By Far, So Far, Beseech, Insist, Insisted on

1. By Far (अब तक सबसे अधिक) (Phrase) (bai faar) (Emphatic/Positive)

- **Meaning (English):** To a great extent; more than anything else.
- **Meaning (Hindi):** अब तक सबसे अधिक; अन्य किसी भी चीज़ से कहीं ज़्यादा।
- **Origin Flowchart & Etymology:**
 - Old English: "by" + Middle English: "far" → Intensifier phrase meaning "to a large margin"
- **Synonym + Antonym:**
 - **Synonyms:** Easily, Definitely
 - **Antonyms:** Barely, Marginally
- **Connotation:** Strongly positive, emphasizing a clear difference.
- **Pictorial Scenario:** An athlete miles ahead of others in a race.

- **Use in Non-Fiction (100 words max.):**

In customer satisfaction surveys, Company X scored by far the highest among its competitors. This edge reflects its consistent investment in user-centric design and

proactive customer support, proving that a commitment to continuous improvement can set a company apart clearly and decisively.

- **Correct and Incorrect Usage:**

-  This is by far the most beautiful city I have visited.
-  यह अब तक सबसे सुंदर शहर है जहाँ मैंने यात्रा की है।
-  This is far by the most beautiful city.
-  "Far by" reverses the natural collocation, making it incorrect.

- **Example + Grammatical Explanation:**

-  By far, this is the most successful product launch. (यह अब तक की सबसे सफल उत्पाद लॉन्च है।)
-  "By far" (intensifying adverbial phrase) + "this" (subject) + "is" (linking verb) + "the most successful product launch" (subject complement with superlative adjective).

- **Common Collocations:**

- By far the best, by far the most talented, by far the highest

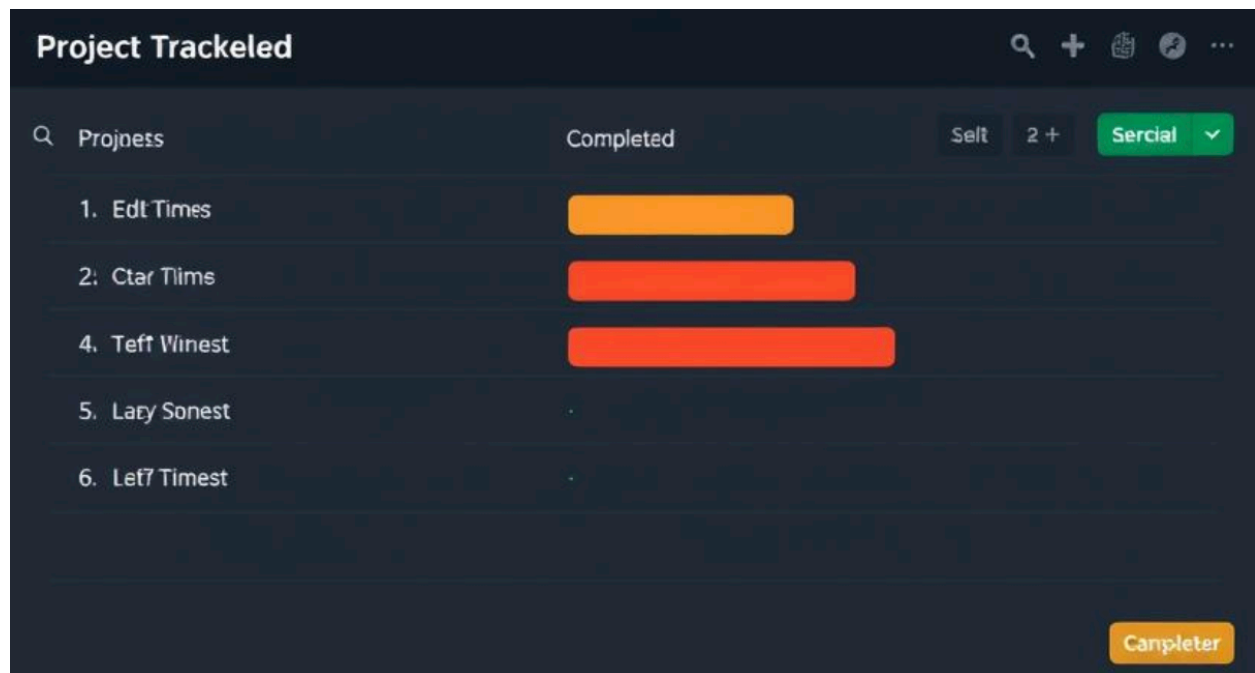

- **My Statement:**

- By far, she had scored more than anything else in history. ***
- By far, she had scored the highest marks in history.
- In a chess match, he is by far the most exceptional player in history. ***
- He is by far the most exceptional chess player in history.
- Their product is by far the most downloaded app in the play store. ***
- Their product is by far the most downloaded app in the Play Store.

