Persecution, Buoyed, Undeterred, Mutiny, Proponent

1 Persecution (उत्पीड़न / अत्याचार) (Noun) (per-suh-kyoo-shuhn) (Tone: Negative / Serious)

- **Meaning (English):** Hostile treatment, especially due to race, religion, or beliefs.
- **Meaning (Hindi):** किसी व्यक्ति या समूह के साथ शत्रुतापूर्ण व्यवहार, विशेषकर धर्म, जाति या विचारों के कारण।
- **Origin Flowchart & Etymology:**
 - Latin *persecutio* ("to pursue persistently") → Old French *persécuter* → Middle English *persecution*
- **Synonym + Antonym:**
 - **Synonym:** Oppression, Victimization
 - **Antonym:** Protection, Tolerance
- **Connotation:** Strongly negative
- **Pictorial Scenario:** A minority group facing religious persecution under a regime.

- **Use in Non-Fiction (in 100 words):**

Persecution has shaped human history, from ancient times to modern political regimes. Religious and ideological persecution often drives migration, reforms, and global

movements advocating for rights. Writers and historians document these patterns to raise awareness about the necessity of tolerance and the perils of prejudice in governance and society.

- **Correct and Incorrect Usage:**

-  Thousands fled the country to escape religious persecution. (हजारों लोग धार्मिक उत्पीड़न से बचने के लिए देश छोड़ गए।)
-  He faced persecution of his studies. (Incorrect; the word applies to people or groups, not abstract things like studies.)

- **Word Hack of the Day (in 50 words):**

- Guard your individuality against persecution by staying rooted in your principles. When faced with criticism or bias, let resilience be your armor and empathy your compass. Don't let opposition silence your beliefs—transform hostility into fuel for growth. True strength emerges when you defend your truth without impugning others.

- **Example + Breakdown:**

- The activists faced persecution for their beliefs. (कार्यकर्ताओं को अपने विश्वासों के कारण उत्पीड़न का सामना करना पड़ा।)
- **Grammar Breakdown:**
 - S (Subject): The activists
 - V (Verb – Transitive): faced
 - O (Object): persecution
 - (Adverbial Phrase of Reason): for their beliefs

- **Common Collocations:**

- religious persecution, political persecution, face persecution

- **My Statement:**

- The persecution of religious minorities was abolished after the enactment of Article 15.
- Only new reforms can help end the persecution of innovators and give them a proper platform.
- One out of ten individuals is a victim of religious persecution in this country.

2 Buoyed (प्रेरित / उत्साहित) (Adjective / Past Participle) (boid) (Tone: Positive / Uplifting)

- **Meaning (English):** Kept afloat or encouraged; inspired or uplifted.
- **Meaning (Hindi):** प्रेरित या उत्साहित किया गया।
- **Origin Flowchart & Etymology:**
 - Middle English *boye* ("float") → **French *bouée*** → buoy → **buoyed**
- **Synonym + Antonym:**
 - **Synonym:** Encouraged, Energized
 - **Antonym:** Discouraged, Disheartened
- **Connotation:** Positive and motivating
- **Pictorial Scenario:** A team buoyed by success after months of failure.

- **Use in Non-Fiction (in 100 words):**

Leaders and innovators are often buoyed by early wins, which reinforce confidence and team morale. Positive feedback loops play a vital role in sustaining motivation. In management studies, being buoyed by progress helps organizations withstand setbacks and align toward long-term objectives with renewed enthusiasm and stability.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  **Correct:** The team was *buoyed* by the positive feedback. (टीम सकारात्मक प्रतिक्रिया से उत्साहित हुई।)
-  **Incorrect:** The team *buoyed up* by the positive feedback. (यह गलत है क्योंकि “buoyed” स्वयं पूर्ण क्रिया रूप है; “up” अनावश्यक है।)

- **Word Hack of the Day (in 50 words):**

- Keep your spirit buoyed by acknowledging small wins instead of waiting for big breakthroughs. Each positive gesture, compliment, or bit of progress acts as a buoy in turbulent waters—keeping you afloat when challenges rise. Stay uplifted through gratitude and self-belief; they’re the anchors of emotional resilience.

- **Example + Breakdown:**

- *The team was buoyed by the positive feedback.* (टीम सकारात्मक प्रतिक्रिया से उत्साहित हुई।)
- **Grammar Breakdown:**
 - S (Subject): The team
 - V (Verb – Transitive, Passive Voice): was buoyed
 - O (Object): — (None; verb in passive form)
 - (Prepositional Phrase of Agent/Cause): by the positive feedback

- **Common Collocations:**

- buoyed by success, buoyed by hope, buoyed spirits

- **My Statement:**

- **(ADJECTIVE)**
 - In the competition, the spirits of team members were buoyed throughout the hall.
 - He always wanted to build a buoyant stand for himself.
 - His buoyant character was well established in the industry.
- **(VERB)**
 - He is buoyed by success after his debut in a blockbuster film.
 - She is buoyed by hope after reaching the pinnacle of her field.
 - All the fans were buoyed by excitement when their team won the finals.

3 Undeterred (अविचल / न डरा हुआ) (Adjective) (uhn-di-turd) (Tone: Positive / Resilient)

- **Meaning (English):** Not discouraged or prevented by difficulties or setbacks.
- **Meaning (Hindi):** जो कठिनाइयों से हतोत्साहित या डरा नहीं।
- **Origin Flowchart & Etymology:**
 - Latin *detertere* ("to frighten away") → **English *deter*** → undeterred (not deterred)
- **Synonym + Antonym:**
 - **Synonym:** Persistent, Resolute
 - **Antonym:** Discouraged, Deterred
- **Connotation:** Positive and strong
- **Pictorial Scenario:** A runner continues despite the rain and exhaustion.

