Hatch, Buffet, Mogging, Encore, Dejected

1 Hatch (फूटना / योजना बनाना) (Verb / Noun) (hatch) (Neutral)

- **Meaning (English):**
 - **Verb:** to emerge from an egg; to plan or create something secretly.
 - **Noun:** an opening or covering; the act of emerging.
- **Meaning (Hindi):** अंडे से निकलना; गुप्त रूप से योजना बनाना; ढक्कन या दरवाज़ा।
- **Origin Flowchart & Etymology:**
 - Old English *hæcce* → **opening** → emergence → **modern hatch**
- **Synonym + Antonym:**
 - **Synonyms:** devise, emerge
 - **Antonyms:** suppress, abandon
- **Connotation:** Neutral; slightly strategic when used figuratively.
- **Pictorial Scenario:** A chick breaking its shell while two people secretly plan an idea.

- **Use in Non-Fiction (in 100 words):**

The verb *hatch* is commonly used in policy and strategy writing to describe the creation of ideas or plans. Governments, startups, and institutions often “hatch plans” after prolonged deliberation. In biology, the term refers to the emergence of young organisms

from eggs. The metaphorical sense emphasizes secrecy, incubation, and gradual development before execution.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

- ✓ They hatched a new strategy. (उन्होंने नई योजना बनाई।)
- ✗ They hatched a success. (उन्होंने सफलता फोड़ी।)

- **Word Hack of the Day (in 50 words):**

- Think of hatch as “bringing something into existence after preparation.” Ideas, plans, or habits need incubation before action. Don’t rush execution—give thoughts time to hatch properly. When ready, act decisively. This mindset helps you replace impulsive moves with intentional creation and better long-term outcomes.

- **Example (English + Hindi Equivalent):**

- *They hatched a secret plan.* (उन्होंने एक गुप्त योजना बनाई।)
- **Grammar Breakdown:**
 - S (Subject): They
 - V (Verb – Transitive): hatched
 - O (Object): a secret plan

- **Common Collocations:**

- hatch a plan, hatch an idea, hatch eggs

- **My Statement:**

- **NOUN**

- The hatch is very small and may restrict entry or exit.
- The hatch process will take longer than expected.
- The hatch is fragile and requires utmost care.

- **VERB**

- After a long period of planning, they finally hatched an idea and began executing it.
- The chick hatched during the warm summer months.
- The students developed their story and delivered it to the audience.

- **My Notes:**

-  **Key Usage Reminder for hatch (noun)**
 - **An opening/door (ship, aircraft, roof, tank)**
 - an emergency hatch
 - **The act/process of hatching (less common; usually hatching)**
 - the hatch was delayed (context-dependent)

2 Buffet (झटका देना / भोजन-पंक्ति) (Verb / Noun) (buf·fet) (Neutral)

- **Meaning (English):**
 - **Verb:** to strike repeatedly or forcefully.
 - **Noun:** a self-service meal arrangement.
- **Meaning (Hindi):** बार-बार ज़ोर से टकराना; स्वयं परोसा जाने वाला भोजन।
- **Origin Flowchart & Etymology:**
 - French *buffeter* (to strike) → **English *buffet***
- **Synonym + Antonym:**
 - **Synonyms:** batter, strike
 - **Antonyms:** soothe, protect
- **Connotation:** Neutral → negative when used as verb
- **Pictorial Scenario:** Strong winds buffeting a ship at sea.

- **Use in Non-Fiction (in 100 words):**

In journalism and analysis, *buffet* is used metaphorically to describe forces acting harshly on systems or individuals. Economies may be buffeted by inflation or shocks, while societies may be buffeted by crises. The term highlights pressure and instability rather than direct attack.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

- ✓ The ship was buffeted by strong winds. (जहाज़ तेज़ हवाओं से झकझोर दिया गया।)
- ✗ The ship buffeted the storm. (जहाज़ ने तूफ़ान को झकझोरा।)

- **Word Hack of the Day (in 50 words):**

- Think of buffet as repeated pressure from outside forces. When problems, opinions, or stress buffet you, pause instead of reacting blindly. Strength grows by staying steady under impact. Build habits that absorb shocks—clarity, routines, and boundaries—so external turbulence doesn't throw you off course.

