Rescinding, Measly, Pertaining

## Rescinding (रद्द करना) (Verb) (Re-scin-ding) (Neutral Tone)

- **Meaning of word (English):** The act of revoking, canceling, or repealing a law, decision, or agreement.
- **Meaning of word (Hindi):** किसी कानून, निर्णय, या समझौते को रद्द करना या समाप्त करना।
- **Origin & Etymology:** From Latin *rescindere* (to cut off, annul), combining *re-* (back) and *scindere* (to cut).
- **Synonym + Antonym:**
  - **Synonyms:** Revoke, Repeal, Abolish
  - **Antonyms:** Enforce, Uphold, Validate
- **Connotation:** Neutral; can be positive when reversing a harmful decision or negative when removing a beneficial one.

- **Use in Non-Fiction (300 words max.):**

Governments often rescind outdated laws to align with modern societal values. For instance, the repeal of discriminatory policies is seen as progress toward inclusivity. However, rescinding agreements can also lead to political or economic uncertainty. Companies may rescind job offers due to financial constraints, causing distress to applicants. Thus, the power to rescind should be exercised with careful consideration.
- **Correct and Incorrect Usage (English + Hindi Equivalent):**
  - ☒ **The company rescinded the job offer due to budget cuts.** (कंपनी ने बजट कटौती के कारण नौकरी का प्रस्ताव रद्द कर दिया।)

- **✗** *She rescinded the cup from the table.* (उसने मेज़ से कप रद्द कर दिया।) → Incorrect because “rescinding” applies to abstract concepts, not physical objects.
  - **Example (English + Hindi Equivalent):**  
*The government rescinded the outdated law to ensure fairness.*  
 (सरकार ने निष्पक्षता सुनिश्चित करने के लिए पुराने कानून को रद्द कर दिया।)
  - **Detailed Low-Level Grammatical Structure Explanation of the Example:**
    - *The government* → Subject (Noun)
    - *rescinded* → Past Verb (Main Verb)
    - *the outdated law* → Object (Noun Phrase)
    - *to ensure fairness* → Infinitive Phrase (Expressing Purpose)
  - **My Statement:**
    - The court rescinded the bail request of the suspect because of the level of crime he did. \*\*\*
    - The court rescinded the bail request of the suspect due to the severity of the crime he committed.
    - The company rescinded the proposal of building the system from scratch to eliminate all bugs. \*\*\*
    - The company rescinded the proposal to build the system from scratch to eliminate all bugs.
    - The leave request of the staff was rescinded by the owner even during the festive season. \*\*\*
    - The owner's decision rescinded the staff's leave request, even during the festive season.
  - **My Notes:** [Leave as Placeholder]
  - **Bonus Content:**
    - **Psychological & Philosophical Angle:**
      - Rescinding a decision can sometimes be seen as a sign of weakness or indecisiveness, but in reality, it often reflects adaptability, learning, and reconsideration based on new information.
- 

## Measly (नगण्य) (Adjective) (Meas-ly) (Negative Tone)

- **Meaning of word (English):** Very small in amount or not enough.
- **Meaning of word (Hindi):** बहुत कम या अपर्याप्त।
- **Origin & Etymology:** Derived from *measles*, originally implying weakness or insignificance.
- **Synonym + Antonym:**
  - **Synonyms:** Insignificant, Paltry, Trivial
  - **Antonyms:** Substantial, Abundant, Sufficient
- **Connotation:** Negative; often implies dissatisfaction or disappointment.

