Sesquipedalian, Nonplussed, Asterisk, Impede, Corroborate

**1 Sesquipedalian (लंबे शब्दों का प्रयोग करने वाला) (Adjective/Noun)**  
**(Ses-kwi-pi-day-lee-uhn) (Playful / Intellectual)**

- **Meaning (English):** Characterized by the use of long, complex, or multi-syllabic words.
- **Meaning (Hindi):** लंबे या जटिल शब्दों का उपयोग करने वाला व्यक्ति या लेखन शैली।
- **Origin Flowchart & Etymology:**
  - Latin *sesqui* ("one and a half") + *pes, pedis* ("foot") → ***sesquipedalis*** → English *sesquipedalian*.
- **Synonym + Antonym:**
  - **Synonym:** Long-winded, Wordy, Grandiloquent
  - **Antonym:** Simple, Concise
- **Connotation:** Mildly humorous or critical — implies excessive verbosity or scholarly exaggeration.
- **Pictorial Scenario:** A professor using ten-syllable words when a simple one would suffice.

- **Use in Non-Fiction (in 100 words):**

Writers with a *sesquipedalian* style often employ elaborate diction to sound authoritative or academic. While such language may impress, it risks alienating general readers. In persuasive writing, clarity outweighs verbosity. However, in rhetorical or literary essays, sesquipedalian expression can enrich tone and rhythm if used judiciously. Mastery lies in balancing sophistication with accessibility.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  **Correct:** His sesquipedalian speech impressed scholars but confused students. (उसके लंबे शब्दों वाले भाषण ने विद्वानों को प्रभावित किया लेकिन छात्रों को भ्रमित किया।)
-  **Incorrect:** He wrote a sesquipedalian essay full of short words. (उसने छोटे शब्दों वाला लंबा लेख लिखा।)

- **Word Hack of the Day (in 50 words):**

- Don't hide behind sesquipedalian language to sound intelligent — clarity trumps complexity. Use long words only when they add precision, not confusion. True eloquence lies in expressing deep ideas simply. Let your words enlighten, not intimidate; simplicity, delivered with intent, often carries more power than the grandest vocabulary.

- **Example (English + Hindi Equivalent):**

- *The author's sesquipedalian style made his novel dense but elegant.* (लेखक की लंबे शब्दों वाली शैली ने उसके उपन्यास को गहरा लेकिन सुरुचिपूर्ण बना दिया।)
- **Grammar Breakdown:**
  - S (Subject): The author's sesquipedalian style
  - V (Verb – Transitive): made
  - O (Object): his novel
  - C (Complement – Adjective Phrase): dense but elegant

- **Common Collocations:**

- sesquipedalian words, sesquipedalian style, sesquipedalian tendency

- **My Statement:**

- **(NOUN)**
  - I just encountered a lecture delivered by a sesquipedalian.
  - The art of being a sesquipedalian is mastered through years of practice.
  - How come you know such a sesquipedalian?

- **(VERB)**
  - His sesquipedalian manner of teaching often confuses new students.
  - After living abroad, he mastered the sesquipedalian style of narration in his speech.
  - Some readers didn't like the sesquipedalian tendency of the author.
- **My Notes:** [Leave as Placeholder]

## 2 Nonplussed (हैरान / स्तब्ध) (Adjective) (Non-pluhst) (Neutral → Confused)

- **Meaning (English):** Surprised or confused so much that one is unsure how to react.
- **Meaning (Hindi):** इतना हैरान या भ्रमित कि प्रतिक्रिया देने में असमर्थ।
- **Origin Flowchart & Etymology:**
  - Latin *non plus* (“no more”) → **English *nonplussed*** = “no more to say or do.”
- **Synonym + Antonym:**
  - **Synonym:** Bewildered, Perplexed, Confused
  - **Antonym:** Composed, Unfazed
- **Connotation:** Expresses intellectual or emotional confusion — usually formal.
- **Pictorial Scenario:** Someone frozen in silence after hearing shocking news.

