Exhibiting, Nebulous, Devastated, Utterly, Alongside

1. Exhibiting (प्रदर्शित करना) (Verb) (ex-hib-it-ing) (Neutral/Formal)

- **Meaning (English):** Showing or displaying something clearly or publicly.
- **Meaning (Hindi):** किसी चीज़ को स्पष्ट रूप से या सार्वजनिक रूप से दिखाना या प्रदर्शित करना।
- **Origin Flowchart & Etymology:**
 - Latin *exhibere* (to present or display) → **Old French** *exhiber* → Middle English *exhibiten* → **Modern English** *exhibit* → Present participle *exhibiting*
- **Synonym + Antonym:**
 - **Synonym:** Demonstrating, Presenting
 - **Antonym:** Concealing, Hiding
- **Connotation:** Neutral; depends on context
- **Pictorial Scenario:** A scientist **exhibiting** a new invention at a global conference.

- **Use in Non-Fiction (100 words):**

In scientific publications, authors often focus on exhibiting the accuracy and reliability of experimental data. Exhibiting findings through charts, case studies, and statistics ensures clarity and helps validate results. Similarly, business reports exhibit company

growth by presenting key financial metrics. In journalism, exhibiting facts rather than opinion lends credibility to the article. Exhibiting data-driven insights is a cornerstone of modern nonfiction, whether in policy papers, research journals, or whitepapers.

- **Correct and Incorrect Usage:**

-  She is exhibiting signs of recovery. (वह सुधार के संकेत प्रदर्शित कर रही है।)
-  He is exhibiting the food well. (Incorrect – “exhibiting” is not used for serving food) (वह खाना “exhibit” नहीं करता, बल्कि परोसता है।)

- **Example + Grammar Breakdown:**

- The artist is exhibiting his work at the gallery. (कलाकार अपनी कला को गैलरी में प्रदर्शित कर रहा है।)
- **Grammar Breakdown:**
 - The artist – Subject
 - is exhibiting – Present continuous verb
 - his work – Object (noun phrase)
 - at the gallery – Prepositional phrase

- **Common Collocations:**

- Exhibiting symptoms, Exhibiting behavior, Exhibiting talent

- **My Statement:**

- She is exhibiting her project with her teammates.
- On this special occasion, we are going to exhibit our research to the world.
- People exhibit their talent on television shows by giving their consent. ***
- People exhibit their talent on television shows with prior consent.

- **My Notes:** [Leave as Placeholder]

2. Nebulous (अस्पष्ट) (Adjective) (neb-u-lous) (Abstract/Negative)

- **Meaning (English):** Vague or ill-defined; lacking clear form or limits.
- **Meaning (Hindi):** जो स्पष्ट या स्पष्ट रूप से परिभाषित न हो।
- **Origin Flowchart & Etymology:**
 - Latin *nebula* (mist, fog) → **Late Latin *nebulosus*** → Middle English → **Modern English *nebulous***
- **Synonym + Antonym:**
 - **Synonym:** Vague, Indistinct
 - **Antonym:** Clear, Defined
- **Connotation:** Negative (often implies confusion or uncertainty)
- **Pictorial Scenario:** A business strategy slide showing **nebulous** goals with no defined timeline.

- **Use in Non-Fiction (100 words):**

In academic and analytical writing, clarity is critical. Authors are often warned against nebulous arguments or vague theories that lack evidence. A nebulous hypothesis makes replication and validation difficult. In policy discourse, nebulous guidelines can lead to misinterpretation and ineffective implementation. Nonfiction aims to avoid nebulous

phrasing and instead push for precise terminology, especially in disciplines like law, economics, and science.

- **Correct and Incorrect Usage:**

-  The explanation was too nebulous to follow. (व्याख्या बहुत अस्पष्ट थी समझने के लिए।)
-  The wall color is nebulous. (Incorrect – “nebulous” is not for physical color choices.) (दीवार का रंग "nebulous" नहीं हो सकता।)

- **Example + Grammar Breakdown:**

- Her understanding of the topic was nebulous at best. (उसका विषय पर समझना बहुत ही अस्पष्ट था।)
- **Grammar Breakdown:**
 - Her understanding – Subject
 - was – Linking verb
 - nebulous – Predicate adjective
 - at best – Adverbial phrase (modifying "nebulous")

- **Common Collocations:**

- Nebulous idea, Nebulous plan, Nebulous explanation

- **My Statement:**

- They had a nebulous idea on that topic which shows their incompetence.
- They were trying to work on a nebulous concept, but over time they managed to achieve promising results. ***
- They had a nebulous idea about that topic, which shows their incompetence.
- Her nebulous explanation confused the students even more.