- **Example (English + Hindi Equivalent):**

- *The economy was buffeted by rising inflation.* (अर्थव्यवस्था महँगाई से झकझोर दी गई।)
- **Grammar Breakdown:**
 - S (Subject): The economy
 - V (Verb – Passive, Transitive): was buffeted
 - O (Object): — (none in passive voice)
 - + **(Agent Phrase): by rising inflation**
 - ↳ Agent (doer): rising inflation

- **Common Collocations:**

- buffeted by winds, buffeted by crises

- **My Statement:**

- **NOUN**

- We have a large buffet at the party, so please enjoy!
- There are so many varieties at the buffet.
- People usually prefer buffets because they are more convenient.

- **VERB**

- The small boat was buffeted by rough seas.
- She has been buffeted by a series of crises in her life.
- Even if you keep buffeting him with demands and expectations, it doesn't mean he can do everything.

- **My Notes:** [Leave as Placeholder]

3 Mogging (अपमानित करना / नीचा दिखाना) (Verb – informal/slang) (mog·ging) (Negative / Slang)

- **Meaning (English):** Dominating or humiliating someone socially or psychologically.
- **Meaning (Hindi):** किसी को नीचा दिखाना या सामाजिक रूप से दबाना।
- **Origin Flowchart & Etymology:**
 - Slang (internet / UK) ← **mog (to dominate or outdo)**
- **Synonym + Antonym:**
 - **Synonyms:** humiliate, dominate
 - **Antonyms:** respect, uplift
- **Connotation:** Strongly negative; mocking or humiliating
- **Pictorial Scenario:** One person mocking another publicly to assert dominance.

- **Use in Non-Fiction (in 100 words):**

Mogging appears mainly in internet discourse and youth culture to describe dominance behavior. It often refers to subtle humiliation rather than physical harm. Though informal, the term reflects modern social dynamics around status, appearance, and power. It is unsuitable for formal academic writing but useful in sociolinguistic or cultural analysis.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

- ✓ He was mogging his teammate during the debate. (वह बहस में अपने साथी को नीचा दिखा रहा था।)

- ❌ He mogged success. (उसने सफलता को नीचा दिखाया।)

- **Word Hack of the Day (in 50 words):**

- Think of mogging as subtle domination through comparison or mockery. Instead of trying to feel superior by putting others down, redirect that energy toward self-improvement. Real confidence grows from progress, not comparison. Avoid mogging habits—they damage relationships and quietly erode your own credibility.

- **Example (English + Hindi Equivalent):**

- *He kept mogging others to feel superior.* (वह खुद को श्रेष्ठ महसूस करने के लिए दूसरों को नीचा दिखाता रहता था।)

- **Grammar Breakdown:**

- S (Subject): He
- V (Verb – Transitive, Continuous/Iterative): kept mogging
- O (Object): others
- + (Adverbial Phrase of Purpose): to feel superior

- **Common Collocations:**

- mogging others, social mogging

- **My Statement:**

- She still has the habit of mogging others.
- He started mogging his friends over a small inconvenience.
- She totally opposes mogging people, as it demotivates them.

- **My Notes:**

- ✅ **How verbs act as objects**

- 1 **Gerund (verb + -ing) — most common**

- A gerund is a verb acting as a noun, so it can be an object.

- **Examples:**

- She enjoys reading.
- He avoided answering the question.
- They discussed changing the plan.

- 📌 Here, reading / answering / changing are verbs in form, nouns in function.

○ **2 Infinitive (to + verb)**

- An infinitive can also act as an object.

- **Examples:**

- She wants to learn.
- He decided to leave early.
- They plan to expand the business.

○ **3 Bare verb? ❌ No**

- A verb in its base form cannot be an object by itself.

- ❌ She enjoys read.
- ❌ He avoided answer.

- **✓ Must be:**

- enjoys reading
- avoided answering

4 **Encore (दोबारा प्रस्तुति) (Noun / Interjection) (en·core) (Positive)**

- **Meaning (English):** A repeated or additional performance requested by an audience.
- **Meaning (Hindi):** दर्शकों की माँग पर दोबारा प्रस्तुति।
- **Origin Flowchart & Etymology:**
 - French *encore* (“again”) → **English**
- **Synonym + Antonym:**
 - **Synonyms:** repeat, reprise
 - **Antonyms:** finale, ending
- **Connotation:** Positive; appreciation
- **Pictorial Scenario:** Audience clapping and shouting for another song.

