Remnants, Devoured, Espoused, Trifecta, Saddle

1. Remnants (अवशेष) (Noun) (rem-nuhnts) (Neutral)

- **Meaning (English):** Small remaining parts or quantities of something that once existed or was larger.
- **Meaning (Hindi):** किसी चीज़ के बचे हुए हिस्से या टुकड़े।
- **Origin Flowchart & Etymology:**
 - Latin *remanere* → **Old French *remanant*** → Middle English *remnant* → **Modern remnants**
- **Synonym + Antonym:**
 - **Synonyms:** remains, leftovers, residue
 - **Antonyms:** entirety, whole, bulk
- **Connotation:** Neutral; slightly nostalgic or decayed depending on context
- **Pictorial Scenario:** A battlefield after war with broken weapons, scattered clothing, and ashes — all remnants of conflict.

- **Use in Non-Fiction (100 words):**

In archaeological studies, remnants play a crucial role in decoding ancient civilizations. Broken pottery, eroded structures, and fossilized remains help researchers reconstruct lost histories and understand the socio-cultural dynamics of a time long gone. These remnants provide tangible proof of human development, migration, and innovation. They form the basis of historical narratives and often shape national identities. While small in size, remnants often carry great weight in their contribution to the past.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  **Correct:** The remnants of the storm were visible across the village. (तूफान के अवशेष पूरे गाँव में दिख रहे थे।)
-  **Incorrect:** The remnants completed the house. (अवशेषों ने घर को पूरा किया।)

- **Example + Low-Level Grammatical Structure:**

- *The remnants of the fire were still smoldering.* (आग के अवशेष अभी भी धुआं छोड़ रहे थे।)
- **Grammar Breakdown:**
 - **Subject:** *The remnants* (plural noun)
 - **Verb:** *were* (plural past of "to be")
 - **Verb complement:** *still smoldering* (present participle phrase)

- **Common Collocations:**

- remnants of war, fabric remnants, emotional remnants

- **My Statement:**

- The remnants of her past still found her and recalled her of past bad experiences. ***
- The remnants of her past still found her and reminded her of bad experiences.
- The clothes remnants were burned down to remove all trace of someone's existence. ***
- The remnants of the clothes were burned to remove all trace of someone's existence.
- The remnants of life were present on the planet we explored today.

- **My Notes:** [Leave as Placeholder]

2. Devoured (निगल गया / खा गया) (Verb) (di-vow-erd) (Intense)

- **Meaning (English):** To eat or consume something eagerly, destructively, or quickly.
- **Meaning (Hindi):** तेजी या भूख से खाना या नष्ट करना।
- **Origin Flowchart & Etymology:**
 - Latin *devorare* (to swallow down) → **Old French *devourer*** → Middle English *devouren*
- **Synonym + Antonym:**
 - **Synonyms:** gobbled, consumed, demolished
 - **Antonyms:** nibbled, saved, preserved
- **Connotation:** Negative or intense depending on tone; can also show passion
- **Pictorial Scenario:** A child devours a chocolate cake in seconds, leaving nothing but crumbs.

- **Use in Non-Fiction (100 words):**

Hunger-driven behavior in wildlife reveals how predators devour their prey with strategic efficiency. This biological instinct not only highlights the food chain but also the delicate balance of ecosystems. In economic terms, companies that devour smaller startups may lead to monopolistic trends, raising ethical concerns. Whether in nature or industry, devouring symbolizes overwhelming dominance, driven either by survival or greed. This

term can also metaphorically apply to addiction, obsession, or the human tendency to overconsume.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  **Correct:** He devoured the book in one sitting. (उसने एक ही बैठक में पूरी किताब निगल ली।)
-  **Incorrect:** He devoured the water slowly. (उसने धीरे-धीरे पानी निगल लिया।)