- **Use in Non-Fiction (in 100 words):**

Leaders often appear *nonplussed* when unexpected crises unfold, revealing gaps in preparation. In psychology, this reaction highlights cognitive overload — when stimuli surpass one’s ability to process. The term also appears in literature to depict stunned or speechless characters, emphasizing their inner conflict or disbelief.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  **Correct:** The committee was nonplussed by his sudden resignation. (समिति उसकी अचानक इस्तीफे से स्तब्ध थी।)
-  **Incorrect:** He was nonplussed by the joke and laughed loudly. (वह मज़ाक पर हैरान होकर हँस पड़ा।)

- **Word Hack of the Day (in 50 words):**

- When you feel nonplussed—frozen by confusion or surprise—pause instead of reacting impulsively. Breathe, step back, and process before responding. Moments of bewilderment often precede clarity. Turning nonplussed silence into mindful reflection transforms uncertainty into composure, helping you navigate chaos with calm precision and thoughtful awareness.

- **Example (English + Hindi Equivalent):**

- *She looked nonplussed when asked about the missing file.* (जब उससे गायब फाइल के बारे में पूछा गया तो वह हैरान दिखी।)
- **Grammar Breakdown:**
  - S (Subject): She
  - V (Verb – Linking): looked
  - C (Complement – Adjective): nonplussed
  - + **(Adverbial Clause of Time/Condition): when asked about the missing file**
    - ↳ (Implied S): she
    - ↳ V (Verb – Passive): was asked
    - ↳ O (Object): about the missing file

- **Common Collocations:**

- looked nonplussed, seemed nonplussed, utterly nonplussed

- **My Statement:**

- She was utterly nonplussed by the sudden news of getting her dream job.
- The team seemed nonplussed when they were informed that the leader had surrendered.
- He looked nonplussed during the competition when he was given a highly critical assignment.

- **My Notes:** [Leave as Placeholder]

### 3 Asterisk (तारक चिन्ह) (Noun) (As-tuh-risk) (Neutral)

- **Meaning (English):** A symbol (\*) used to indicate a footnote, correction, or omission.
- **Meaning (Hindi):** एक चिन्ह (\*) जो टिप्पणी, संशोधन या अनुपस्थित जानकारी को दर्शाने के लिए प्रयोग होता है।
- **Origin Flowchart & Etymology:**
  - Greek *asteriskos* ("little star") → **Latin** → English *asterisk*.
- **Synonym + Antonym:**
  - **Synonym:** Star symbol, Footnote marker
  - **Antonym:** — (None relevant)
- **Connotation:** Neutral; technical or editorial.
- **Pictorial Scenario:** A printed page showing an asterisk next to a referenced term.

- **Use in Non-Fiction (in 100 words):**

In academic and professional writing, the *asterisk* serves to highlight additional information, corrections, or exceptions. It ensures clarity without cluttering the main text. Programmers and linguists also use asterisks for notation — from wildcard searches to ungrammatical sentence markers. Its versatility makes it a universal editorial tool.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  **Correct:** Each term marked with an asterisk refers to the glossary. (प्रत्येक शब्द जिसके साथ तारक चिन्ह लगा है, शब्दकोश से संबंधित है।)
-  **Incorrect:** He wore an asterisk on his shirt. (उसने अपनी शर्ट पर तारक चिन्ह पहना था।)

- **Word Hack of the Day (in 50 words):**

- Use an asterisk mindset in life — mark what truly needs your attention. Just as an asterisk in writing points to important notes, mentally highlight lessons, patterns, or mistakes worth revisiting. This conscious “star marking” keeps you aware of details that shape your growth and future decisions.

- **Example (English + Hindi Equivalent):**

- *Place an asterisk next to incorrect answers.* (गलत उत्तरों के पास तारक चिन्ह लगाएं।)
- **Grammar Breakdown:**
  - S (Subject – Implied): You
  - V (Verb – Transitive, Imperative): Place
  - O (Object): an asterisk
  - + (Adverbial Phrase of Place): next to incorrect answers

- **Common Collocations:**

- marked with an asterisk, asterisk symbol, use an asterisk

- **My Statement:**

- Write additional information after an asterisk.
- We will not use any asterisk symbol in this module.
- The asterisk symbol has a special meaning in this program.

- **My Notes:** [Leave as Placeholder]

#### 4 Impede (रोकना / बाधा डालना) (Verb) (Im-peed) (Negative)

- **Meaning (English):** To obstruct or delay the progress or movement of something.
- **Meaning (Hindi):** किसी कार्य या प्रक्रिया में बाधा डालना या उसे रोकना।
- **Origin Flowchart & Etymology:**
  - Latin *impedire* ("to shackle the feet") → **English *impede*.**
- **Synonym + Antonym:**
  - **Synonym:** Hinder, Obstruct, Delay
  - **Antonym:** Aid, Facilitate
- **Connotation:** Negative — implies resistance or blockage.
- **Pictorial Scenario:** A roadblock stopping cars from moving forward.