- **Use in Non-Fiction (in 100 words):**

Encore is used in performance studies and cultural commentary to describe audience approval. Beyond music, it is used metaphorically for repeated success. Politicians or artists may deliver an “encore performance” when demand remains strong. The term emphasizes approval rather than obligation.

- **Correct and Incorrect Usage:**

- ✓ The crowd demanded an encore. (दर्शकों ने दोबारा प्रस्तुति की माँग की।)
- ✗ The singer encored the audience. (गायक ने दर्शकों को एंकोर किया।)

- **Word Hack of the Day (in 50 words):**

- Think of encore as earned repetition. When your work creates real value, people naturally want more. Aim to perform so well that an “encore” is deserved, not demanded. Consistency, quality, and authenticity turn one good effort into repeated appreciation and lasting impact.

- **Example (English + Hindi Equivalent):**

- *The singer returned for an encore.* (गायक फिर से प्रस्तुति देने लौटा।)

- **Grammar Breakdown:**

- S (Subject): The singer
- V (Verb – Intransitive): returned
- O (Object): — (None; verb is intransitive)
- + (Adverbial Phrase of Purpose): for an encore

- **Common Collocations:**

- encore performance, demand an encore

- **My Statement:**

- **NOUN**

- The public demanded an encore from the artist.
- He delivered an encore performance for all of us.
- People like to demand an encore when the performance mesmerises them.

- **INTERJECTION**

- Encore!
- Encore! We want one more!
- That was a blast. Encore! Encore!

- **My Notes:**

- **Key Notes (important)**

- **Encore as an interjection is:**

- Shouted, not embedded in sentence grammar
- Used to demand a repeat performance

■ **Encore! (Interjection)**

- Encore! Encore! (shouted by the audience after a brilliant performance)
- The crowd rose to its feet, chanting, “Encore!”
- Encore! That performance was absolutely mesmerizing.

5 Dejected (हताश / निराश) (Adjective) (de·ject·ed) (Negative)

- **Meaning (English):** Sad or dispirited due to disappointment or failure.
- **Meaning (Hindi):** निराश या हतोत्साहित।
- **Origin Flowchart & Etymology:**
 - Latin *deicere* (to throw down) → **dejected**
- **Synonym + Antonym:**
 - **Synonyms:** discouraged, disheartened
 - **Antonyms:** hopeful, elated
- **Connotation:** Negative; emotional low
- **Pictorial Scenario:** A student sitting with head down after poor results.

- **Use in Non-Fiction (in 100 words):**

Dejected is often used in psychology, literature, and reporting to describe emotional response after failure or loss. It implies temporary discouragement rather than permanent despair. Writers use it to humanize experiences of rejection or disappointment without exaggeration.

- **Correct and Incorrect Usage:**

- ✓ She felt dejected after failing the exam. (वह परीक्षा में असफल होकर निराश हुई।)
- ✗ She dejected the exam result. (उसने परिणाम को निराश किया।)

- **Word Hack of the Day (in 50 words):**

- Think of dejected as a temporary emotional low after disappointment. Instead of resisting it, acknowledge the feeling and extract its lesson. Dejection signals unmet expectations, not failure. Use it as feedback to recalibrate effort, rebuild confidence, and return stronger with clearer direction.

- **Example (English + Hindi Equivalent):**

- *He looked dejected after the loss.* (वह हार के बाद निराश दिखा।)

- **Grammar Breakdown:**

- S (Subject): He
- V (Verb – Linking): looked
- O (Object): — (Linking verb → no object)
- + (Subject Complement – Adjective): dejected
- + (Adverbial Phrase of Time): after the loss

- **Common Collocations:**

- feel dejected, look dejected

- **My Statement:**

- She looked dejected after giving her performance.
- A dejected individual needs a lot of motivation and time to overcome that phase.
- Even though he feels dejected, internally he knows how to keep himself strong.