- **My Notes:** [Leave as Placeholder]

2. So Far (अब तक) (Phrase) (so faar) (Neutral/Informative)

- **Meaning (English):** Until now; up to this point.
- **Meaning (Hindi):** अब तक; इस समय तक।
- **Origin Flowchart & Etymology:**
 - Old English: "so" + "far" → Meaning "up to the current moment"
- **Synonym + Antonym:**
 - **Synonyms:** Until now, Hitherto
 - **Antonyms:** From now onward, Eventually
- **Connotation:** Neutral, observational.
- **Pictorial Scenario:** A project tracker showing partial progress completed.

- **Use in Non-Fiction (100 words max.):**

In quarterly reports, companies often highlight their achievements so far, allowing stakeholders to assess interim progress before the fiscal year ends. This method helps in recalibrating goals and addressing challenges in real-time, ensuring smoother annual performance.

- **Correct and Incorrect Usage:**
 -  So far, the results have been promising.

-  अब तक, परिणाम उत्साहजनक रहे हैं।
-  Far so, the results have been promising.
-  "Far so" is a jumbled phrase; "so far" is the correct order.

- **Example + Grammatical Explanation:**

-  So far, we have received positive feedback. (अब तक, हमें सकारात्मक प्रतिक्रिया मिली है।)
-  "So far" (time adverbial) + "we" (subject) + "have received" (present perfect verb phrase) + "positive feedback" (object noun phrase).

- **Common Collocations:**

- So far so good, progress so far, achieved so far

- **My Statement:**

- So far, we have achieved significant growth in the market.
- So far, we managed to suppress the competitor positioning to maintain our market dominance. ***
- So far, we have managed to suppress the competitors' positioning to maintain our market dominance.
- So far, we have lived our life happily without worrying about money.

- **My Notes:** [Leave as Placeholder]

3. Beseech (बिनती करना) (Verb) (bi-seech) (Urgent/Emotional)

- **Meaning (English):** To urgently and fervently ask someone to do something.
- **Meaning (Hindi):** अत्यंत आग्रहपूर्वक किसी से कुछ करने की प्रार्थना करना।
- **Origin Flowchart & Etymology:**
 - Middle English: "besechen" → from Old English: "besecian" ("to entreat")
- **Synonym + Antonym:**
 - **Synonyms:** Implore, Plead, Beg
 - **Antonyms:** Demand, Command
- **Connotation:** Emotional and pleading, sometimes dramatic.
- **Pictorial Scenario:** A person kneeling down and begging someone for forgiveness.

- **Use in Non-Fiction (100 words max.):**

Historical speeches often feature leaders beseeching their followers to remain united and resilient during crises. Such passionate appeals harness emotional solidarity and strengthen collective morale, demonstrating the power of vulnerability in leadership.

- **Correct and Incorrect Usage:**

-  I beseech you to reconsider your choice.
-  मैं आपसे निवेदन करता हूँ कि आप अपने निर्णय पर पुनर्विचार करें।

-  I beseech you for change your mind.
-  "for change" is grammatically wrong; "to change" is correct.

- **Example + Grammatical Explanation:**

-  He beseeched the gods for mercy. (उसने दया के लिए देवताओं से विनती की।)
-  "He" (subject) + "beseeched" (past tense main verb) + "the gods" (direct object) + "for mercy" (prepositional phrase of purpose).

- **Common Collocations:**

- Beseech for forgiveness, beseech humbly, beseech in prayer

- **My Statement:**

- I beseech you to pass my daughter despite failing in the exams. ***
- I beseech you to pass my daughter despite her failing the exams.
- He beseeched the god to make him live longer and help him be young. ***
- He beseeched God to let him live longer and keep him young.
- She beseeched his employer to not fire her when she really needed the job. ***
- She beseeched her employer not to fire her when she really needed the job.