- **Use in Non-Fiction (in 100 words):**

Bureaucratic delays often *impede* economic growth by slowing decision-making and resource allocation. In psychology, emotional barriers can impede progress toward goals. Similarly, physical obstacles impede natural processes in engineering or biology. The term frequently appears in analytical and evaluative contexts to describe hindrances in progress or communication.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  **Correct:** Poor infrastructure impedes rural development. (खराब ढांचा ग्रामीण विकास में बाधा डालता है।)
-  **Incorrect:** His motivation impedes his success. ( उसकी प्रेरणा उसकी सफलता में बाधा डालती है।)

- **Word Hack of the Day (in 50 words):**

- Identify what impedes your progress — distractions, doubts, or inefficient habits. These barriers often hide in routine comfort. Once spotted, remove or redesign them. Progress accelerates when you clear internal and external obstacles. Remember, momentum thrives not just on effort but on the absence of resistance.

- **Example (English + Hindi Equivalent):**

- *Heavy rains impeded the rescue operation.* (भारी बारिश ने बचाव अभियान में बाधा डाली।)
- **Grammar Breakdown:**
  - S (Subject): Heavy rains
  - V (Verb – Transitive): impeded
  - O (Object): the rescue operation

- **Common Collocations:**

- impede progress, impede development, factors that impede

- **My Statement:**

- Poor decision making impedes progress in the long run.
- Due to the shortage of funding, the overall progress of the project was impeded for over a year.
- List down all the factors that may impede our progress.

- **My Notes:** [Leave as Placeholder]

## 5 Corroborate (पुष्टि करना / समर्थन करना) (Verb) (Kuh-rob-uh-rayt) (Positive)

- **Meaning (English):** To confirm or support a statement, theory, or finding with evidence.
- **Meaning (Hindi):** किसी कथन या तथ्य की पुष्टि या समर्थन करना।
- **Origin Flowchart & Etymology:**
  - Latin *corroborare* ("to strengthen") → **English corroborate.**
- **Synonym + Antonym:**
  - **Synonym:** Confirm, Validate, Authenticate
  - **Antonym:** Contradict, Refute
- **Connotation:** Positive — implies reliability and factual reinforcement.
- **Pictorial Scenario:** Two scientists comparing identical data charts to support the same conclusion.

- **Use in Non-Fiction (in 100 words):**

In research and journalism, *corroborate* signifies factual consistency. When multiple independent sources corroborate a claim, credibility strengthens. Legal systems rely on corroboration to validate witness statements. In scientific discourse, corroborated data distinguishes solid theories from speculation. The term embodies verification, trust, and evidential integrity.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  **Correct:** The witness's statement corroborated the evidence. (गवाह के बयान ने साक्ष्य की पुष्टि की।)
-  **Incorrect:** The witness's statement corroborated the lie. (गवाह के बयान ने झूठ की पुष्टि की।)

- **Word Hack of the Day (in 50 words):**

- Before forming conclusions, seek facts that corroborate your beliefs. Don't rely on assumptions or hearsay — verify through evidence, experience, or trusted sources. Just as scientists corroborate data to strengthen truth, align your decisions with proof. It builds credibility, sharpens judgment, and transforms opinions into informed convictions.

- **Example (English + Hindi Equivalent):**

- *The documents corroborate his version of the story.* (दस्तावेज़ उसकी कहानी के संस्करण की पुष्टि करते हैं।)
- **Grammar Breakdown:**
  - S (Subject): The documents
  - V (Verb – Transitive, Present Tense): corroborate
  - O (Object): his version of the story

- **Common Collocations:**

- corroborate evidence, corroborate statement, corroborate claim

- **My Statement:**

- The release of classified files corroborated the series of events and actions taken.
- With remarkable results from different specimens using the same formula, the findings about the vaccine were corroborated by scientists.
- The researchers corroborated the claim of treating malignant diseases with newly prepared vaccines.

- **My Notes:** [Leave as Placeholder]