- **Example + Low-Level Grammatical Structure:**

- *She devoured the pizza before anyone else could get a slice.* (उसने पिज्जा को इतनी जल्दी खा लिया कि किसी और को एक टुकड़ा भी नहीं मिल पाया।)
- **Grammar Breakdown:**
 - **Subject:** *She*
 - **Verb:** *devoured* (past tense verb)
 - **Object:** *the pizza*
 - **Clause:** *before anyone else could get a slice* (time-dependent subordinate clause)

- **Common Collocations:**

- devoured by flames, devoured a novel, devoured attention

- **My Statement:**

- He devoured his entire friend's notes before the exam. ***
- He devoured his friend's entire set of notes before the exam.
- The child devoured a whole chocolate before his parents arrives at the home. ***
- The child devoured a whole chocolate before his parents arrived home.
- He devoured entire knowledge of the universe with the help of free internet. ***
- He devoured vast knowledge about the universe using free internet resources.

- **My Notes:** [Leave as Placeholder]

3. Espoused (समर्थन किया / अंगीकार किया) (Verb) (es-powzd) (Formal)

- **Meaning (English):** To adopt or support a cause, belief, or way of life.
- **Meaning (Hindi):** किसी विचार या उद्देश्य को अपनाना या उसका समर्थन करना।
- **Origin Flowchart & Etymology:**
 - Latin *sponsare* (to betroth) → **Old French *espouser*** → Middle English *espousen* → **Modern *espoused***
- **Synonym + Antonym:**
 - **Synonyms:** adopted, embraced, supported
 - **Antonyms:** rejected, opposed, abandoned
- **Connotation:** Positive; often formal or ideological
- **Pictorial Scenario:** A speaker on stage espousing the values of environmental conservation.

- **Use in Non-Fiction (100 words):**

Leaders who have espoused non-violent philosophies have made a lasting impact on history. For instance, Mahatma Gandhi espoused the idea of Satyagraha, which emphasized peaceful resistance. In corporate scenarios, organizations often espouse values such as integrity, transparency, and customer-centricity to build trust. Espousing a principle means more than just supporting it — it often involves actively living by it,

shaping decisions, strategies, and social behavior. However, the gap between espousing values and actual practices often reveals hypocrisy.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  **Correct:** The organization espoused equality and justice. (संगठन ने समानता और न्याय का समर्थन किया।)
-  **Incorrect:** He espoused a pizza for lunch. (उसने दोपहर के खाने के लिए पिज़्ज़ा को समर्थन दिया।)

- **Example + Low-Level Grammatical Structure:**

- *The company espoused ethical values in all its operations.* (कंपनी ने अपने सभी कार्यों में नैतिक मूल्यों को अपनाया।)
- **Grammar Breakdown:**
 - **Subject:** *The company*
 - **Verb:** *espoused* (past tense verb)
 - **Object:** *ethical values*
 - **Prepositional phrase:** *in all its operations*

