Redactions, Spurred, Uphold

Redactions (संशोधन) (Noun) (Re-dac-tions) (Neutral Tone)

- **Meaning of word (English):** The act of editing or censoring text for clarity, confidentiality, or appropriateness.
- **Meaning of word (Hindi):** किसी दस्तावेज़ से गोपनीय या अनुपयुक्त जानकारी हटाने या संपादित करने की प्रक्रिया।
- **Origin & Etymology:** From Latin *redigere* (to bring back, reduce), later evolving into *redactio* (bringing into form).
- **Synonym + Antonym:**
 - **Synonyms:** Editing, Censorship, Revision
 - **Antonyms:** Disclosure, Revelation, Uncensored text
- **Connotation:** Neutral; can be negative when associated with excessive censorship.

- **Use in Non-Fiction (300 words max.):**

Redactions play a crucial role in legal, journalistic, and governmental documents. Classified information in intelligence reports often undergoes redaction to protect national security. Similarly, court documents may be redacted to ensure anonymity and privacy. However, excessive redaction can lead to criticism, as it may obscure vital information from the public. The balance between transparency and confidentiality remains a key challenge in the ethical use of redactions.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**
 -  *The report contained several redactions to protect personal identities.* (रिपोर्ट में व्यक्तिगत पहचान सुरक्षित रखने के लिए कई संशोधन किए गए थे।)
 -  *She redactions the paper to make it longer.* (उसने पेपर को लंबा बनाने के लिए संशोधन किया।) → Incorrect because “redactions” refer to removing or censoring content, not expanding it.
 - **Example (English + Hindi Equivalent):**
The government released the document with heavy redactions.
 (सरकार ने दस्तावेज़ को भारी संशोधनों के साथ जारी किया।)
 - **Detailed Low-Level Grammatical Structure Explanation of the Example:**
 - *The government* → Subject (Noun)
 - *released* → Past Verb (Main Verb)
 - *the document* → Object (Noun)
 - *with heavy redactions* → Prepositional Phrase (Describes how the document was released)
 - **My Statement:**
 - The document was published after numerous redactions eliminating confidential information. ***
 - The document was published after numerous redactions, eliminating confidential information.
 - The film board decided for the redaction of some of the parts of the movie before providing it an A certification. ***
 - The film board decided on the redaction of some parts of the movie before granting it an A certification.
 - The Exam setter did some redaction to replace extremely hard questions with medium ones. ***
 - The exam setter made some redactions to replace extremely hard questions with medium ones.
 - **My Notes:**
 - "Did some redaction" → "Made some redactions" (more appropriate phrasing).

Spurred (प्रेरित किया) (Verb) (Spurred) (Positive Tone)

- **Meaning of word (English):** To encourage or accelerate an action or process.
- **Meaning of word (Hindi):** किसी कार्य या प्रक्रिया को तेज़ या प्रेरित करना।
- **Origin & Etymology:** Derived from Old English *spura*, meaning "a device used to urge horses forward." Later evolved metaphorically to mean "to drive forward."
- **Synonym + Antonym:**
 - **Synonyms:** Encouraged, Prompted, Propelled
 - **Antonyms:** Discouraged, Hindered, Suppressed
- **Connotation:** Positive; implies motivation or progress.

- **Use in Non-Fiction (300 words max.):**
 Innovation in technology is often spurred by competition and necessity. For example, the rapid development of artificial intelligence was spurred by the increasing demand for automation in industries. Similarly, social movements are spurred by public outcry against injustice. This word is frequently used in business, science, and history to describe the driving force behind significant advancements.
- **Correct and Incorrect Usage (English + Hindi Equivalent):**
 - ☒ *The economic crisis spurred policy changes.* (आर्थिक संकट ने नीति परिवर्तनों को प्रेरित किया।)
 - ☐ *He spurred the door open.* (उसने दरवाजे को प्रेरित करके खोला।) → Incorrect because “spurred” implies motivation, not physical force.
- **Example (English + Hindi Equivalent):**
Her passion for education spurred her to start a school.
 (शिक्षा के प्रति उनके जुनून ने उन्हें एक स्कूल शुरू करने के लिए प्रेरित किया।)
- **Detailed Low-Level Grammatical Structure Explanation of the Example:**
 - *Her passion for education* → Subject (Noun Phrase)
 - *spurred* → Past Verb (Main Verb)
 - *her to start a school* → Object (Noun Phrase with Infinitive Clause)
- **My Statement:**
 - His grandfather spurred him to take horse riding lessons when he was on a vacation. ***
 - His grandfather spurred him to take horse riding lessons while he was on vacation.

- Her mother spurred her daughter to take admission in one of the prestigious institutions for her higher studies. ***
 - Her mother spurred her to take admission into one of the prestigious institutions for her higher studies.
 - Despite numerous setbacks, he spurred his friend to take part in the next racing competition. ***
 - Despite numerous setbacks, he spurred his friend to take part in the next racing competition.
 - **My Notes:**
 - "Take admission in" → "Take admission into" (correct preposition usage).

Uphold (बनाए रखना) (Verb) (Up-hold) (Positive Tone)

- **Meaning of word (English):** To maintain or defend a principle, law, or tradition.
- **Meaning of word (Hindi):** किसी सिद्धांत, कानून, या परंपरा को बनाए रखना या उसका समर्थन करना।
- **Origin & Etymology:** From Old English *uphælden*, meaning "to support or sustain," combining *up* (higher) and *hold* (to keep steady).
- **Synonym + Antonym:**
 - **Synonyms:** Support, Maintain, Defend
 - **Antonyms:** Abandon, Weaken, Undermine
- **Connotation:** Positive; associated with integrity and responsibility.

- **Use in Non-Fiction (300 words max.):**

Justice systems are built upon the responsibility to uphold laws and ethical standards. In democratic societies, courts uphold constitutional rights, ensuring that justice prevails. Similarly, organizations uphold values such as honesty and inclusivity to maintain trust. The ability to uphold principles in the face of adversity is a key trait of strong leadership.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  *The judge upheld the verdict after reviewing the evidence.* (न्यायाधीश ने साक्ष्यों की समीक्षा करने के बाद निर्णय को बनाए रखा।)
-  *He upheld the chair on the table.* (उसने कुर्सी को मेज पर बनाए रखा।) → Incorrect because “uphold” refers to abstract principles, not physical objects.

- **Example (English + Hindi Equivalent):**

The constitution upholds the fundamental rights of citizens.

(संविधान नागरिकों के मौलिक अधिकारों को बनाए रखता है।)

- **Detailed Low-Level Grammatical Structure Explanation of the Example:**

- *The constitution* → Subject (Noun)
- *upholds* → Present Verb (Main Verb)
- *the fundamental rights of citizens* → Object (Noun Phrase)

- **My Statement:**

- The court upholds the decisions in the favour of the victim after listening to all assertions. ***
- The court upholds the decision in favor of the victim after listening to all assertions.
- The rules of the school upholds discipline and embraces integrity and creativity. ***
- The rules of the school uphold discipline and embrace integrity and creativity.
- The leader of an organization upholds the fundamental principles behind his empire. ***
- The leader of an organization upholds the fundamental principles behind his empire.

- **My Notes:** [Leave as Placeholder]

- **Metaphorical Interpretation:**

- Imagine a lighthouse standing tall in a storm—no matter how fierce the winds, it upholds its purpose, guiding lost ships to safety. In life, those who uphold principles act as lighthouses, providing clarity and direction amidst chaos.

- **Thought-Provoking Question:**

- What principles or values do you uphold in your life, even when it's inconvenient or difficult?