4. Insist (ज़ोर देना) (Verb) (in-sist) (Firm/Forceful)

- **Meaning (English):** To demand something firmly, not accepting refusal.
- **Meaning (Hindi):** किसी बात पर बलपूर्वक आग्रह करना, इंकार न मानना।
- **Origin Flowchart & Etymology:**
 - Latin: "insistere" → French: "insister" → English: "insist" ("to persist")
- **Synonym + Antonym:**
 - **Synonyms:** Urge, Demand, Press
 - **Antonyms:** Relent, Yield, Concede
- **Connotation:** Strong-willed and firm.
- **Pictorial Scenario:** A manager firmly pointing at a project deadline on a calendar.

- **Use in Non-Fiction (100 words max.):**

Parents often insist on discipline in a child's early years, believing that structured routines instill resilience, patience, and independence later in life. However, experts advise balancing insistence with empathy to promote healthy development.

- **Correct and Incorrect Usage:**

-  I insist that you take the medication on time.
-  मैं ज़ोर देता हूँ कि आप समय पर दवा लें।

-  I insist you to take the medication.
-  "insist that" is needed; "insist to" is wrong.

- **Example + Grammatical Explanation:**

-  He insists that we complete the assignment today. (वह ज़ोर देता है कि हम आज ही असाइनमेंट पूरा करें।)
-  "He" (subject) + "insists" (simple present main verb) + "that we complete" (noun clause as object).

- **Common Collocations:**

- Insist on payment, insist on immediate action, insist that someone does something

- **My Statement:**

- I insist that you should study harder and revise even harder. ***
- I insist that you study harder and revise even harder.
- I insist on making this place just as beautiful as earlier, to achieve that we would need funding from all of you. ***
- I insist on making this place just as beautiful as it was earlier. To achieve that, we would need funding from all of you.
- She insisted on bringing fruits for herself and her while coming from the market. ***
- She insisted on bringing fruits for herself and her friend while coming from the market.

- **My Notes:** [Leave as Placeholder]

5. Insisted on (पर ज़ोर दिया) (Phrasal Verb) (in-sist-ed on) (Emphatic/Assertive)

- **Meaning (English):** Emphasized something firmly as necessary or crucial.
- **Meaning (Hindi):** किसी चीज़ पर दृढ़ता से ज़ोर देना या उसे आवश्यक बताना।
- **Origin Flowchart & Etymology:**
 - Latin: "insistere" + English past tense: "insisted" + "on" (preposition)
- **Synonym + Antonym:**
 - **Synonyms:** Emphasized, Stressed, Demanded
 - **Antonyms:** Overlooked, Ignored, Relented
- **Connotation:** Forceful, often justified.
- **Pictorial Scenario:** A patient firmly asking the doctor for a second opinion.

- **Use in Non-Fiction (100 words max.):**

In negotiations, leaders who insisted on transparency established stronger trust with stakeholders. Insisting on clarity at the outset of a deal prevents misunderstandings, showcasing assertive but fair leadership practices essential for long-term success.

- **Correct and Incorrect Usage:**

-  She insisted on attending the crucial meeting.
-  उसने महत्वपूर्ण बैठक में शामिल होने पर ज़ोर दिया।
-  She insisted to attend the crucial meeting.
-  "insisted on" must be used with gerund (-ing form).

- **Example + Grammatical Explanation:**

-  They insisted on traveling separately. (उन्होंने अलग-अलग यात्रा करने पर ज़ोर दिया।)
-  "They" (subject) + "insisted" (past tense verb) + "on traveling separately" (prepositional phrase functioning as object complement).

- **Common Collocations:**

- Insisted on staying late, insisted on full disclosure, insisted on strict rules

- **My Statement:**

- The team insisted on developing solutions before they rival competitors deploying it earlier than them. ***
- The team insisted on developing solutions before their rival competitors could deploy them.
- She insisted on reviewing the latest proposal to the stakeholders and act accordingly. ***
- She insisted on reviewing the latest proposal for the stakeholders and acting accordingly.
- The government insisted on implementing two-child policy but faced severe backlash from the public. ***
- The government insisted on implementing the two-child policy but faced severe backlash from the public.
