3 Veil (घूंघट / ढकना) (Noun/Verb) (veil) (Neutral/Formal)

- **Meaning (English):** A covering used to conceal, hide, or obscure something.
- **Meaning (Hindi):** ढकने या छिपाने के लिए उपयोग की जाने वाली चीज़।
- **Synonym + Antonym:**
 - **Synonym:** Cover, Conceal
 - **Antonym:** Reveal, Expose
- **Connotation:** Neutral
- **Pictorial Scenario:** A bride wearing a veil that partially covers her face.

- **Use in Non-Fiction (in 100 words):**

The concept of a veil extends beyond its physical meaning and is often used metaphorically in various contexts. In cultural traditions, a veil may symbolize modesty, privacy, or ceremonial significance. In literature and communication, the term is used to describe anything that conceals truth or obscures clarity. For instance, misinformation can act as a veil that prevents individuals from understanding reality. In professional settings, lack of transparency may create a veil over organizational processes. Removing such veils is essential for promoting trust, clarity, and effective decision-making in both personal and institutional environments.

- **Correct and Incorrect Usage:**

- ✓ She wore a veil during the ceremony. (उसने समारोह में घूंघट पहना।)