- **My Notes:** [Leave as Placeholder]

3. Devastated (विध्वंसग्रस्त/बहुत दुखी) (Adjective/Verb - past participle) (dev-a-sta-ted) (Emotional/Strong Negative)

- **Meaning (English):** Deeply shocked and saddened; also used to describe something destroyed or ruined.
- **Meaning (Hindi):** बहुत दुखी या पूरी तरह से नष्ट हो चुका।
- **Origin Flowchart & Etymology:**
 - Latin *devastare* (to lay waste) → Old French *devaster* → English *devastate* → Past participle **devastated**
- **Synonym + Antonym:**
 - **Synonym:** Heartbroken, Ruined
 - **Antonym:** Comforted, Intact
- **Connotation:** Highly emotional and negative
- **Pictorial Scenario:** A person crying beside the rubble of their home after a natural disaster.

- **Use in Non-Fiction (100 words):**

News reports frequently use “devastated” to describe victims’ emotional states following tragedies. For example, in conflict or disaster reporting, journalists might write, “The villagers were devastated after the flood destroyed their homes.” In psychology and

counseling literature, emotional devastation is often explored as a response to trauma or loss. Biographies and memoirs also use the term when recounting painful events that shaped the subject's life.

- **Correct and Incorrect Usage:**

-  She was devastated after the news of her friend's death. (वह अपने दोस्त की मृत्यु की खबर से बेहद दुखी थी।)
-  The chair was devastated after use. (Incorrect – “devastated” not appropriate for furniture.) (कुर्सी "devastated" नहीं हो सकती।)

- **Example + Grammar Breakdown:**

- He looked devastated after hearing the results. (परिणाम सुनने के बाद वह बेहद दुखी लग रहा था।)
- **Grammar Breakdown:**
 - He – Subject
 - looked – Linking verb
 - devastated – Predicate adjective
 - after hearing the results – Adverbial phrase

- **Common Collocations:**

- Emotionally devastated, Devastated area, Felt devastated

- **My Statement:**

- **(ADJECTIVE)**
 - His day was devastated by bad things that happened in the beginning of the day. ***
 - He was devastated by the bad things that happened at the beginning of the day.
 - She was devastated when her favorite team lost the match.
 - She was devastated by her life choices which she took several years from now. ***
 - She was devastated by the life choices she had made several years ago.
- **(VERB)**
 - The village has been devastated by the enemy soldiers.
 - He devastated his life by making bad life choices again and again.

- Bad influences end up devastating your life more than you think in the long run.

- **My Notes:** [Leave as Placeholder]

4. Utterly (पूर्ण रूप से) (Adverb) (ut-ter-ly) (Emphatic/Strong)

- **Meaning (English):** Completely or absolutely
- **Meaning (Hindi):** पूरी तरह से या पूरी सीमा तक।
- **Origin Flowchart & Etymology:**
 - Old English *uttera* (outer, complete) → **utter** (to speak or complete) + **-ly** (adverb suffix) → utterly
- **Synonym + Antonym:**
 - **Synonym:** Completely, Totally
 - **Antonym:** Partially, Incompletely
- **Connotation:** Strong emphasis; can be positive or negative depending on context
- **Pictorial Scenario:** Someone looking **utterly** exhausted after finishing a marathon.

- **Use in Non-Fiction (100 words):**

Utterly is used to stress absoluteness in journalism, essays, and literary criticism. For instance, a review might say, "The new policy is utterly ineffective," highlighting total failure. In social commentary, authors use it to describe emotional or situational extremes, such as "utterly powerless" or "utterly delighted." The word is effective in rhetorical writing where the intention is to amplify an impression.

