to fear of criticism or lack of acknowledgment. When the atmosphere becomes overly structured and risk-averse, growth slows down. Leaders must ensure that policies don't *stifle* honest communication. Instead, they should design systems that encourage exploration, safe failures, and learning. Companies that avoid stifling autonomy often emerge as innovation leaders.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  *Don't stifle your emotions.* (अपनी भावनाओं को मत दबाओ।)
-  *He stifles to cry.* (Wrong form – should be *stifles his cry* or *tries not to cry*)

- **Example + Low-Level Grammatical Structure:**

- The boss tried to stifle dissent among employees. (बॉस ने कर्मचारियों के बीच असहमति को दबाने की कोशिश की।)
- **Grammar Breakdown:**
 - *The boss* (subject)
 - *tried to stifle* (verb phrase: past + infinitive)
 - *dissent among employees* (noun phrase + prepositional modifier)

- **Common Collocations:**

- Stifle creativity, Stifle a laugh, Stifle innovation

- **My Statement:**

- Society tries to stifle individual interest by enforcing predefined routes to follow because they are considered safe. ***
- Society often stifles individual interests by enforcing predefined paths deemed "safe" to follow.
- One must avoid being stifled by people who never wanted them to grow. ***
- One must avoid being stifled by those who never wished to see them grow.
- Government stifles the media in many ways to control the narrative. ***
- The government stifles the media in various ways to control the narrative.

- **My Notes:** [Leave as Placeholder]

3. Whipping (मार / पिटाई / तेज़ी से हारना) (Noun/Verb) (WHIP-ping) (Tone: Forceful/Negative or Emphatic)

- **Meaning (English):**
 - **(Noun)** The act of beating or punishment.
 - **(Informal Verb/Noun)** A strong defeat or overwhelming win.
- **Meaning (Hindi):**
 - **(Noun)** कोड़े मारना, पिटाई करना।
 - **(Figurative)** ज़बरदस्त हार।
- **Origin Flowchart & Etymology:**
 - Old English *hwippian* (to strike or lash) → **whip + -ing (continuous form or noun)**
- **Synonym + Antonym:**
 - **Synonyms:** Beating, Thrashing, Pummeling
 - **Antonyms:** Victory (if used for loss), Reward, Mercy
- **Connotation:** Strongly negative (when physical); Informally emphatic (in sports or debate)
- **Pictorial Scenario:** A boxer knocked down after taking a heavy whipping in the ring.

- **Use in Non-Fiction (100 words):**

In politics and sports, the term *whipping* is often used metaphorically. A candidate may receive a whipping in elections if the public sentiment strongly turns against them. In democratic governments, the party “whip” also refers to the official enforcing voting discipline. The term has evolved from its original meaning of physical punishment to reflect metaphorical defeat or discipline. It’s critical to distinguish between these uses to maintain context-sensitive communication.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  *They took a whipping in the finals.* (उन्हें फाइनल में ज़बरदस्त हार का सामना करना पड़ा।)
-  *He is whipping by the teacher.* (Incorrect tense/form – should be *whipped by*)

- **Example + Low-Level Grammatical Structure:**

- The team received a whipping from their rivals. (टीम को अपने प्रतिद्वंद्वियों से करारी हार का सामना करना पड़ा।)
- **Grammar Breakdown:**
 - *The team* (subject)
 - *received* (past verb)
 - *a whipping* (noun phrase, object)
 - *from their rivals* (prepositional phrase, source)

- **Common Collocations:**

- Severe whipping, Public whipping (historical), Took a whipping (informal)

- **My Statement:**

- **(NOUN)**
 - A lot of whipping goes in the match which seems deadly to a dew. ***
 - There was a lot of whipping in the match, which seemed deadly to a viewer.
 - Let’s talk about how they are whipping our soldiers and what we should do next. ***
 - Let’s discuss how our soldiers are being whipped and what steps we should take next.
 - The muscular man started whipping the contestant in the arena. ***
 - The muscular man began whipping the contestant in the arena.

- **(VERB)**

- Someone was whipping him in the garden and later ran away as we reached. ***
- Someone was whipping him in the garden but ran away as we arrived.
- You were whipping him so badly that his muscles were severely damaged. ***
- You were whipping him so badly that his muscles got severely damaged.
- He had been whipping him for years and no one interfered. ***
- He had been whipping him for years, and no one ever interfered.