- **Common Collocations:**

- espoused values, espoused philosophy, espoused ideals

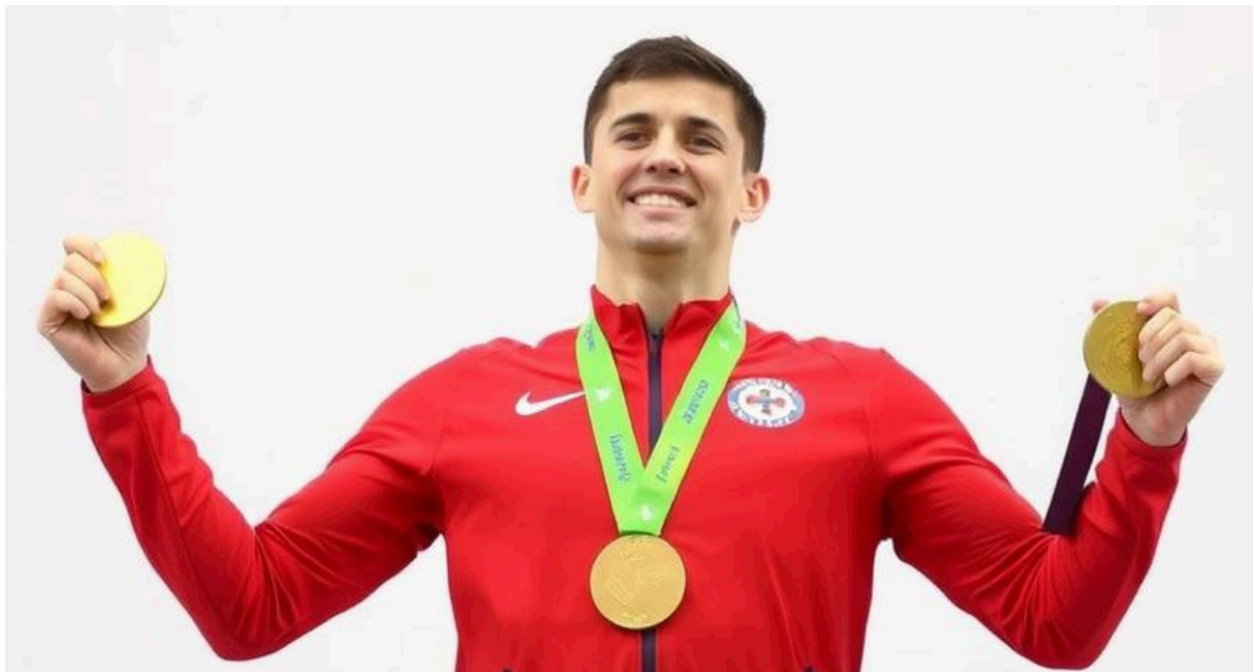

- **My Statement:**

- The company espoused contribution to saving planet by reducing carbon emissions to net zero in the next 20 years. ***
- The company espoused the contribution to saving the planet by committing to reduce carbon emissions to net zero in the next 20 years.
- Every citizens espoused in order to maintain harmony in the country and follow rules diligently. ***
- Every citizen espoused the values needed to maintain harmony in the country and followed rules diligently.
- We espoused the points discussed in the seminar around wildlife preservation. ***
- We espoused the points discussed in the seminar regarding wildlife preservation.

- **My Notes:** [Leave as Placeholder]

4. Trifecta (त्रिगुण / तीन में तीन) (Noun) (tri-fek-tuh) (Positive/Emphatic)

- **Meaning (English):** A situation where three desirable outcomes or achievements occur together.
- **Meaning (Hindi):** ऐसी स्थिति जहाँ तीनों चीज़ें एक साथ सफल होती हैं।
- **Origin Flowchart & Etymology:**
 - Latin *tri-* (three) + *perfecta* (perfect) → **Horse racing slang in the U.S.** → Broader usage
- **Synonym + Antonym:**
 - **Synonyms:** triple win, triple success, triple combination
 - **Antonyms:** triple loss, failure trio
- **Connotation:** Strongly positive; emphasizes excellence across three outcomes
- **Pictorial Scenario:** An athlete wins three gold medals in one championship, achieving a trifecta.

- **Use in Non-Fiction (100 words):**

In entrepreneurship, achieving the trifecta of innovation, profitability, and sustainability is rare yet commendable. Startups often focus on growth but forget long-term viability. A trifecta mindset demands balanced decision-making, considering people, profits, and the planet. Similarly, in personal development, mastering physical health, emotional

intelligence, and financial literacy could be one's own life trifecta. This concept encourages the pursuit of harmony and excellence across three pillars of a given domain.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  **Correct:** The project was a trifecta of speed, cost-efficiency, and innovation. (यह प्रोजेक्ट गति, लागत-कुशलता और नवाचार का त्रिगुण था।)
-  **Incorrect:** I had a trifecta meal. (मैंने त्रिगुण खाना खाया।)