- **Correct and Incorrect Usage:**

-  He was utterly surprised by the results. (वह परिणाम से पूरी तरह से हैरान था।)
-  She is utterly in the room. (Incorrect – “utterly” is not used for location.) (वह “utterly” कमरे में है – गलत है।)

- **Example + Grammar Breakdown:**

- The room was utterly silent. (कमरा पूरी तरह से शांत था।)
- **Grammar Breakdown:**
 - The room – Subject
 - was – Linking verb
 - utterly – Adverb modifying "silent"
 - silent – Predicate adjective

- **Common Collocations:**

- Utterly amazed, Utterly destroyed, Utterly wrong

- **My Statement:**

- My decisions are utterly correct this time.
- The results are utterly amazing to be showcased in an exhibition. ***
- The results are utterly amazing and deserve to be showcased in an exhibition.
- The influence is utterly negative which can impact us negatively. ***
- The influence is utterly negative and could impact us severely.

- **My Notes:** [Leave as Placeholder]

5. Alongside (के साथ) (Preposition/Adverb) (a-long-side) (Neutral)

- **Meaning (English):** Next to or together with
- **Meaning (Hindi):** बगल में या साथ-साथ।
- **Origin Flowchart & Etymology:**
 - Middle English → **along + side** → alongside (literally "by the side of")
- **Synonym + Antonym:**
 - **Synonym:** Beside, Together with
 - **Antonym:** Apart from, Away from
- **Connotation:** Neutral, descriptive
- **Pictorial Scenario:** Two researchers working **alongside** each other at a lab station.

- **Use in Non-Fiction (100 words):**

In nonfiction writing, “alongside” is useful in describing collaboration, spatial relationships, or concurrent events. For example, in academic reports: “The NGO worked alongside the government to provide aid.” In autobiographies, people might describe working alongside mentors or colleagues. In historical writing, the term helps position events or figures relative to each other. It also appears in policy analysis where stakeholders function alongside each other.

- **Correct and Incorrect Usage:**

-  She worked alongside her mentor on the project. (उसने अपने मेंटर के साथ प्रोजेक्ट पर काम किया।)
-  He lives alongside happiness. (Incorrect – awkward metaphor) (वह “happiness” के साथ नहीं रह सकता।)

- **Example + Grammar Breakdown:**

- He fought bravely alongside his comrades. (उसने अपने साथियों के साथ बहादुरी से लड़ाई की।)
- **Grammar Breakdown:**
 - He – Subject
 - fought – Verb (past tense)
 - bravely – Adverb
 - alongside – Preposition
 - his comrades – Object of the preposition

- **Common Collocations:**

- **Preposition:** alongside her, alongside the road, alongside experienced mentors
- **Adverb:** walked alongside, run alongside, operate alongside

- **My Statement:**

- **(PREPOSITION)**
 - The river flowed alongside his village.
 - The park was alongside his house.
 - The girl was sitting alongside his seat. ***
 - The girl was sitting alongside him.
- **(ADVERB)**
 - He lives alongside my house. ***
 - I have a house near the river; he lives alongside.
 - He worked alongside on a different project. ***
 - He worked alongside his colleague on a different project.
 - He explained a new concept alongside a running lecture. ***
 - He explained a new concept alongside the ongoing lecture.

- **My Notes:**

- “Alongside” can function as an adverb when the object is implied or previously mentioned. But it must make sense without directly following a noun, or it risks sounding incomplete or awkward.
- “Alongside” as an adverb **needs a reference to whom he worked with**, otherwise it feels incomplete.

- **What Role Does a Preposition Serve?**

- A preposition connects a noun/pronoun to another word to show how they relate in **space, time, direction, or reason**.

-  **Example:** She sat beside him.

- **Grammar Breakdown:**

- She – Subject
- sat – Verb (V2)
- beside – Preposition (shows place)
- him – Object of the preposition

-  The preposition “beside” connects “sat” to “him” — describing where she sat.

- **Common Prepositions by Function:**

- **Place/Position**

- in, on, under, over, beside, near, behind, between

- **Time**

- before, after, during, until, since, at, by

- **Direction**

- to, into, onto, out of, towards, across

- **Cause/Motive**

- for, because of, due to, on account of

- **Agency/Mean**

- by, with, through

- **Notes:**

- **Prepositions always have an object.**

- e.g. "He walked into the room." (object = "the room")
- **A prepositional phrase = preposition + object (+ modifiers)**
 - e.g. "in the large brown box"
- Never end formal writing with a preposition unless it's part of a phrasal verb:
 -  This is the topic we will talk about.
 -  This is the topic about which we will talk.