- **My Notes:** [Leave as Placeholder]

4. Garnered (प्राप्त किया / इकट्ठा किया) (Verb) (GAR-nerd) (Tone: Formal/Positive)

- **Meaning (English):** To gather or collect, often used for praise, support, or attention.
- **Meaning (Hindi):** एकत्र करना, अर्जित करना (जैसे: समर्थन, प्रशंसा)
- **Origin Flowchart & Etymology:**
 - Latin *granarium* (storehouse for grain) → Old French *gerner* → English *garner* → **garnered** (past tense)
- **Synonym + Antonym:**
 - **Synonyms:** Collected, Accumulated, Acquired
 - **Antonyms:** Scattered, Lost, Ignored
- **Connotation:** Neutral to positive depending on context
- **Pictorial Scenario:** A person collecting votes or praise with a basket labeled “Support.”

- **Use in Non-Fiction (100 words):**

Over time, the professor *garnered* tremendous respect in academic circles for his revolutionary work in biotechnology. He had published over a hundred papers, most of which were cited globally. His contributions *garnered* not only attention but also substantial funding for future research. Institutions rely on individuals who can *garner*

support both within the academic community and in the public domain. This form of respect isn't given freely; it results from years of diligent work.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  *She garnered support from all communities.* (उसने सभी समुदायों से समर्थन प्राप्त किया।)
-  *He garner attention last year.* (Wrong tense – should be *garnered*)

- **Example + Low-Level Grammatical Structure:**

- The campaign garnered attention across the nation. (इस अभियान ने पूरे देशभर में ध्यान आकर्षित किया।)
- **Grammar Breakdown**
 - *The campaign* (subject)
 - *garnered* (past simple verb)
 - *attention* (direct object)
 - *across the nation* (prepositional phrase)

- **Common Collocations:**

- Garnered support, Garnered praise, Garnered attention

- **My Statement:**

- With all efforts, we garnered trust from our users which helped us to strengthen our services. ***
- With consistent effort, we garnered trust from our users, which helped us strengthen our services.
- The doctor garnered respect after serving for 20 years. ***
- The doctor garnered respect after 20 years of dedicated service.
- The influencer garnered likes from all over the world, all because of the effort put into making the content. ***
- The influencer garnered likes from around the world due to the effort put into creating content.

- **My Notes:** [Leave as Placeholder]

5. Meanwhile (इस दौरान) (Adverb) (MEEN-while) (Tone: Neutral)

- **Meaning (English):** At the same time or during the same period; in contrast to something else happening.
- **Meaning (Hindi):** इस बीच / इसी समय
- **Origin Flowchart & Etymology:**
 - Middle English → **from *mean* + *while* (period/time)**
- **Synonym + Antonym:**
 - **Synonyms:** Simultaneously, In the interim, At the same time
 - **Antonyms:** Afterwards, Beforehand
- **Connotation:** Neutral, transitional
- **Pictorial Scenario:** One person reading a book while another is cooking – events happening side-by-side.

- **Use in Non-Fiction (100 words):**

The economy showed signs of recovery in the first quarter. *Meanwhile*, the job market remained sluggish. Such disparities highlight the uneven impact of economic reforms. It's important for policymakers to track progress across sectors simultaneously. *Meanwhile* is a useful adverb in professional writing to contrast parallel developments

without implying causality. Writers often use it to keep two narratives balanced or to introduce subplots in literature and journalism.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  *She worked in the office. Meanwhile, her son prepared for exams.* (वह ऑफिस में काम कर रही थी। इस बीच उसका बेटा परीक्षा की तैयारी कर रहा था।)
-  *He meanwhile is working.* (Incorrect position – adverb not integrated properly)

- **Example + Low-Level Grammatical Structure:**

- The teacher explained the lesson. Meanwhile, students took notes. (शिक्षक ने पाठ समझाया। इस दौरान, छात्र नोट्स ले रहे थे।)
- **Grammar Breakdown:**
 - Two independent clauses
 - *Meanwhile* (adverb linking two parallel actions)

- **Common Collocations:**

- Meanwhile back at home, Meanwhile in the news, Meanwhile the situation worsened

- **My Statement:**

- The rich individuals were partying in their villas. Meanwhile, a destitute was struggling to arrange his one time meal. ***
- The rich were partying in their villas. Meanwhile, a destitute man was struggling to arrange a single meal.
- Some students were struggling to get their jobs. Meanwhile, some got their family business and were chill in their life. ***
- Some students were struggling to find jobs. Meanwhile, others inherited family businesses and lived comfortably.
- The internet was barely running in one room. Meanwhile, in another room, the same internet speed was tremendous. ***
- The internet was barely working in one room. Meanwhile, in another, the same connection had excellent speed.