- **Use in Non-Fiction (in 100 words):**

Undeterred individuals form the backbone of progress. Every major breakthrough comes from someone who ignored criticism, faced failure, and persisted anyway. In social movements, leadership, and innovation, being undeterred often defines success. It is less about skill and more about grit and mental resilience against uncertainty.

- **Correct and Incorrect Usage:**

-  She remained undeterred despite the obstacles. (बाधाओं के बावजूद वह अविचल रही।)
-  She was undeterred to go. (Incorrect; use “in” or “by,” not “to.”)

- **Word Hack of the Day (in 50 words):**

- Stay undeterred when obstacles block your way. Every rejection, delay, or failure is a lesson in disguise. Refuse to let temporary setbacks define your resolve. Channel your focus, refine your approach, and persist with quiet confidence. The path may be tough, but perseverance always clinches the ultimate victory.

- **Example + Breakdown:**

- He continued undeterred after multiple rejections. (कई अस्वीकृतियों के बाद भी वह अविचल रहा।)
- **Grammar Breakdown:**
 - S (Subject): He
 - V (Verb – Intransitive): continued
 - O (Object): — (None; verb is intransitive)
 - (Adverbial Phrase of Manner): undeterred
 - (Adverbial Phrase of Time): after multiple rejections

- **Common Collocations:**

4 Mutiny (विद्रोह / बगावत) (Noun) (myoo-tuh-nee) (Tone: Negative / Rebellious)

- **Meaning (English):** Open rebellion against authority, especially by soldiers or sailors.
- **Meaning (Hindi):** अधिकार या सत्ता के विरुद्ध विद्रोह, विशेषकर सैनिकों या नाविकों द्वारा।
- **Origin Flowchart & Etymology:**
 - Latin *movēre* ("to move") → **French *mutiner*** ("to revolt") → English *mutiny*
- **Synonym + Antonym:**
 - **Synonym:** Rebellion, Revolt
 - **Antonym:** Obedience, Submission
- **Connotation:** Negative (context-dependent: sometimes noble)
- **Pictorial Scenario:** Soldiers refusing to obey their commanding officer.

- **Use in Non-Fiction (in 100 words):**

Mutiny symbolizes organized resistance within structured systems. From naval uprisings to modern corporate revolts, it reflects the breakdown of authority. Historians study mutinies to understand morale, hierarchy, and governance. While destructive in some cases, certain mutinies have paved the way for reforms and justice-driven revolutions.

- **Correct and Incorrect Usage:**

-  The crew staged a mutiny against their captain. (दल ने अपने कप्तान के खिलाफ विद्रोह किया।)
-  The workers made a mutiny of the project. (Incorrect; “mutiny” applies to authority or leadership, not abstract tasks.)

- **Word Hack of the Day (in 50 words):**

- Channel mutiny not through rebellion against authority, but through bold defiance of complacency. When routines grow stale or unjust systems restrict growth, dare to challenge them with purpose. Constructive mutiny means leading change with reason, not rage—transforming dissatisfaction into progress while keeping integrity firmly anchored at the helm.

- **Example + Breakdown:**

- The sailors led a mutiny against the captain. (नाविकों ने कप्तान के खिलाफ विद्रोह किया।)
- **Grammar Breakdown:**
 - S (Subject): The sailors
 - V (Verb – Transitive): led
 - O (Object): a mutiny
 - (Prepositional Phrase of Opposition): against the captain

- **Common Collocations:**

- stage a mutiny, naval mutiny, mutiny against authority

- **My Statement:**

- The event of the naval mutiny is still vivid in their minds, and now they will think twice before oppressing us.
- The authority enforced strict rules to deal with mutiny.
- After a week of discussion, an announcement was finally made on the radio to stage a mutiny against British officials.

5 **Proponent (समर्थक / पक्षधर) (Noun) (pro-po-nuhnt) (Tone: Positive / Assertive)**

- **Meaning (English):** A person who supports or advocates a particular idea or cause.
- **Meaning (Hindi):** वह व्यक्ति जो किसी विचार या उद्देश्य का समर्थन करता है।
- **Origin Flowchart & Etymology:**
 - Latin *proponere* (“to put forward”) → **English *proponent***
- **Synonym + Antonym:**
 - **Synonym:** Advocate, Supporter
 - **Antonym:** Opponent, Critic
- **Connotation:** Positive
- **Pictorial Scenario:** A climate activist speaking passionately at a rally.

- **Use in Non-Fiction (in 100 words):**

Every reform movement needs proponents—those who argue, educate, and mobilize others. Proponents turn ideas into actionable change through persuasion and persistence. Whether in law, science, or social causes, being a proponent means not just believing in something, but actively driving its realization in society.

- **Correct and Incorrect Usage:**

-  She is a strong proponent of women's rights. (वह महिलाओं के अधिकारों की प्रबल समर्थक है।)
-  He is a proponent against technology. (Incorrect; "proponent" aligns with supporting, not opposing.)

- **Word Hack of the Day (in 50 words):**

- Be a proponent of ideas that uplift and innovate. Support what aligns with your values, not just what's popular. True proponents don't just agree—they advocate, educate, and inspire others to act. Let your conviction be informed by reason and empathy, turning belief into meaningful, lasting impact.

- **Example + Breakdown:**

- He is a passionate proponent of renewable energy. (वह नवीकरणीय ऊर्जा का उत्साही समर्थक है।)
- **Grammar Breakdown:**
 - S (Subject): He
 - V (Verb – Linking): is
 - **C (Complement – Noun Phrase): a passionate proponent of renewable energy**
 - ↳ Head Noun: proponent
 - ↳ Modifier (Adjective): passionate