- **Use in Non-Fiction (300 words max.):**  
Wages in some industries remain measly despite rising living costs. This creates financial strain for workers who struggle to afford necessities. Similarly, measly investments in education can lead to poor infrastructure and resources, hindering learning outcomes. Addressing these issues requires recognizing that small efforts alone may not be sufficient to bring meaningful change.
- **Correct and Incorrect Usage (English + Hindi Equivalent):**
  - ☒ *He was paid a measly amount for his hard work.* (उसे उसकी कड़ी मेहनत के लिए नगण्य राशि दी गई।)
  - ☐ *The measly elephant walked through the forest.* (नगण्य हाथी जंगल से गुजरा।) → Incorrect because "measly" describes something insufficient, not physical entities like animals.
- **Example (English + Hindi Equivalent):**  
*The company offered a measly bonus despite record profits.*  
(रिकॉर्ड मुनाफे के बावजूद कंपनी ने नगण्य बोनस दिया।)
- **Detailed Low-Level Grammatical Structure Explanation of the Example:**
  - *The company* → Subject (Noun)
  - *offered* → Past Verb (Main Verb)
  - *a measly bonus* → Object (Noun Phrase with Adjective)
  - *despite record profits* → Prepositional Phrase (Expressing Contrast)
- **My Statement:**
  - The measly quantity of the crops alleviated the price of products in the market.  
\*\*\*
  - The measly quantity of crops elevated the price of products in the market.

- The organization got the measly result of the experiment damaging their reputation among investors. \*\*\*
  - The organization obtained measly results from the experiment, damaging its reputation among investors.
  - The Indian cricket team got a measly score in the final match, leading to the defeat. \*\*\*
  - The Indian cricket team scored a measly total in the final match, leading to their defeat.

## Pertaining (संबंधित) (Verb) (Per-tain-ing) (Neutral Tone)

- **Meaning of word (English):** To be related or relevant to a particular subject.
- **Meaning of word (Hindi):** किसी विशेष विषय से संबंधित होना।
- **Origin & Etymology:** From Latin *pertinere*, combining *per-* (through) and *tenere* (to hold), meaning "to hold through relevance."
- **Synonym + Antonym:**
  - **Synonyms:** Relating, Concerning, Connecting
  - **Antonyms:** Unrelated, Irrelevant, Separate
- **Connotation:** Neutral; used in academic, legal, and general contexts.

- **Use in Non-Fiction (300 words max.):**

Laws pertaining to data privacy have become increasingly strict in the digital era. Companies must ensure compliance with regulations pertaining to consumer rights to avoid legal consequences. Similarly, discussions pertaining to climate change often emphasize the role of industries in reducing carbon emissions. Understanding information pertaining to specific issues helps individuals make informed decisions.

- **Correct and Incorrect Usage (English + Hindi Equivalent):**

-  *He asked a question pertaining to the new policy.* (उसने नई नीति से संबंधित एक सवाल पूछा।)
-  *She pertaining her book on the shelf.* (उसने अपनी किताब को अलमारी में संबंधित किया।) → Incorrect because “pertaining” is not used for physical placement.

- **Example (English + Hindi Equivalent):**

*The document contains details pertaining to the investigation.*  
(दस्तावेज़ में जांच से संबंधित विवरण शामिल हैं।)

- **Detailed Low-Level Grammatical Structure Explanation of the Example:**

- *The document* → Subject (Noun)
- *contains* → Present Verb (Main Verb)
- *details pertaining to the investigation* → Object (Noun Phrase with Present Participle Clause)

- **My Statement:**

- The evidence pertained to the recent crime case which led to the solution of the previous cases. \*\*\*
- The evidence pertained to the recent crime case, which led to the resolution of previous cases.
- The results are pertaining to experiments that were redacted from the disclosure document, later found to be removed for security purposes. \*\*\*
- The results pertained to experiments that were redacted from the disclosure document and were later found to be removed for security purposes.
- The child is pertaining to the woman, which is believed to be her mother. \*\*\*
- The child pertains to the woman, who is believed to be his mother.

- **My Notes:**

- "Pertaining to" is best used for abstract concepts like rules, subjects, or discussions rather than for people.
- Pertains to is not commonly used for biological or familial relationships.
  - Grammatically Correct but not common as per natural usage:
    - The child pertains to the woman, who is believed to be his mother.

- **Bonus Content:**

- Fun Facts About "Pertaining"
  - The word "pertaining" comes from the Latin "pertinere", which means "to reach, extend, or relate to."
  - In old English, "pertaining" was mostly used in legal and religious texts, often referring to things "belonging to" or "associated with" a particular group.