- **Example + Low-Level Grammatical Structure:**

- *Winning the debate, quiz, and speech contest gave her a perfect trifecta.* (वाद-विवाद, प्रश्नोत्तरी, और भाषण प्रतियोगिता जीतना उसके लिए एक परिपूर्ण त्रिफला सिद्ध हुआ।)
- **Grammar Breakdown:**
 - **Gerund phrase as subject:** *Winning the debate, quiz, and speech contest*
 - **Verb:** *gave*
 - **Indirect object:** *her*
 - **Direct object:** *a perfect trifecta*

- **Common Collocations:**

- perfect trifecta, achieve a trifecta, business trifecta

- **My Statement:**

- Reduce, Reuse, Recycle are the trifecta of a sustainable waste management practice. ***
- Reduce, Reuse, and Recycle form the trifecta of sustainable waste management practices.
- We need a perfect trifecta at this moment to uplift the expectations of our existing supporters. ***
- We need a perfect trifecta right now to elevate the expectations of our existing supporters.
- An athlete would image a trifecta in his life, yet it require a lot of hard world and a lot of patience. ***
- An athlete might envision a trifecta in his life, but it requires a lot of hard work and patience.

5. Saddle (जीन / बोझ डालना) (*Noun/Verb*) (*sa-dl*) (*Neutral/Formal*)

- **Meaning (English):**
 - (**Noun**) A leather seat placed on the back of a horse.
 - (**Verb**) To burden someone with responsibility or duty.
- **Meaning (Hindi):**
 - (**संज्ञा**) घोड़े पर रखी जाने वाली जीन
 - (**क्रिया**) जिम्मेदारी का बोझ डालना
- **Origin Flowchart & Etymology:**
 - Proto-Germanic *sadulaz* → **Old English *sadol*** → Modern *saddle*
- **Synonym + Antonym:**
 - **Synonyms:** burden (v), equip (v), seat (n)
 - **Antonyms:** relieve, unburden
- **Connotation:** Neutral to slightly negative when used as a verb
- **Pictorial Scenario:** A horse being saddled for a long ride; or a man being saddled with debt after signing a loan.

- **Use in Non-Fiction (100 words):**

Many developing countries are saddled with debt from international institutions. These financial burdens often limit their ability to invest in infrastructure, healthcare, and education. On a different note, the saddle in horseback riding is designed to offer comfort and control during travel or sport. Symbolically, to be saddled with something often means carrying a load — whether physical or emotional. Literature and film often use this metaphor to depict characters burdened by their past or responsibilities.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  **Correct:** He was saddled with responsibilities at a young age. (सही: उस पर कम उम्र में ही जिम्मेदारियों का बोझ डाल दिया गया।)
-  **Incorrect:** He saddled the exam questions. (उसने परीक्षा के सवालों पर जीन रख दी।)

- **Example + Low-Level Grammatical Structure:**

- **Example:** *She was saddled with debt after her husband lost his job.* (वह कर्ज़ के बोझ तले दब गई थी जब उसके पति ने अपनी नौकरी खो दी।)
- **Grammar Breakdown:**
 - **Subject:** *She*
 - **Passive voice structure:** *was saddled* (past participle)
 - **Prepositional phrase:** *with debt*
 - **Subordinate clause:** *after her husband lost his job*

- **Common Collocations:**

- saddled with debt, saddled with guilt, saddle a horse

- **My Statement:**

- **(NOUN)**
 - The saddle was arranged for the horse before taking a ride. ***
 - The saddle was placed on the horse before taking a ride.
 - We're designing a saddle which can provide extra comfort to the rider as well as the horse. ***
 - We're designing a saddle that provides extra comfort to both the rider and the horse.
 - This saddle costs a little more due to the use of premium quality leather. ***
 - This saddle costs slightly more due to the use of premium-quality leather.

- **(VERB)**
 - She was saddled with a lot of debt after competing her graduation. ***
 - She was saddled with a lot of debt after completing her graduation.
 - There are individuals saddled for taking care of their parents. ***
 - There are individuals saddled with the responsibility of taking care of their parents.
 - From a young age, she was saddled for taking care of herself and his little brother. ***
 - From a young age, she was saddled with the responsibility of taking care of herself and her little brother.
